Dear Sir or Madam

**PROPOSED REVISION TO WAITING RESTRICTIONS – OLD GARDENS,  
WINCHESTER**

Due to continued problems with parking in Old Gardens, Winchester the Council is proposing to revise the existing waiting restrictions to ensure clear access for residents and emergency services, deliveries, etc.

To reduce the possibilities of objections when this proposal is formally advertised it is important to promote a scheme that has the support of the residents. The proposals must also be reasonable to reduce the likelihood of objections when it is formally advertised and it is not proposed that parking is stopped completely in Old Gardens, but restricted so that access is maintained and to prevent obstructions to residents.

It is therefore suggested that the existing single yellow line in Old Gardens at the junction with Park Road be changed to a double yellow line and extended to a distance of 15 metres both sides from the junction together with double yellow lines both sides from just before the pinch-point, as shown on the attached plan.

I trust this is to your satisfaction and would be grateful if you could confirm if this is acceptable by returning the enclosed slip form so that this proposal can proceed.

Yours faithfully

Neville Crisp  
Traffic Engineer
