

PROPOSED VARIATION TO:-

THE CITY OF WINCHESTER (CENTRAL AREA)
TRAFFIC REGULATION (CONSOLIDATION) ORDER 1984

STATEMENT OF REASONS FOR REVISION:-

On traffic management and environmental grounds to:-

Reverse the flow of traffic in Parchment Street, Winchester from a southerly direction to a northerly direction.

Revoke the one-way traffic order in Middle Brook Street, Winchester from its junction with North Walls to its junction with Cossack Lane.
(Traffic to remain one-way only southbound in Middle Brook Street from its junction with Cossack Lane to its junction with Friarsgate)

No entry from Middle Brook Street into North Walls to be introduced.

Order to be made on an experimental basis for 18 months.

EXISTING ITEM(S) TO BE DELETED AND REPLACED BY PROPOSED BELOW
