PROPOSED TRAFFIC REGULATION ORDER – PARCHMENT STREET, WINCHESTER

REPORT OF THE HEAD OF ACCESS AND INFRASTRUCTURE

Contact Officer: Neville Crisp Tel No: 01962 848 484

RECENT REFERENCES:

PHD45 – Revision to Traffic Regulation Order – Parchment Street, Winchester. Approved 11 August 2006.

EXECUTIVE SUMMARY:

Further to the two sections of '1 Hour Limited Waiting with Permit Holders Exemption 8:00am to 10:00pm Monday to Saturday' parking bays at the southern end of Parchment Street, Winchester introduced, as covered in PHD45 (Appendix A refers), the traders in the shops at this location are reporting that they are still suffering due to the reversal of the one-way traffic flow and the lack of parking provision for their customers.

Despite the new limited waiting provided by the amended restrictions, in practice these spaces are continually occupied by permit holders, leaving no spaces for other users. The traders have consequently lobbied for the permit holders exemption to be removed from these bays. As a compromise, it was agreed that only the first bay be changed, thus providing 3 potential spaces. To make the new restrictions readily enforceable, it is proposed that these be pay on street, as with other similar locations in the city centre.

The Schedule, Statement of Reasons and plan of the proposed restrictions are attached in Appendices B and C. The location of the proposal is shown in the photographs attached in Appendix D.

The Ward Members, County Councillor and Police gave their approval to proceed, the proposal being formally advertised on street and in the Hampshire Chronicle on Friday 18th October 2007, with the objection period ending on 15th November 2007 (Appendix E refers).

19 letters were received in response to the notices, all of which were objecting to the proposed restrictions. These are summarised in Appendix F.

All objectors stated that the proposed change would result in great difficulty in finding on-street parking and some stated that it would also have a detrimental effect on the quality of

life as the new restrictions would generate traffic.

Despite these objections, it is proposed that the restrictions are introduced as on balance they reflect the needs of the community as a whole.

RECOMMENDATIONS:

1. That the proposed sections of 'Pay and Display 1 Hour Limited Waiting with No Permit Holders Exemption 8:00am to 6:00pm Monday to Saturday' waiting restrictions in Parchment Street, Winchester be approved, as advertised.
2. That the Head of Legal Services be authorised to make the necessary order.

OTHER CONSIDERATIONS:

2 CORPORATE STRATEGY (RELEVANCE TO):

The proposal is in keeping with the Corporate Strategy in its attempt to provide a high quality environment & safe and strong communities.

3 RESOURCE IMPLICATIONS:

The cost of implementing the traffic regulation order and associated signs and lining work is covered by the Traffic Management agreement with Hampshire County Council.

SUMMARY

- It is proposed to revise the existing traffic regulation order in relation to waiting restrictions in Parchment Street, Winchester from the existing restriction of 'Permit holders only 8:00am to 6:00pm' to 'Permit holders only 8:00am to 10:00pm' and to extend the bays. It is also proposed to introduce '1 hour limited waiting with permit holders exemption Monday to Saturday' waiting restrictions in some lengths of Parchment Street close to St Georges Street to provide limited waiting facilities for shoppers.
- The revision has been requested by residents due to difficulties in parking in the evenings caused by visitors to the various evening venues in the city and following the reversal of traffic flow in Parchment Street.
- The proposal is in keeping with the Corporate Priorities in its attempt to improve the environment and on road safety and traffic management grounds.
- 2 objections to the proposal as advertised were received, copies of these and the officer's response are attached.

- The cost of the proposal will be funded through the Traffic Management Agency Agreement with Hampshire County Council. There will be no additional enforcement costs.
- A copy of a plan showing the location of the proposal is attached.
- A copy of the proposed schedule and a statement of reasons are attached.
- A copy of the proposal notice is attached.

DECISION
