5th January 2005

Dear Mrs Marwood

Proposed revision to waiting restrictions in Hatherley Road, Winchester

Please accept my apologies for the lack of acknowledgment or reply to your letter dated 10th December 2004. All letters received by the City Council's City Secretary & Solicitor's section are acknowledged by them before being forwarded to me for reply. Unfortunately neither the City Secretary & Solicitor's section or the Traffic & Transport team have any record of this correspondence, and hence you received no acknowledgement or reply.

Without sight of your earlier letter I am unable to comment on the points made to which you refer in your letter dated 21st December 2004. If you could send a copy of your earlier letter I will reply by return. Alternatively I am more than happy to discuss any matters in person or by telephone, please do not hesitate to contact me on the above number.

There have been a number of objections to the order. However, many of these are not strictly objecting to the order, but are wanting the whole southern side of Hatherley Road between Carnworth Road and Owens Road returned to residents permit holder parking only. This is not possible within the limitations of the order as advertised and I will therefore be recommending that the proposal be approved as advertised.

A Report to this effect will be taken to the Cabinet meeting on Wednesday 19th January 2005 where there will be the opportunity to address the meeting in person. The meeting starts at 9:00am and will be in the Guildhall, Winchester.

If you wish to make a representation at the meeting I would ask that you are present 15 minutes before the meeting commences and to make yourself known to the Clerk.

I trust this is to your satisfaction.

Yours sincerely

Neville Crisp
Assistant Engineer (Traffic)
