EXECUTIVE SUMMARY:

This report provides an overview of actual expenditure for 2006/07 against the capital programme. The report includes the original capital programme budget and revisions to the programme approved by Cabinet during the course of the year. Explanations of any significant variations in expenditure are also given and a request for carry forward of funding is made.

In 2006/07 total capital expenditure was £10.240m, compared with an Original Budget of £12.390m and a Revised Budget of £12.502m producing a net underspend of £2.150m and £2.262m respectively. Requests to carry forward unspent budgets to 2007/08 amount to £2.213m.

RECOMMENDATIONS:

That it be recommended to Council to approve the carry forward of capital funds totalling £2.213m from 2006/07 to 2007/08, in accordance with Financial Procedure Rule 7.9.

4 CAB1470

3.3 If approved, in accordance with Financial Procedure Rules 7.8 and 7.9, the requests to carry forward a total of £2.213m will increase the 2007/08 capital programme budget by that amount. In accordance with Financial Procedure Rule 7.9 this requires the approval of Council.

OTHER CONSIDERATIONS:

- 4 <u>CORPORATE STRATEGY (RELEVANCE TO)</u>:
- 4.1 Preparation of the capital budget had regard to the corporate and capital strategies. Monitoring of the capital programme is an intrinsic part of measuring whether the strategies' objectives have been achieved.
- 5 RESOURCE IMPLICATIONS:
- 5.1 As discussed in the body of the report.

BACKGROUND DOCUMENTS:

Operational and financial records held in the Finance and other Divisions.
