

FORWARD PLAN OF KEY DECISIONS

NOVEMBER 2007

The Forward Plan is produced by the Council under the Local Government Act 2000. The purpose of the Plan is to give advance notice of Key Decisions to be made by the Cabinet, Cabinet Committees, Portfolio Holders or officers on its behalf. This is to give both Members of the Council and the public the opportunity of making their views known at the earliest possible stage.

This Forward Plan has been prepared for the period 1 November 2007 to 29 February 2008. It is only valid for the month of November 2007. It will be replaced in December 2007. Changes from the October 2007 Forward Plan are shown in bold type.

The Plan shows the Key Decisions likely to be taken within the above period. Key Decisions are those which are financially significant or which have a significant impact. This has been decided, by the Council, to be decisions which involve income or expenditure over £100,000 or which will have a significant effect on people or organisations in two or more wards.

The majority of decisions are taken by Cabinet and the membership of that body is set out below, together with the individual Portfolios held, where appropriate. Other decisions may be taken by Portfolio Holders or Officers in accordance with the Officers Scheme of Delegation, as agreed by the Council (a key to the abbreviations used in the Plan is set out overleaf).

Anyone who wishes to make representations about any item included in the Plan should write to the officer listed in Column 8 of the Plan, at the above address. Copies of documents submitted to a decision taker are available for inspection, again at the above address. Where the document is a committee report, it will usually be available five days before the meeting. Documents that are confidential or exempt from publication under the Local Government Acts are not available to the public.

If you have any queries regarding the operation or content of the Forward Plan please contact Chris Ashcroft (Head of Democratic Services) on 01962 848 284.
