

Winchester
City Council

COUNCIL MEETING – 2 November 2005

Question under Council Procedure Rule 14(2)b

QUESTION 1

From: Councillor Saunders

To: The Portfolio Holder for Planning

“Does the Portfolio Holder for Planning know how many developers in Winchester City are breaking the rules for Class 3 (C) temporary advertisements?”

Reply

“If advertisements are displayed under Class 3(C) of the Advertisements Regulations they do not need consent from the City Council. If, however, officers become aware that advertisements need Express Consent the developer is contacted and advised accordingly.

There are currently 2 sites within Winchester that are displaying advertisements that need consent, which are the subject of investigations by the Enforcement Team.”
