### Amendments to Annex to “Proposed Modifications January 2006” document (reasons for departing from Inspectors’ Recommendations)

#### Chapter 6: Housing

<b>Modification Number and Plan Reference</b>	<b>Inspectors’ Report Paragraph Number and Proposed Change</b>	<b>Reason for Modifying/Rejecting Recommendation</b>
MOD 6.49 [6.39 in original document] <b><i>Policy H5</i></b>	Paragraph 6.14.20(g), recommended deletion of “in perpetuity”	The Council has accepted the recommendation to delete the words “in perpetuity”, but is proposing to add additional wording to clarify the policy. The Inspectors referred to “Right to Buy” which would not apply to the affordable housing in question. The Inspectors did not directly deal with the issue of the period of time over which need would continue. The proposed modification covers both the Inspectors’ point, and the issue of the period for which such housing should be provided.
