

Do not scale from this drawing. Use figure dimensions only. Figure dimensions are in millimetres. All levels are in metres. All dimensions and levels shall be verified on site before proceeding with works. Dimensions are shown to be correct and to verify positions and level relationships with the landscape and civil works design. The user must be satisfied of any discrepancies. Where building components are detailed in the specifications, contractor designed, 'workshops' information relating to those components on the drawing represents design intent only.
