827. **MINUTES**

RESOLVED:

That the minutes of the Ordinary Meeting of the Council held on 11 January 2006 and the Special Meeting of the Council held on 1 February 2006 be approved and adopted.

828. **COMMUNICATION FROM THE MAYOR**

The Mayor reported with pleasure that the City Council, through its Health at Work Group, had been awarded first place in the Large Employer category of the BBC's 'Big Challenge' Health Award. Two representatives of the Group were presented with the award 'on air' during the Nick Gurdler Show on Radio Solent. The Council congratulated all those involved with the initiative.

829. **COMMUNICATION FROM THE LEADER**

The Leader of the Council reported that, earlier in the week, the planning appeal by Cala Homes regarding major development at Barton Farm, Winchester, was dismissed by the Secretary of State, on the recommendation of the appeal Inspector. However, the appeal decision did refer to the high levels of housing need in the District, which that development would have eased to some extent. Therefore, whilst there would be no development of Barton Farm at this stage, both the Council and local residents needed to be mindful of the future pressures which would no doubt arise.

The Leader then referred to the Local Authority Business Grant Incentive Scheme (LABGI), where the City Council had been awarded a one-off amount of £408,000, to take account of the increase in rateable value in the District.

830. **QUESTIONS UNDER COUNCIL PROCEDURE RULE 14(2)(B)**

830.1 **Information Signs to support Businesses in 'Secondary' Shopping Areas**

The Portfolio Holder for Economy and Transport, Councillor Knasel, answered a question from Councillor Tait.

830.2 **Rough Sleepers in Winchester – Official Count**

The Portfolio Holder for Housing, Councillor Hiscock, answered a question from Councillor Tait.

830.3 **Park and Ride – Fare Costs**

The Portfolio Holder for Economy and Transport, Councillor Knasel, answered a question from Councillor Tait.

830.4 **Anti-social Behaviour in Winchester Town Centre**

The Portfolio Holder for Healthy and Inclusive Communities, Councillor Collin, answered a question from Councillor Pearce.

830.5 **Extension of Alcohol Exclusion Zone**

The Portfolio Holder for Healthy and Inclusive Communities, Councillor Collin, answered a question from Councillor Tait.

831. **PETITION UNDER COUNCIL PROCEDURE RULE 15**

The Mayor informed the Council that there was one petition to be presented.

Mrs C St Leger Davey presented a petition submitted by local residents which requested the Council to support the Telecommunications (Planning Control) Bill, which proposed that telecommunications mast applications be placed under greater local authority control, and that the issues to be taken into account when determining such applications be widened.

Mrs St Leger Davey spoke in support of her request, following which the Mayor thanked her for her submission and explained that her comments would be taken into account later in the meeting, when the Council considered a Notice of Motion by Councillor Bennetts which related to the same matter.

832. **CONSIDERATION OF RECOMMENDED MINUTES**832.1 Cabinet – 7 February 2006Corporate Strategy 2006 (Recommended Minute 787)

The Leader of the Council, Councillor Campbell moved that Recommended Minute 787 be approved and adopted.

Amend to:

1 Provide a wide range of housing to meet the needs of the whole community.

At end of Safeguarding our High Quality Environment:

Add new bullet point:

Points 1 and 3 of the amendment were lost. Points 2 and 4 were agreed after the Proposer and Seconder accepted additional wording to make the amendments read as follows:
