Amendment (1) Councillor Wood (2) Councillor Beckett

'That in order to support the vulnerable, the community, youth, and small business, Recommendation 2 be amended by the addition of the following words at the end of the sentence

'..subject to the following changes:-

1. In order to protect the existing support given to our Voluntary sector and to ensure they have the resources to carry out their important work:-
 - a. the project of collecting **Kerbside Glass** be deferred until the Council's finances have measurably improved. This will produce a saving in 2011/12 and could be reconsidered for 2012/13.
 - b. In the interim, a budget provision of **£10,000** be provided to supply **Community Glass Bins** to increase the District wide level of Glass Collection, to be funded by a release from the *Major Investment Reserve*.
2. That, to help both the Community and Business Sector, the increases in **Car Parking Charges**, recently introduced, be reversed as soon as practically possible, following the process of statutory notices.

Therefore:-

- a. **Sunday Charging** is to be discontinued both in short stay car parks and on metered street parking bays;
- b. the **free half hour to be reinstated** in Winchester;
- c. the increase in **charges for short stay rural car parks** be cancelled;

And:

- d. and a free hour be allowed in the **Rural District Car parks**
 - e. That the estimated cost in 2011/12 of **£95,000** be met by a release from the LABGI fund.
3. That the publication of **Perspectives** be discontinued; a saving of some **£12,000** per annum.

4. That the Community will be better served by using the amounts saved in 2011/12 from deferring kerbside glass collection and ceasing Perspectives, for the support the Voluntary sector can provide to the Community, in line with the District's Sustainable Community Strategy. Accordingly, the **Community Grants** to be made in 2011/12 from the General Fund be reinstated to the same levels as for 2010/11:-
 - a. **for Key clients** as set out in **Appendix 1; and**
 - b. **for Other Clients as set out in Appendix 2.**

The Awards agreed by the Town Forum will be additional to the amounts set out in the Appendix. The rules that were applicable then, including our established procedures for awarding grants and SLA agreements, to be applied to these grants. This proposal is dependant on these organisations still being in existence and fulfilling the rules applicable in 2010/11.

The impact of these changes are estimated to be an additional **£75,090**.

5. To supplement **Rural business funding** and **small community groups**:-
 - a. a further budget amount of **£50,000** to be available for the award of community grants to groups, shops and community chest awards; and
 - b. The budget for this to be allocated from the savings above with any shortfall to be vired from the Commissioning budgets.
6. The reduction of staff for **Planning Enforcement** could jeopardise the tremendous progress that was begun in 2008 to get the outstanding cases under control. Therefore:-
 - a. the Planning Budget to be increased by **£50,000** to retain capacity for Enforcement; and
 - b. the budget for the above to be funded from the increased levels of **Planning Fees**, due to be introduced later in 2011.

7. That the figures in the budget be amended to take account of the above.'

At this point, the meeting was adjourned for 15 minutes.

When the meeting resumed it was agreed that, having regard to the number of Members who may have personal or personal and prejudicial interests in one or more of the organisations listed for grant aid in Appendices 1 and 2 of the amendment, each Appendix should be voted upon separately, followed by a vote on the remainder of the amendment.
