WARD(S): ALL

PURPOSE

The Localism Act 2011 (the Act), requires that local authorities publish an annual pay policy statement for the forthcoming financial year including:

- the remuneration of senior employees (which the Act defines as the head of paid service, the monitoring officer, chief officers, and deputy chief officers, i.e. managers who report directly to a chief officer)
- the remuneration of the lowest-paid employees and the relationship between the remuneration of senior employees and that of other employees.

RECOMMENDATIONS:

To Personnel Committee

That the Pay Policy Statement 2017/18 is recommended for adoption.

To Council

That, subject to consideration of any comments made by Personnel Committee, the Pay Policy Statement 2017/2018 is adopted.

IMPLICATIONS:

1 COUNCIL STRATEGY OUTCOME

- The Employee Strategy (PER 304 refers) sets out the human resource implications associated with the successful delivery of the Council Strategy. In summary, the Council must have the right people, at the right time, in the right place with the right skills to deliver Council priorities whilst providing excellent levels of customer service.
- The Council's reward framework aims to position the Council as an "employer of choice"; be aligned with, and support, business priorities; be fair, transparent and legally compliant.

2 FINANCIAL IMPLICATIONS

- 2.1 There are no additional financial implications for the Council in adopting this Pay Policy Statement. The proposed 2017/2018 budget fully reflects the assumptions in the Pay Policy Statement.
- 2.2 The level of remuneration is a very important factor in both recruitment and retention. There is a need to balance affordability and value for money with creating a reward framework that ensures the Council can recruit, retain, motivate and develop employees who have the skills and capabilities necessary to ensure the continued provision of high quality services.

3 LEGAL AND PROCUREMENT IMPLICATIONS

- 3.1 The Pay Policy Statement 2017/2018 takes full account of the Secretary of State's guidance in relation to open and transparent reporting of senior level pay in addition to relevant legislative requirements. This includes ensuring that there is an appropriate relationship between the pay levels of our senior managers and of all other employees.
- 3.2 The Pay Policy Statement 2017/2018 takes account of:
- the Local Government Transparency Code 2015 issued by the Department for Communities and Local Government in February 2015
 - Openness and Accountability in Local Pay: Guidance under S40 of Localism Act 2011 issued in February 2012
 - Openness and Accountability in Local Pay: Guidance under S40 of Localism Act 2011 Supplementary Guidance issued in February 2013
 - guidance issued by the Joint National Council (JNC) for Local Authority Chief Executives on pay policy statements, published in November 2011 and supplementary notes published in January and March 2012
 - The Public Sector Exit Payment Regulations 2016
 - The Repayment of Public Sector Exit Payments Regulations 2015
 - Employment and equalities legislation affecting local authority employers, where relevant.

4 WORKFORCE IMPLICATIONS

4.1 The overall approach to remuneration for all employees, including senior management is based on:

- compliance with equal pay, discrimination and other relevant employment legislation such as the Equality Act 2010; and
- ensuring that our overall remuneration packages position the Council as an “Employer of Choice” and that as such our total reward package is competitive within the local government and public sector market.

4.2 In the application of the pay framework, the Council takes into account market rates, individual performance and the need for consistency in the way pay bandings are applied. All pay differentials can be objectively justified using job evaluation mechanisms that directly establish the relative levels of posts in pay bands according to the requirements, demands and responsibilities of the post.

4.3 In determining pay and remuneration, the Council recognises the need to exercise the greatest care in managing scarce public resources while securing and retaining high quality employees. The principle of fair pay is important to the provision of well-managed services and the Council is committed to ensuring fairness and equity in its remuneration practices.

5 PROPERTY AND ASSET IMPLICATIONS

5.1 None

6 CONSULTATION AND COMMUNICATION

6.1 The Council is required to publish a Pay Policy Statement on an annual basis. There are no material changes to the provisions set out in previous policy statements and there is therefore no requirement to consult on this policy. However, the Pay Policy 2017/18 sets out that certain policies are under review and these will be consulted on in accordance with the Council’s standard approach.

7 ENVIRONMENTAL CONSIDERATIONS

7.1 None

8 EQUALITY IMPACT ASSESSEMENT

8.1 There is no differential impact on a specified group as all HR matters are applied consistently.

8.2 As required nationally, the Council is currently undertaking a review of remuneration to identify any potential discrepancies in pay, based on gender

("Gender Pay Gap" reporting); the findings will be reported to Personnel Committee and subsequently published in March 2018 in accordance with the statutory requirements.

10 SUPPORTING INFORMATION:

- 10.1 Government has sought to encourage transparency on remuneration and as such every Council is required to prepare and adopt a Pay Policy Statement and have that Statement approved by Council. This Statement must contain the policy for the remuneration of the Council's employees on appointment, subsequent progression and any use of bonus or performance related pay. There are specific requirements as to the appointment of Chief Officers set out in the Council's Constitution. The Pay Policy Statement sets out the approach to the payment of chief officers on their ceasing to hold office or to be employed by the authority reflecting press and Ministerial concerns about 'golden goodbyes'.
- 10.2 The Localism Act 2011 ("The Act") requires councils to define 'lowest paid employees', to consider the relationship between pay of the highest and lowest paid and to explain the rationale for their approach and to publish details of pay relativities to encourage fairness in remuneration.
- 10.3 The Pay Policy Statement 2017/18 does not contain any substantial changes to those considered previously save that the authority level for agreement of additional payments has been increased to reflect the new management arrangements.
- 10.4 The Statement sets principles and rules relating to the remuneration of senior staff. It does not set out the details of individual payments made in accordance with these principles – although there are separate requirements for the publication of payments made to senior staff in the annual published accounts.

11 Key Pay Policy Issues

- 11.2 There are a number of matters to note in the attached Pay Policy Statement:

- 11.2.1 The Policy uses the term “Chief Officers” to identify senior staff, or those in receipt of the highest remuneration. This reflects a requirement in the Act, where the definition covers a number of senior posts which for Winchester City Council equates to senior posts paid at Scale 10 and above. The Policy recommends the current practice of adopting national pay schemes and job evaluation procedures as a basis for determining remuneration, and so which posts cross the threshold for consideration under the Pay Policy;
- 11.2.2 The definition of “lowest paid employees”, required to show pay relativities, draws on Scale 3 of the pay scales. The ratio of remuneration for highest to lowest paid is under 10:1 – the benchmark set by Government.
- 11.2.3 The City Council is a ‘Living Wage Employer’ which means that a nationally agreed minimum hourly rate of pay is applied to directly employed staff.
- 11.2.4 The policy also covers increases and additions to remuneration for example, bonus payments. This is already covered by our adopted pay scheme and policies on annual incremental increases, which the Policy refers to. The Policy also makes clear at present the Council has not adopted performance related pay or a system of bonus payments, and sets out the policy on payment of honoraria;
- 11.2.5 There is transparency on payments to those leaving employment, and so the Act requires the publish a policy on severance payments. The Government is considering a cap on severance pay; further national guidance is anticipated in 2018 which may necessitate a review of the Council’s policies depending on the final detail of the proposals.
- 11.3 It is noted in the statement that several policies are under review and the existing policy applies until a new one is adopted.
- 11.4 It should also be noted that a national review of pay is pending, which may impact on the Council’s Pay Policy in the future.

Appendix 1

Winchester City Council Pay Policy Statement – Financial Year 2018 - 2019

1. Purpose

- 1.1 This Pay Policy Statement is provided in accordance with Section 38(1) of the Localism Act 2011 and will be updated annually from 1 April each year.
- 1.2 The Pay Policy Statement sets out Winchester City Council's policies relating to the pay of its workforce for the financial year 2018-2019, in particular:
 1. the remuneration of its Chief Officers
 2. the remuneration of its "lowest paid employees"
 3. the relationship between:
 - a. the remuneration of its Chief Officers and
 - b. the remuneration of its employees who are not Chief Officers
- 1.3 The purpose of the statement is to provide an open and transparent framework that ensures clarity, fairness and consistency in the remuneration of Chief Officers. It also ensures that employees at all levels of the Council are paid on a fair and equitable basis in accordance with equality legislation.

2. Definitions

- 2.1 For the purpose of this statement the following definitions will apply:
- 2.2 "**Pay**" in addition to salary will also include charges, fees, allowances, benefits in kind, increases in/enhancements to pension entitlements, and termination payments.
- 2.3 "**Chief Officer**" refers to the following roles within Winchester City Council:
 - Statutory Chief Officers: The Chief Executive (as Head of Paid Service), the Monitoring Officer; the Section 151 Officer
 - Non Statutory Chief Officers: The Strategic Director: Services and Strategic Director: Place
 - Deputy Chief Officers i.e. all other senior managers if reporting directly to, or directly accountable to, a statutory or non-statutory Chief Officer in respect of all or most of their duties (excluding roles which are clerical or secretarial).

2.4 **“Lowest paid employees”** refers to those staff employed on Grade 3 of the Council’s pay framework.

2.4.1 The above definition for the “lowest paid employees” has been adopted because Grade 3 is the lowest grade on which employees are paid within the Council’s pay framework.

2.4.2 Those engaged on Casual Worker Agreements (“Zero hours Contracts”) are paid a fixed hourly rate in line with the voluntary UK Living Wage. They are excluded from the definition of “lowest paid employees”.

2.5 **“Employee who is not a Chief Officer”** refers to all staff that are not covered under the “Chief Officer” group above. This includes the “lowest paid employees” i.e. staff on Grade 3 and below.

3. Pay Framework and Remuneration Levels

3.1 General Approach

3.1.1 Remuneration for all employees needs to be at the appropriate level to secure and retain high-quality employees dedicated to fulfilling the Council’s business objectives and delivering services to the public. This has to be balanced by ensuring remuneration is proportionate and appropriate for the role. Each Council has responsibility for balancing these factors and faces its own unique challenges and opportunities in doing so. It is important that Winchester City Council retains flexibility within its pay framework to cope with a variety of circumstances that might necessitate the use of market supplements or other such mechanisms for individual categories of posts where appropriate. Using such solutions should only be short term and regular reviews should ensure that they are discontinued when circumstances change.

3.2 Responsibility for Decisions on Remuneration

3.2.1 It is essential for good governance that decisions on pay and reward packages for the Chief Executive and Chief Officers are made in an open and accountable way and that there is a verified and accountable process for recommending the levels of top salaries.

3.2.2 Pay for employees at all grades is based on the national agreements on pay as follows:

- National Joint Council for Local Government Services
- Joint Negotiating Council for Chief Officers
- Joint Negotiating Council for Chief Executives.

3.2.3 Remuneration packages above £100,000 gross per annum must be considered by Cabinet, with a recommendation to full Council.

3.3 Salary grades and grading framework

3.3.1 Grades for all posts are determined by a consistent job evaluation process. This followed a national requirement for all Local Authorities and other public sector employers to review their pay and grading frameworks to ensure fair and consistent practice for different groups of workers with the same employer.

3.3.2 Job Evaluation is a systematic process for ranking jobs within an organisation ensuring consistency of approach and outcomes appropriate to the complexity and accountability of the role. Where the grade of a post changes as a result of the job evaluation process, any pay adjustment will only be backdated to the date on which the role was considered by a Job Evaluation Panel.

3.3.3 The Council's pay structure is based on the pay spine issued by the National Joint Council (NJC) as part of the National Agreement for Local Government Services. Roles are placed within the pay structure on the basis of the evaluated grade of their role.

3.3.4 Incremental spinal column points provide for progression in role with the acquisition of skills, experience and competence.

3.3.5 Pay awards are applied in line with the national agreements detailed in 3.2.2 on an annual basis for all employees, in conjunction with the nationally recognised trade unions.

3.4 Market Review and Market Supplements

3.4.1 The Council will from time to time, benchmark its pay and benefits by comparing pay and rewards for a sample of posts. For the purpose of pay benchmarking and market testing the comparator group comprises public sector authorities in Hampshire, West Sussex and Surrey and authorities in other areas if relevant, who are similar to the Council in terms of size (number of employees and population) and similar relevant factors. Jobs within London Boroughs will not be used for comparator purposes due to London weighting allowance. In exceptional circumstances, other external market pay data, including private sector data, will also be considered where relevant.

- 3.4.2 Where the benchmarking exercise highlights a discrepancy in pay, following consideration of a report made to the Executive Leadership Board a market supplement may be awarded. When the basic salary increases, the market supplement will reduce by the same amount.
- 3.4.3 Decisions relating to awarding a market supplement for the Chief Executive will be referred to Cabinet, with a recommendation to full Council.
- 3.4.4 The Executive Leadership Board will receive and review a list of posts in receipt of market supplements on an annual basis and determine whether such supplements are still relevant in the light of market conditions.

4. Remuneration

- 4.1 Remuneration details including benefits in kind are set out in the Council's published Annual Statement of Accounts.
- 4.2 **"Chief Officers"**, as defined in paragraph 2.3 of this statement, are paid within the Council's pay framework which applies to all other employees. Typically, Chief Officers have received the same percentage pay award as other managers and staff groups within the Council.

4.4 "Lowest paid employees"

- 4.4.1 Winchester City Council is an accredited Living Wage Employer. The Living Wage is paid voluntarily and is set to avoid poverty wages and support the principle that workers should be paid at a level which enables them to achieve an acceptable standard of living. The lowest paid employees are paid within the salary range for Grade 3 which covers eight salary points ranging between £16,835 and £20,661.
- 4.4.2 The lowest paid employees do not include apprentices for whom there are separate pay arrangements as follows:
- During first year of employment:
 - £174.90 per week (£9,095 per annum)
 - During second year of employment:
 - £207.21 per week (£10,775 per annum) if aged 18 – 20;
 - £260.86 per week (£13,565 per annum) if aged 21 – 24;

4.5 Honoraria and Additional Responsibilities

- 4.5.1 The Council's policy on honoraria payments is currently under review. All employees are expected to perform any other duties commensurate with their job grade as reasonably required from time to time. However, there may be occasions where an employee agrees to take on additional duties and responsibilities that may be at the same level of their substantive grade but are beyond the reasonable scope of their normal job remit. In such circumstances, an honorarium payment may be awarded. Honoraria should not normally exceed £500, or the value of no more than 2 incremental points, whichever is greater. If a sum greater than this is proposed the matter must be considered by Executive Leadership Board.
- 4.5.2 Should a member of staff take on temporary increased responsibility an "acting up" allowance may be awarded. The amount awarded should reflect the nature and duration of the work or responsibility. Where the employee has been covering the long term absence of a more senior officer, "acting up" payments are calculated based on the difference between the employee's scale point and the bottom scale point of the role they are covering. Temporary acting-up arrangements of this nature will not exceed more than 12 months duration and should generally be undertaken for at least one month before payment will apply.
- 4.5.3 In all cases of honoraria and "Acting Up" allowances, a recommendation must be made in writing to the relevant Strategic Director.

4.6 Charges, fees or allowances

- 4.6.1 No fees for election duties are included in the salaries of Chief Officers. Any additional fees payable for such responsibilities are calculated in accordance with the statutory rules and associated guidance which is published by Government. Special fees are paid for Returning Officer duties which are not part of the post holder's substantive role. These fees are payable as required and can be made to any senior officer appointed to fulfil the statutory duties of this role.
- 4.6.2 The Returning Officer is an officer of the City Council who is appointed under the Representation of the People Act 1983. Whilst appointed by the City Council, the role is one which involves and incurs personal responsibility and accountability and is statutorily separate from his/her duties as an employee of the Council. As Returning Officer, he/she is paid a separate allowance for each election for which he/she is responsible.
- 4.6.3 Where the Council's Monitoring Officer or S151 Officer is not a Chief Officer or Deputy Chief Officer, a special responsibility allowance of £3,000 gross per annum is paid in recognition of the additional requirements of the statutory role.

- 4.6.4 Any allowance or other payment will only be made to an employee in connection with their role or the patterns of hours they work and must be in accordance with the Council's employment policies.
- 4.6.6 The Council offers a Health Care Cash Plan scheme which is available to all employees regardless of their role and grade within the Council.
- 4.6.7 Where the Council offers salary sacrifice arrangements e.g. childcare vouchers and employee discount schemes, they are offered to all employees regardless of their role and grade within the Council.

4.7 Performance related pay

- 4.7.1 The Council does not offer performance related pay to any employee. Performance is reviewed annually through the Council's appraisal system and the Council reserves the right to withhold increments where performance has not met the required standard and where this has been raised with the employee formally.

4.8 Benefits in kind

- 4.8.1 There are historical arrangements in place which entitle employees in certain circumstances to have a lease car or to receive an allowance where the role requires essential use of a car; these arrangements are currently under review.
- 4.8.2 The Council pays professional fees for officers where it is an essential requirement for the post holder to maintain professional accreditation. Only one set of professional fees are paid per annum
- 4.8.3 A Park and Ride pass is offered to all employees other than to meet specific operational requirements when a car park permit may be issued.

4.9 Pension

- 4.9.1 All employees, as a result of their employment, are eligible to join the Local Government Pension Scheme (LGPS).
- 4.10.2 In addition to the employee's own contribution, the Council makes a contribution of 14% towards the pension of each member of the LGPS scheme¹.

¹ In addition to the 14% contribution there is also an additional payment for the capital contribution for past service that the Council pays, along with all other members of the Hampshire Pension Fund

4.12 Remuneration on appointment and promotion

- 4.12.1 The starting salary on appointment or following promotion will normally be based on the appointee's level of relevant experience and current salary, regardless of whether they are a current employee of Winchester City Council.
- 4.12.2 The chair of the recruitment panel has the discretion to determine the appropriate spinal column point within the agreed pay scale but the starting salary should not exceed the mid point of the pay scale. In exceptional circumstances (e.g. the current salary is higher than the mid point of the scale), the Head of Human Resources may authorise appointment on a spinal column point which is higher than the mid point of the scale.

5. Relationship between Remuneration of “Chief Officers” and “Employees who are not Chief Officers”

- 5.1 The Local Government Association has offered advice on the Government's requirement in reporting remuneration relationships. The advice is that the measure of the relationship between Chief Officers and employees who are not Chief Officers be considered by the ratio between the highest paid employee and the median average earnings across the organisation as a multiple.
- 5.2 Winchester City Council adopt a maximum of 1:10 whereby the remuneration of the highest paid officer should be no more than 10 times that of the lowest paid.

6. Termination Payments

- 6.1 Payments made on termination of employment are limited to those expressly required or allowed by law. In accordance with the Council's Constitution, Termination payments which exceed £100,000 (regardless of the post to which they apply and the reasons for the payment, require approval from full Council.)

6.2 Access to Pension Payments

- 6.2.1 In some circumstances, an employee may be eligible to access their pension on termination of employment.
- 6.2.2 The LGPS requires employers to prepare and publish a written statement of policy in relation to the payment of pensions. The Council's policy on pensions (and related discretionary payments) is set out in **Annex A** of this document.

6.3 Redundancy Payments

6.3.1 The calculation of redundancy payments is based on the provisions of Employment Rights Act 1996 and may be subject to revision should this legislation be amended.

6.3.2 Redundancy payments are based on a ratio of completed years' service and the employees' age at the effective date of termination, using a multiplier of 1.6. Completed year's service will be capped at 20 years and the maximum of 48 weeks pay will apply. The Council uses the employees' actual contractual pay to calculate redundancy payments.

6.4 Settlement Agreements

6.4.1 In exceptional circumstances, and specifically to settle an employment tribunal claim or similar significant dispute, the Corporate Head of Resources can agree payment of a settlement up to £10,000.

6.4.2 In such cases, each decision as the level of payment will be taken on its merits. Where the proposed termination payment exceeds £10,000, approval from the Section 151 officer and Chief Executive is required.

6.5 Re-employment of officers

6.5.1 When a member of staff is dismissed on the grounds of redundancy or early retirement with the employer's consent, the Council will not re-employ them for a period of 12 months following the termination.

7. Data Transparency

7.1 Under the Local Government Transparency Code 2014, pay and benefits information and a list of responsibilities for staff paid over £50,000 must be published. This information is available on the Council's external website. Senior employees' remuneration can also be found in the [annual Statement of Accounts](#).

10.4 The Council will not make use of the provision to extend the normal time limit.
