#### **4. Observations**

The Sub-Committee is obliged to determine this application with a view to promoting the Licensing Objectives:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

In making its decision, the Sub-Committee is also obliged to have regard to the National Guidance and the Council's Licensing Policy.

The Sub-Committee must have regard to all of the representations.

The Sub-Committee must take such of the following steps it considers necessary to promote the Licensing Objectives:

1. Grant the application as per the application, or
2. Modify the conditions of the licence by alteration or addition, or
3. Reject the whole or part of the application.

Decisions made under 2 or 3 above must actually be necessary to promote the Licensing Objectives.

#### **Terminal hours.**

The Sub-Committee should take account of the National Guidance and the Council's Licensing Policy with regard to terminal hours and take such steps as it considers necessary to promote the Licensing Objectives.

(Licensing Policy A8)

#### **Licensing Objectives.**

##### Crime and Disorder

The Sub-Committee should consider any necessary conditions to prevent crime and public disorder relating to the premises having regard to the Licensing Policy and the representation from the interested party.

(Licensing Policy 1.6, 2.11, 2.17)

##### Public Safety

The Sub-Committee should consider any necessary conditions relating to public safety having regard to the Licensing Policy.

(Licensing Policy B3, B4)

### Public Nuisance

The Sub-Committee should consider any necessary conditions to prevent public nuisance caused by noise pollution from the premises having regard to the representation from the interested party.

(Licensing Policy Section C)

### Protection of Children

The Sub-Committee should consider any necessary conditions for the Protection of Children having regard to the Operating Schedule.

(Licensing Policy D6, D7)

### **Human Rights**

It is considered that Articles 6 (right to a fair trial) 8 (right to respect for private and family life) and Article 1 of the First Protocol (right to peaceable enjoyment of possessions) may be relevant. As there is a right of appeal to the Magistrates' Court, it is considered that there would be no infringement of Article 6. Article 8 is relevant, insofar as the nearby residents could claim that this right would be infringed by disturbance from customers. This should be balanced against the applicants' right to use of their premises under Article 1 of the First Protocol. Interference with these rights is permitted, where this interference is lawful, necessary in a democratic society, and proportionate. Likewise, the residents may argue that their rights under Article 1 of the First Protocol would be infringed. If conditions are imposed, there should be no interference with any convention rights. To the extent that any interference may occur, it would be justifiable in a democratic society, and proportionate.

## 5. Conditions

### Mandatory Conditions

Under the Licensing Act 2003, the following conditions must be imposed on the Premises Licence in any event:-

#### **Informatives**

1. The Licensee is advised to establish the acceptable occupancy for the premises in accordance with fire safety legislation.

2. All doors on escape routes should be free from fastenings, or if fitted should only be simple fastenings that can be readily operated from the side approached by people making an escape. The operation of these fastenings should be without the use of a key and without having to manipulate more than one mechanism.
