4. Observations

The Sub-Committee is obliged to determine this application with a view to promoting the Licensing Objectives:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

In making its decision, the Sub-Committee is also obliged to have regard to the National Guidance and the Council's Licensing Policy.

The Sub-Committee must have regard to all of the representations.

The Sub-Committee must take such of the following steps it considers appropriate to promote the Licensing Objectives:

1. Grant the licence subject to conditions in accordance with the operating schedule (modified to such extent as the authority considers appropriate for the promotion of the licensing objectives) and the mandatory conditions;
2. exclude from the scope of the licence any of the licensable activities to which the application relates;
3. refuse to specify a person in the licence as the premises supervisor;
4. reject the application.

Terminal hours

The Sub-Committee should take account of the National Guidance and the Council's Licensing Policy with regard to terminal hours and take such steps as it considers appropriate to promote the Licensing Objectives.

(Licensing Policy Part 4, A8)

Licensing Objectives.

Crime and Disorder

The Sub-Committee should consider any appropriate conditions to prevent crime and public disorder relating to the premises having regard to the operating schedule and the representations.

(Licensing Policy 1.6, 2.11, 2.17)

Public Safety

The Sub-Committee should consider any appropriate conditions relating to public safety having regard to the relating to the premises having regard to the operating schedule and the representations.

(Licensing Policy Part 4, B3, B4)

Public Nuisance

The Sub-Committee should consider any appropriate conditions to prevent public nuisance caused by noise and light pollution from the premises relating to the premises having regard to the operating schedule and the representations.

(Licensing Policy Part 4, Section C)

Protection of Children

The Sub-Committee should consider any appropriate conditions for the Protection of Children relating to the premises having regard to the operating schedule and the representations.

(Licensing Policy Part 4, D6, D7)

Human Rights

It is considered that Articles 6 (right to a fair trial) 8 (right to respect for private and family life) and Article 1 of the First Protocol (right to peaceable enjoyment of possessions) may be relevant. As there is a right of appeal to the Magistrates' Court, it is considered that there would be no infringement of Article 6. Article 8 is relevant, insofar as the nearby residents could claim that this right would be infringed by disturbance from customers. This should be balanced against the applicants' right to use of their premises under Article 1 of the First Protocol. Interference with these rights is permitted, where this interference is lawful, necessary in a democratic society, and proportionate. Likewise, the residents may argue that their rights under Article 1 of the First Protocol would be infringed. If conditions are imposed, there should be no interference with any convention rights. To the extent that any interference may occur, it would be justifiable in a democratic society, and proportionate.

Dear Ashton

I wish to object to the proposal to have Late Night Refreshments, Supply of Alcohol for Consumption on and off the Premises and Recorded Music until the hours stated in the application due to the close proximity to local residents who live in Bluebell Way and Camellia Way.

I would have no objection to an end time of 2300 on Monday - Thursday and Sunday and 2330 Friday - Saturday.

Dear Cllr's Newman-McKie & Achwal,

I am the solicitor acting on behalf Coast to Coast and am in receipt of your written representations to this application.

I write further to my conversation with Cllr Achwal this afternoon. Having considered the area in which the premises are located, I note that the cinema may open to 0030hrs Sunday to Thursday and 0200hrs on Fridays and Saturdays. Similarly, Tesco which is close by, is open until midnight.

I explained to Cllr Achwal that my clients premises are air conditioned from which there should be no escape of noise nuisance during their operation. Cllr Achwal expressed concern over the use of the external areas beyond 2300hrs Sunday to Thursday and 2330hrs on Friday and Saturdays.

It may be that a compromise position can be achieved. Please confirm whether you would accept a condition prohibiting the use of the outside terrace area for licensable activities after 2300hrs Sunday to Thursday and 2330hrs on Friday and Saturdays. The hours for use of the internal area to remain as set out in the application.

I look forward to hearing from you.

Hi Ashton

Objection from me to the 0030 proposal for music and late night refreshment, on the grounds of public nuisance.

Block F is in close proximity to residential properties in Camellia Way and Bluebell Way. The noise would have a detrimental impact on these residents.

I would have no objection to a 2330 end time as being more appropriate.

Afternoon Ashton,

Having read the email to Cllr Achwal (that wasn't sent to my correct email address and so never reached me) and unaware of the full content of the telephone discussions between Mr Thomas and Cllr Achwal I am maintaining my objection to the granting of this license on the grounds that I previously set out: public nuisance.

The location is a sensitive one, being adjacent to residential properties.

I have no objection to a 2330 finish of licensable activities.
