Subject: RE: Planning Application 11/00649/FUL

Morning Neil,

I have spoken to our Chairman and he says yes, we would like it to go to Committee. This development was built as 2 smaller dwellings and 1 larger dwelling. The smaller dwellings should be kept as "affordable" to keep the balance of properties right within Durley. We need to have properties available to buy for young families and people who wish to downsize.

Best wishes,

Anne
