

Community Involvement: Applicant

The following table indicates the forms of notification/consultation which should be undertaken by applicants BEFORE submitting planning applications. It will not necessarily be appropriate to use all the forms suggested.

Community involvement to be undertaken by applicants	Application type		
	Large scale Applications e.g. 10 or more dwellings, large-scale development (1000sq.m +), retail distribution.	Medium scale applications e.g. change of use, advertisements, residential development (less than 10 dwellings).	Small scale applications e.g. domestic extensions/outbuildings.
