**The information set out in this Update Sheet includes details relating to public speaking and any change in circumstances and/or additional information received after the agenda was published.**

Item No	Ref No	Address	Recommendation
6	21/03271/FUL	Land adjacent to Ashbrook Stables	Approve
<p><b>Officer Presenting:</b> Nicola Martin</p> <p><b><u>Speaking</u></b>  <b>Objector:</b> Thiruselvan Moodley, Jon Hayes  <b>Parish Councillor:</b> Cllr Maggie Hill  <b>Ward Councillor:</b> Cllr Susan Cook  <b>Supporter:</b></p> <p><b><u>Update</u></b></p> <ol style="list-style-type: none"> <li>1. Amendment to the text; paragraph 2 of 'Site Description', the phrase 'western site boundary' should be corrected to read 'eastern site boundary'.</li> <li>2. Amendment to the first bullet point of 'Proposal' to read "<i>The mobile home (with brick base) is in-situ (20m length x 6.8 m width) which is currently occupied by the applicant</i>"</li> <li>3. Additional paragraph to be added to 'Proposal' as follows: <p><i>"The submitted plan demonstrates that the footprint of the static mobile home would be no greater than 20m length by 6.8m width. Officers are aware that this structure was delivered to the site in two parts. Whilst the single storey mobile home is situated on a brick plinth/base, and is connected via services, the applicant has advised that the structure sits on top of, but is not permanently affixed to, the brick plinth. This enables the structure to be removed from the site in one or two parts as required by legislation. In addition, WCC would retain control of the structures on the site, through the use of condition 10, which requires that no more than two caravans, as defined by the Caravan Sites Act 1968 and the Caravan Sites and Control of Development Act 1960, shall be stationed on the site."</i></p> </li> <li>4. One further public representation received, summarised below: <ul style="list-style-type: none"> <li>• Queried why the application was to go to Planning Committee</li> <li>• The previous objections and supporting comments submitted should be considered</li> <li>• The site is fully developed and occupied and is a breach of planning without enforcement</li> <li>• This application is retrospective which should count against it.</li> </ul> </li> <li>5. One additional condition:</li> <li>13. No overnight accommodation of any sort shall occur within the dayroom/utility building (J004078-DD-04-B).</li> </ol>			

Reason: To define the extent of this planning permission and to prevent more intensive use of the site.

This condition has been amended to require details of the proposed caravans to be submitted to the local planning authority and approved, prior to their installation.</p> <p>Condition 5 is re-worded as follows:</p> <p>5.
