All of the Council's publicly available agendas, reports and minutes are available to view and download from the Council's [Website](#) and are also open to inspection at the offices of the council. As part of our drive to minimise our use of paper we do not provide paper copies of the full agenda pack at meetings. We do however, provide a number of copies of the agenda front sheet at the meeting which contains the QR Code opposite. Scanning this code enables members of the public to easily access all of the meeting papers on their own electronic device. Please hold your device's camera or QR code App over the QR Code so that it's clearly visible within your screen and you will be redirected to the agenda pack.

Clarification on proposed materials. The roof will be replaced with slate not standing seam.

Minor update to condition 4:

No related works shall commence on site until large-scale details of all new and altered windows and external doors have been submitted to and approved in writing by the Local Planning Authority. The details to be submitted shall include joinery drawings at a scale of 1:10, 1:5 and 1:1 as necessary, showing elevations and sections, the relationship with surrounding fabric, and details of finishes. Following approval of those details, the works shall be carried out and thereafter retained in strict accordance with the details so approved.

Reason: Further information is required because insufficient information was submitted in this regard to ensure preservation of the significance of the listed building, in accordance with Section 16 of the National Planning Policy Framework 2024.
