All of the Council's publicly available agendas, reports and minutes are available to view and download from the Council's [Website](#) and are also open to inspection at the offices of the council. As part of our drive to minimise our use of paper we do not provide paper copies of the full agenda pack at meetings. We do however, provide a number of copies of the agenda front sheet at the meeting which contains the QR Code opposite. Scanning this code enables members of the public to easily access all of the meeting papers on their own electronic device. Please hold your device's camera or QR code App over the QR Code so that it's clearly visible within your screen and you will be redirected to the agenda pack.

Appendix 4

Hampshire County Council have provided the following update:

The planned service start date was delayed due to site issues relating to road surfacing and infrastructure.

We hope shortly to register the extension to the 28/28a bus service. Legal issues surrounding bus shelter ownership are preventing this at present.
