

Decisions taken by the Cabinet Member for Service Quality and Transformation Decision Day on Monday, 23 March 2020

Agenda Item No	Topic	Decision	Reasons	Alternative Options
----------------	-------	----------	---------	---------------------

Part A – Items considered in public

A4	Traffic and transport programme 2020/21	<ol style="list-style-type: none"> 1. That the draft Traffic and Transport prioritisation principles as set out in paragraph 8.2 of Report DD14 and the resulting programme for 2020/21 as appended to this report be approved. 2. That the process for prioritising the remaining reserve list schemes (as set out in paragraph 8.3 of Report DD14), which are not included in the 2020/21 Traffic and Transport programme including suggested prioritisation criteria for Ward members to aid decision making, be approved. 	<p>To agree a programme of work in relation to traffic and transport schemes for 2020/21 and a process to deal with schemes which have not been included in the programme.</p> <p>Following discussions and consideration of report DD14 at the Decision Day, it was agreed that the second resolution be amended to include the suggested prioritisation criteria for Ward Members to aid decision making as set out above. In addition, the Cabinet Member gave a commitment to seeking to progress early scoping of the parking schemes in the market towns</p>	Continuing with an undeliverable list of project priorities or ad hoc prioritisation without clear principles agreed and without explicit involvement of ward members.
