

Decisions taken by the Cabinet Member for Built Environment & Wellbeing Decision Day on Monday, 7 December 2020

Agenda Item No	Topic	Decision	Reasons	Alternative Options
----------------	-------	----------	---------	---------------------

Part A – Items considered in public

A4	Infrastructure Funding Statement for CIL and s106 Agreements (DD23)	That the Infrastructure Funding Statement for the reporting period from 1 April 2019 to 31 March 2020 be noted and agreed for publication.	The purpose of the report is to agree the attached Infrastructure Funding Statement for publication, which is a legal requirement under the Community Infrastructure Levy (Amendment) Regulations 2019. This is required to be published by 31 December 2020.	There were no alternative options considered and rejected. The publication of the Infrastructure Funding Statement was a legal requirement.
A5	Crawley Village Design Statement 2020 (DD20)	<ol style="list-style-type: none"> 1. That the Design Guidelines/Policies in the Village Design Statement for Crawley, as set out in Appendix 2 of this report, be adopted as a Supplementary Planning Document. 2. That the 2001 Crawley 	Village Design Statements are produced by local communities and provide guidance for the design of new developments within the local area. In order for these documents to carry weight in the planning decision-making process they need to be adopted by the City Council	<ol style="list-style-type: none"> 1. The City Council encourages the production of Village Design Statements by local communities, so as to improve the quality of development in local area and public involvement in the planning process. In order to carry weight in

		<p>VDS be revoked as SPD following the adoption of the 2020 SPD.</p> <p>3. That the Strategic Planning Manager be granted delegated authority to make minor factual corrections and editing, in consultation with the Portfolio Holder for Built Environment and Wellbeing, to finalise the Design Guidelines/Policies in the Village Design Statement for Crawley, prior to publication on the Council website.</p>	<p>as ‘Supplementary Planning Documents’ (SPD).</p> <p>Across the Winchester District there are over 25 parishes/communities with adopted village/neighbourhood or local design statements, many of which were adopted some time ago. A number of local communities have updated their design statements and this is to be welcomed, as this will provide more up to date guidance when determining planning applications.</p> <p>A draft version of the Crawley Village Design Statement (VDS) was published for public consultation on 6th April 2020 for a period of 10</p>	<p>determining planning applications, such Statements need to be adopted by the City Council as Supplementary Planning Documents (SPDs).</p> <p>2. The City Council could as an alternative, informally adopt or endorse the VDS. However, this would carry less weight in determining planning applications. This approach was therefore not considered appropriate.</p>

			<p>weeks. This report summarises the comments received following consultation on the draft version of the NDS and recommends adoption of the document, subject to a number of changes in response to comments received. These changes are outlined in the schedule of comments and recommended responses in Appendix 1 and illustrated in the post-consultation version presented in Appendix 2. The report also seeks the revocation of the previous Crawley VDS that dates from 2001.</p>	
A6	St Giles Hill Neighbourhood Design Statement 2020 (DD21)	1. That the Design Guidelines/Policies in the Neighbourhood Design Statement for St Giles	Village Design Statements are produced by local communities and provide guidance for the design of	1. The City Council encourages the production of Village Design Statements by
