PUBLIC PARTICIPATION

General

1. There will be a period of 10 minutes maximum at the beginning of each Forum meeting when the Chair invites the public, including interested groups, to raise any general matters of interest and/or matters relating to the work of the Forum. Detailed matters relating to the agenda will not be accepted at this point, as there will be an opportunity for these to be heard under the appropriate agenda item. As is the usual practice for general public participation, however, Officers and Members may not be able to immediately respond at the meeting to points raised by the public where these relate to non-agenda items.

Consideration of Individual Agenda Items

2. After an Officer has introduced an agenda item, the Chair will invite public participation on matters relating to that agenda item. At this point, a period of ten minutes (subject to the Chair's discretion) will be allowed for public comments. During this period, members of the public, including local interest groups will be able to object, support or ask questions directly relating to the agenda item and the comments of the Officer's presentation.

3. An individual speaker will be limited to a maximum of three minutes per agenda item. Where a number of members of the public wish to speak, they will agree to the maximum allocation of the ten minute period for the public participation.

The Committee Administrator will assist in this process before the start of the meeting. The Chair will retain a general discretion to manage the public speakers process and may limit individual speakers to less than three minutes or take other steps necessary in order to maximise public participation in an appropriate way. The extension of the total 10 minute allowed for the public participation on any one item will be at the Chair's discretion.

4. There will be no further opportunity for the public to comment on an agenda item once the period of public participation has ended, even if the prescribed period has not been reached. The subsequent discussion, consideration and decision on the matter is then passed to Forum Members.

5. Members and Officers will not provide immediate response to public comments raised. All comments and enquiries will be noted and the Chair will invite Officer/Members to respond to specific points during the questions and debate period of the meeting.

6. Members of the public who wish to speak should contact the Committee Administrator 3 clear working days before the start of the meeting (preferably by telephone or email prior to the day of the meeting to register their wish to speak) so that as many people as possible can speak during the public participation sessions (this list will be given to the Chair before the start of the meeting).

7. Once the period of public participation has drawn to a close, there will be an opportunity for elected members who are not on the Forum (relevant Cabinet Members) to speak in advance of questions and debate amongst Forum Members, at the Chair's discretion. This may include any councillors from Winchester City Council and Havant Borough Council.

8. The Forum will then debate the item.

9. The Chair will then invite Officers to respond to any public comments, where appropriate, a vote will be taken to reach a formal recommendation on the agenda item.
