

Meeting	West of Waterlooville Forum
Date and Time	Tuesday, 1st November, 2022 at 6.00 pm.
Venue	This meeting will be held virtually and a live audio stream can be listened to via www.winchester.gov.uk .

Note: If you are a member of the public and would like to listen to the audio stream of the meeting you may do so via www.winchester.gov.uk

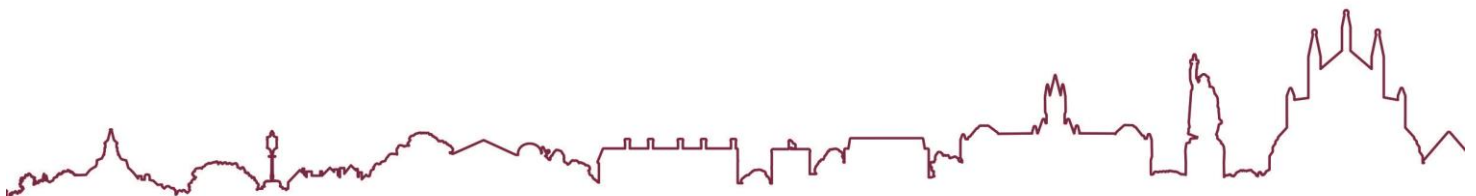

AGENDA

PROCEDURAL ITEMS

- 1. Chairperson's Welcome**
- 2. Apologies and Deputy Members**
- 3. Disclosure of Interests**
To receive any disclosure of interests from Members and Officers in matters to be discussed.
Note: Councillors are reminded of their obligations to declare disclosable pecuniary interests, personal and/or prejudicial interests in accordance with legislation and the Council's Code of Conduct.
- 4. Minutes of the previous meeting held on 7 July 2022 (including any matters arising) (Pages 7 - 12)**
- 5. Public Participation**
To receive and note questions asked and statements made from members of the public on general matters of interest and/or matters relating to the work of the Forum. This period is for a maximum of 10 minutes.

NB members of the public are required to register with Democratic Services three clear working days before the meeting (see below for further details).

Members of the public and visiting councillors may speak at the Forum, provided they have registered to speak three working days in advance. Please contact Democratic Services **by 5pm on Wednesday, 26 October 2022** via democracy@winchester.gov.uk or (01962) 848 264 to register to speak and for further details.

BUSINESS ITEMS

6. **Grainger progress report on West of Waterlooville MDA (Pages 13 - 14)**
7. **Arts Programme Update (WWF119) (Pages 15 - 22)**
8. **Local Plan Consultation Update (Verbal update)**
9. **Any Other Business**

**Laura Taylor
Chief Executive**

All of the Council's publicly available agendas, reports and minutes are available to view and download from the Council's [Website](#) and are also open to inspection at the offices of the council. As part of our drive to minimise our use of paper we do not provide paper copies of the full agenda pack at meetings. We do however, provide a number of copies of the agenda front sheet at the meeting which contains the QR Code opposite. Scanning this code enables members of the public to easily access all of the meeting papers on their own electronic device. Please hold your device's camera or QR code App over the QR Code so that it's clearly visible within your screen and you will be redirected to the agenda pack.

Primary objectives of the fora

The fora have no formal decision making powers, but can make recommendations on suitable arrangements relating to democracy and community representation.

The fora will:

1. Meet 3 times per year. Virtual meetings have proved successful and it is proposed that these continue.
2. Comment and advise on the next stages of the implementation of the MDA.
3. Monitor and comment on progress relating to the development of the MDA including the implementation of planning conditions and requirements of planning obligations (s106 agreements) and s278 agreements (highway works).
4. Seek to promote and support community development activities within the development area and provide advice on how these should progress.

5. Secure the establishment of appropriate local democratic structures for the emerging community.

How this will be achieved

1. Each meeting will receive the following input:
 - a. Update on the physical development of the MDA (from the developer).
 - b. Report on the community development activities and any issues arising within the MDA.
 - c. Discussion on infrastructure.

Key stages of the fora:

Stage 1 – Planning	Stage 2 – Emerging	Stage 3 - Establishing
<p><u>Start:</u> Initial master planning <u>End:</u> Outline planning consent / start on site.</p>	<p><u>Start:</u> Start on site <u>End:</u> Establishment of a residents association or parish council as applicable.</p>	<p><u>Start:</u> Establishment of a residents association or parish council <u>End:</u> Future community governance agreed and established.</p>
<ul style="list-style-type: none"> • Act as a sounding board where ideas, options and issues relating to the development can be considered before becoming part of the formal planning process. • Consider and advise upon the infrastructure required 	<ul style="list-style-type: none"> • Receive updates on the progress of development and compliance with relevant planning conditions and S106/S278 agreements • Input into creation of a community development strategy 	<ul style="list-style-type: none"> • Receive updates on progress in establishing the community and any emerging issues • Consider and advise upon a strategy for the ownership and management of the social infrastructure and community assets. • Receive updates on the progress of development and compliance with relevant planning conditions and S106/S278 agreements
Lead: Service Lead – Built Environment	Lead: Service Lead – Built Environment	Lead: Service Lead – Community & Wellbeing

The fora will be subject to annual review.

Membership

West of Waterlooville:

- | | |
|----------------------------|---|
| • Winchester City Council | 4 elected representatives (inc. Chair) |
| • Havant Borough Council | 4 elected representatives (inc. Vice Chair) |
| • Hampshire County Council | 2 elected representatives |
| • Newlands Parish Council | 2 representatives |

Officers

Lead Officer	Steve Lincoln
Community Worker	TBC

Quorum

The fora will be quorate if five voting representatives are present.

Method of working and voting rights

All representatives are expected to seek to reach conclusions by general consensus. Where any voting representatives on the Forum requires a formal vote to be taken, this shall be by a show of hands by those voting representatives present and voting (as per the membership set out above).

Public Participation procedure

There will be a period of 10 minutes maximum at the beginning of each forum meeting when the Chair will invite the public, including local interest groups, to raise any general matters of interest and/or matters relating to the work of the forum.

An individual speaker will be limited to a maximum of three minutes per agenda item. Where a number of members of the public wish to speak they will be encouraged to agree the allocated maximum ten minutes between them.

The Chair will retain discretion to manage the public speaking process, and may limit individual speakers to less than three minutes, or take other steps necessary in order to maximise public participation in an appropriate way.

Members and Officers will not provide an immediate response to public comments raised from the floor. All comments and queries will be noted and the Chair will invite Officers and/or Members to respond to specific points during the round table debate and discussion amongst forum members that follows.

Members of the public should contact the Democratic Services Officer 3 working days before the meeting (preferably telephone or email) so that as many people who wish to speak can be accommodated during the public participation sessions.

Once the period of public participation has drawn to a close, there will be an opportunity for elected members who are not on the forum (i.e. Cabinet or Ward Members) to speak in advance of questions and debate amongst forum members at the Chair's discretion.

The forum will then debate the item with any conclusions and recommended recorded.

FILMING AND BROADCAST NOTIFICATION

This meeting may be recorded and broadcast live on the Council's website. The meeting may also be recorded and broadcast by the press and members of the public – please see the Access to Information Procedure Rules within the Council's Constitution for further information, which is available to view on the [Council's website](#).

1. **CHAIRPERSON'S WELCOME**

The meeting was held virtually and the Chairperson welcomed representatives to the first meeting of the new municipal year.

2. **APPOINTMENT OF VICE CHAIRPERSON FOR THE 2022/2023 MUNICIPAL YEAR**

RESOLVED:

That, Councillor Robinson be appointed Vice Chairperson of the Forum for the 2022/23 Municipal Year.

3. **DISCLOSURES OF INTERESTS**

There were no disclosures of interest made at the meeting.

4. **TO NOTE THE MEETING DATES FOR 2022/23**

RESOLVED:

That future meetings of the Forum take place virtually at 6pm on the dates as set out on the agenda.

5. **MINUTES OF THE PREVIOUS MEETING HELD ON 8 MARCH 2022 (INCLUDING ANY MATTERS ARISING)**

Arising from the minutes of the previous meeting, various points were raised as follows:

- Policing of the development – Councillor Crichton advised that the previous matter regarding the Police and Crime Commissioner had been referred to senior officers with the proposal that policing of the development would be covered by Waterlooville going forward.
- Forthcoming planning applications – Councillor Crichton reported that the application for Phase 3b was still to be approved and asked that this be considered at the earliest convenience.

In response, Rose Chapman reported that in respect of Phase 3b, the latest update from was that there were several highways issues remaining before

progress could be made and that she would liaise with planning officers at Havant Borough Council going forward.

- Community Officer position – Councillor Crichton raised concern that Havant Borough Council had advised that they could no longer provide the Community Officer role going forward which he stated would make it difficult for the Parish Council to monitor the development.

In response to the points raised, Steve Lincoln advised that he had spoken with Tracy Vear and Havant Borough Council had advised that they were experiencing difficulties recruiting to the position. The Community Officer role was a time limited post within the s106 agreement that was approaching the end of its contract. Resourcing of this post within the s.106 agreement was to be provided by Grainger plc and as such Havant Borough Council would return any residual funding to them in this respect as it was unable to fulfil recruitment any further. It was noted that Mark Maitland's role at WCC does include support to communities. However, his role is not dedicated to Newlands and the development so his capacity to provide ongoing support would be limited. In conclusion, Councillor Robinson advised that she would clarify the position further and report back directly to Councillor Crichton in due course.

- Update from Taylor Wimpey – Councillor Crichton provided a verbal update, on behalf of Taylor Wimpey, setting out their latest position on site. He advised that Taylor Wimpey were currently working towards the adoption of the spine road which had two outstanding matters in relation to the s104 agreement with Southern Water waiting for a response from Winchester City Council and the street lighting standards with what was expected prior to the installation of new LED lighting by Hampshire Highways upon road adoption. The delay to street lighting matters would have a knock on effect to other works, such as the surfacing of the cycle path.
- Adoption of Open Space agreement at Wellington Park by Havant Borough Council – Councillor Crichton reported that adoption of the open space at Wellington Park remained an ongoing issue to be addressed.
- Proxima Park – Councillor Crichton reported that there had been complications to the completion of this development due to changes in management agents.

Following discussion of the minutes, it was agreed that future agendas of the Forum include an 'Any Other Business' item to allow for any additional matters to be raised.

RESOLVED:

That the minutes of the previous meeting, held on 8 March 2022, be approved and adopted.

6. **PUBLIC PARTICIPATION**

No members of the public were present to make representations

7. **GRAINGER PROGRESS REPORT ON WEST OF WATERLOOVILLE MDA (VERBAL UPDATE)**

Grainger

Grainger development update – The Chairperson welcomed Asim Kayani (Grainger plc) to the meeting. He provided a verbal update on the physical development of the site and made reference to the following points:

- Current occupations were 1,026 on the Berewood site.
- Infrastructure works: Recently awarded the tender for the western link road which links the southern and northern section together within Berewood. This was a ten month programme which was ongoing.
- Road remedials had been carried out as part of the s38 agreement in terms of handing these over to Hampshire County Council as part of the arrangement.
- Land sell of Phase 5a and Phase 3b to Bloor Homes. Phase 5a planning application had been approved by Winchester City Council and Bloor Homes were now on site, with Phase 3b planning application in the process of being determined by Havant Borough Council.
- There had been an exchange on further land parcels Phase 9c and Phase 11a with Redrow for 192 units. Redrow were currently preparing a reserve matters application to be submitted to Winchester City Council in due course.

In conclusion, Grainger offered the opportunity for members to visit the site for a walkabout and presentation to see how work had progressed in previous years with the development.

Arising out of questions from members of the Forum, the following issues were discussed:

Sports Pavilion – Councillor Crichton reported on outstanding matters and made reference to the footpath which was awaiting approval from Hampshire County Council and the Ramblers Association.

In response, it was noted that representatives from Grainger had met with the ramblers on site several weeks ago to go address their comments and they had since confirmed their approval of the proposed footpath diversion. Hampshire County Council Countryside Team had also given their approval and were discussing matters internally with Hampshire Highways. They would report back in due course on how to progress to next stage of legally approving the diversion to resolve the matter.

Signage – Councillor Berry requested the provision of welcome signage for Newlands. The Chairperson agreed that she would discuss this further with officers and provide an update in due course.

B2150 Issues – The Chairperson advised the Forum that the meeting that was due to take place regarding B2150 issues, was cancelled at that time. It was hoped that this would be rescheduled in due course.

RESOLVED:

That the verbal report be noted.

The meeting commenced at 6.00 pm and concluded at 6.35 pm

Chairperson

BEREWOOD

HAMPSHIRE

West of Waterlooville Forum Report

Tuesday 1st November 2022

Berewood Development

1052 Occupations

Land Sales

Larkfields (P3B) and Woodlands Edge (P5A) sold to Bloor, on site.
Kentidge Coppice (9C) and Daubenton Glen (11A) sold to Redrow.

Facilities

Second Primary School – awaiting application to be re-submitted from HCC (Jan 2023).
Health Centre – site agreed. Heads of terms being drawn up.
Northern allotments – Anticipate delivery end of 2023.
Local centre - design to be reconsidered. Community Centre to be delivered by 2025.

Awaiting update from Havant BC re: Cemetery land.

Planning

Awaiting approval:

- Sports Pavilion and Town Park Phase 2
- Footpath diversions

Infrastructure

Western Link Road (Marrelsmoor Avenue) connection works underway, anticipated completion Summer 2023.

Stakes Hill Roundabout & Southern Access Junction – in discussion with HCC.

Adoption of phase 1 roads underway.

Cricket pitch earthworks complete.

Community

Skate Park graffiti project took place in Summer – painting the youth shelter and ramps. Over 100 young people involved.

Tree planting & time capsule on Yew Gardens to commemorate Jubilee.

Bi-annual newsletters sent out to Wellington Park, development update included in Purbrook & Widley Area Residents Association newsletter.

REPORT TITLE: ARTS PROGRAMME UPDATE

1 NOVEMBER 2022

REPORT OF CABINET MEMBER: Cllr Lucille Thompson, Cabinet Member for Business & Culture

Contact Officer: Andrew Gostelow Tel No: 07980 732149

Email AGostelow@winchester.gov.uk

WARD(S): DENMEAD/SOUTHWICK & WICKHAM/STAKES ROAD

PURPOSE

This report sets out the resources required, and how these will be used, along with the process for delivery of the West of Waterlooville Public Art Programme across the major development area during the remainder of the development period.

RECOMMENDATIONS:

That the Forum notes:

1. Up to 20% of the Section 106 Public Art Fund will be deployed to provide the necessary resources to lead a review and ongoing delivery of the Public Art Programme to completion.
2. Collaboration with appropriate stakeholders will be undertaken to review the existing programme and develop a revised costed public art programme for the remaining period of the development which will be presented to the Forum at a future meeting.
3. The governance arrangements for the public art programme as outlined in section 11.
4. That soft landscaping to the Gateway Installation will be undertaken deploying a suitable tree species in order to align more closely with the original concept.

IMPLICATIONS:1 COUNCIL PLAN OUTCOMELiving Well

- 1.1 Delivery of the Public Arts Programme at Waterlooville will contribute towards objectives to create attractive and well-used public facilities and green spaces with space for relaxation and play, with a wide range of physical and cultural activities for all ages and abilities.

Vibrant Local Economy

- 1.2 Delivery of the Public Arts Programme will strengthen the appeal of the Winchester district by promoting and developing our unique cultural, heritage and natural environment assets.

2 FINANCIAL IMPLICATIONS

- 2.1 The balance of the Arts Programme Fund currently held by Winchester City Council is £26,103.
- 2.2 A further two contributions of £100,000 each are now due, based on occupation of 500 and 1000 dwellings, as per the Section 106 agreement.
- 2.3 A further two contributions of £100,000 each are due in the future following occupation of 1500 and 2000 dwellings respectively.
- 2.4 Based on the above contributions the anticipated Arts Programme Fund to the end of the development is estimated at £426,103, realised at the occupation milestones outlined above.
- 2.5 WWF118 was considered at the Forum held on 8 March 2022 which agreed that £79,709 remains due to Grainger. A Deed of Variation application is underway which is anticipated to be executed by the end of December 2022. This will allow for the £79,709 to be deducted from current outstanding contributions which are now due. This will leave £146,394 as the Arts Programme Fund available to spend until the next contribution is received after 1500 occupations.
- 2.6 A new Public Art Programme project resource will be allocated from the Arts Programme Fund.
- 2.7 As a guide to establish the potential resource costs three Public Art agency providers, experienced in developing and executing programmes within Section 106 agreements, have confirmed that typically a 15-20% allocation from the total contributions would be required as a management fee. Based on the remaining Arts Programme Fund and anticipated future contributions, a cost of no more than £69,278 is anticipated. This would leave a minimum of £277,116 for delivery of public art.

3 LEGAL AND PROCUREMENT IMPLICATIONS

- 3.1 A number of matters relating to the Section 106 agreement are mentioned in the report.
- 3.2 Any agency, artists and art installations will be procured in accordance with the council's Procurement and Contract Management Strategy and the council's Contract Procedure Rules.

4 WORKFORCE IMPLICATIONS

- 4.1 In order to ensure that the Arts Programme Fund is managed effectively and used to deliver projects, in liaison with stakeholders with outcomes that benefit the local community, a dedicated resource is required.
- 4.2 It is intended that the equivalent of a 0.6 FTE grade four Project Officer is appointed for the first year to undertake the review and develop the ongoing Public Art Programme and delivery of immediate projects. Resources will then be deployed as necessary to oversee the delivery of future arts projects as they come forward.
- 4.3 Consideration will be given to either recruiting a fixed term contract post or appointing a specialist agency, whichever offers the appropriate level of flexibility required.
- 4.4 The council's Culture and Creative Sector Development Officer will provide line management responsibility for the resource deployed and the Service Lead: Economy & Tourism will take overall oversight of this work programme.

5 PROPERTY AND ASSET IMPLICATIONS

- 5.1 Any art installations within the development are likely to be located within the public open space or other public realm, so would become the property of whichever organisation adopts the area in question. For any future installations, this would need to be negotiated at an early stage as part of the project planning and feasibility.

6 CONSULTATION AND COMMUNICATION

- 6.1 A significant resident and stakeholder engagement exercise was undertaken to help inform the projects that formed the original Public Arts Programme. However, as time has passed and projects have not come to fruition, as outlined in WWF119. Therefore further engagement is required to review the existing proposals and develop a new costed programme.
- 6.2 The approach set out in this report has evolved following discussions involving local ward members who were part of the Arts Advisory Panel and with representatives from Grainger.
- 6.3 Newlands Parish Council has started the process of adopting public open space on the development, so future proposals for art in the public realm will need to be discussed with the parish council at an early stage.

7 ENVIRONMENTAL CONSIDERATIONS

- 7.1 Winchester City Council has declared a climate emergency and in December 2019 adopted a Carbon Neutrality Action Plan, committing it to reaching carbon neutrality by 2024 and aiming to make the entire district carbon neutral by 2030.
- 7.2 All possible efforts will be made to ensure that any art installations are procured, sourced, manufactured and maintained sustainably.

8 PUBLIC SECTOR EQUALITY DUTY

- 8.1 None

9 DATA PROTECTION IMPACT ASSESSMENT

- 9.1 None required

10 RISK MANAGEMENT

Risk	Mitigation	Opportunities
<u>Financial Exposure</u> Programme delivery cost exceeds the budget.	Careful budget management and robust contract management	Potential to reset the programme and consider alternative options.
<u>Innovation</u> The proposed Berewood commissions are unique, which has made costing and planning more difficult than a more traditional piece of art (e.g. a statue).	Regular review of proposals to ensure viability.	Potential to reset the programme and consider alternative options.
<u>Reputation</u> There is always a risk that public art will not be liked and this can have an impact on the Council, the developers and the artists.	Continued focus on engagement/consultation with the local community.	Residents feel included in the process and 'own' the results.
<u>Achievement of outcome</u> Complicated and expensive projects could use up a disproportionate amount of the available funding and limit the	Regular review of proposals to ensure viability.	Potential to reset the programme and consider alternative options.

Risk	Mitigation	Opportunities
ability to deliver a programme across the entire development.		
<u>Property</u> Some arts commissions are designed for public interaction and there is a risk to public safety if not properly constructed and maintained.	Health and safety advice was taken (e.g. RoSPA assessment of boat pond designs). Proof of public liability insurance is required before issuing any purchase orders for works. A regular inspection and maintenance regime will be put in place on completion.	
<u>Community Support</u> The community has grown and changed over the course of development. It is important to keep engaging in order to avoid accusations that the public art is not what is wanted on the site.	A programme of engagement took place around the earlier proposals. Further consultation to take place on the final art work.	Newlands Parish Council can be an active partner in the arts programme development and delivery.
<u>Timescales</u> The commissions for the Grainger site are behind schedule due to a changing development timetable for Berewood, the earlier need to review and reduce costs and the onset of COVID-19.	A revised timetable will be developed.	The delay allows new residents to be engaged and involved in the process.
<u>Project capacity</u> Lack of suitable management and oversight of programme delivery.	Options have been considered to ensure appropriate resourcing.	

11 SUPPORTING INFORMATION:

- 11.1 Three art projects were either completed or in progress at the time of the last Arts Advisory Panel meeting: Newlands Walk, The Gateway Commission and the Boat Pond. The intention was for the Section 106 contributions to enable at least one further commission in addition to these.

Progress to date

- 11.2 Newlands Walk open space – a bespoke play area involving designs from local children was opened in July 2018.
- 11.3 The Gateway – after receiving planning permission the armatures of a metal ring were installed, unfortunately the saplings which were due to be trained to grow around the armatures died. Options are being investigated to undertake the planting again, but with a different species that is more appropriate than oak. While not entirely meeting the original brief, this would mean the installation could be completed as planned with any additional cost minimised.
- 11.4 The Boat Pond – further to WWF118 considered at the Forum on 8 March 2022, this project remains halted and will form part of the review to be undertaken.

Governance and management

- 11.5 In January 2022 a group of council officers and members from Winchester City Council met with representatives from Grainger to review the current position and consider how best to restart work on the Public Arts Programme. The consensus was that Winchester City Council is best placed to provide the necessary oversight and accountability for use of the funds. However, it was acknowledged that there is no existing resource available to undertake this work so options were considered for how best to enable this.
- 11.6 At this same meeting challenges around the delivery of the Arts Advisory Panel was discussed. It was agreed to continue with the operation of the Panel in the short term, whilst also recognising the need to minimise the amount of work associated with administering it.
- 11.7 It is proposed that going forward the Arts Advisory Panel is retained during the period in which the revised public art programme is developed. The future role of the Panel will be determined by the Forum at a future date.

Next Steps

- 11.8 It is advised that the Public Art Programme will be reset, supported by a new community engagement process, resulting in a revised Public Art Programme to make use of the remaining contributions. In order to undertake this work an officer or agency is needed to manage the process to ensure the project is delivered on time and within budget. Officers will commence this process in the coming weeks.

- 11.9 Research into similar programmes on other major development areas has identified some interesting approaches that could be applied to the remaining arts programme here. The review will include consideration of the option to utilise the Public Art Fund for approaches such as:
- a) A community engagement project where residents can actively participate in creating a piece, increasing a sense of ownership (Townhill Mosaics / Shorelines).
 - b) A spectacle / headline / showstopper piece in a public space for all to enjoy (The Lock Gate / Millennium Garden)
- 11.10 Progress updates will be brought to the Forum as appropriate throughout the life of Public Art Programme.
- 12 OTHER OPTIONS CONSIDERED AND REJECTED
- 12.1 Control and responsibility for implementation of the Public Art Programme could be passed to another organisation. This happened for a period of time when Grainger took the lead, but it became difficult for the council to maintain sufficient oversight and control so this is not the preferred way to proceed. However, there will continue to be a role for Grainger's Community Development Manager in supporting the programme and adding value through links to their work.
- 12.2 Consideration was given to the council delivering the programme from existing teams. However the limited resources available do not allow for this.
