		<p>editing, in consultation with the Cabinet Member for Place and Local Plan, to finalise the revised Upham Village Design Statement, prior to publication on the Council website.</p>	<p>November and 23 December 2024. It is important to note that only a small part of the Parish of Upham lies within Winchester District, the majority of the settlement (82%) is located within the South Downs National Park, consequently, this report seeks adoption of the Upham VDS only insofar as it will apply within the Winchester District Local Plan area. Officers from Winchester City Council have been working closely with Officers from the South Downs National Park Authority (SDNPA) on the development and subsequent adoption of this VDS. The SDNPA are also separately seeking permission from their Planning Committee on the 13 March 2025 to adopt this</p>	<p>or endorse the VDS. However, an informally adopted document would carry less weight in decision making, as the formal adoption processes – including the public consultation - required of SPD would not have been followed and this approach is therefore not considered appropriate for Village Design Statements.</p> <p>3. In light of the anticipated changes regarding the phasing out of SPDs and their replacement with Supplementary Plans as a result of the implementation of the Levelling Up and Regeneration Act (LURA), the city council</p>

			<p>VDS as an SPD.</p> <p>The original Upham VDS was adopted in 1999 and this document would be revoked following the adoption of this VDS (2025).</p>	<p>could decide to not adopt the VDS as an SPD at this time, but this would negate the work that the local community had undertaken in producing the VDS.</p> <p>4. The recommendation in this report is therefore to adopt the VDS as an SPD at this time. However, once the new Local Plan 2040 is adopted and once the LURA legislation is implemented, the city council would need to review the status and weight that could be given to such SPDs. Whilst there is uncertainty around the detailed implementation and timing of the LURA changes, the VDS would</p>
