## 1. MINUTES

#### RESOLVED:

That the minutes of the Ordinary Meeting of the Council held on 10 January 2018, be approved and adopted.

## 2. COMMUNICATIONS FROM THE MAYOR AND THE LEADER

The Mayor announced that he would be writing to congratulate Lizzy Yarnold MBE (who was a resident of Shedfield) for her recent success in winning an Olympic Gold in the Skeleton at the 2018 Winter Games.

The Mayor then referred to the annual Mayor's Awards event which was to be held on Wednesday 21 March at Winchester Science Centre involving presenter-led planetarium shows.

The Mayor then drew the Council's attention to his forthcoming Charities events. There was to be a talk in Abbey House on 28 February by Eric Berbeck (a member of the Royal Victoria Order) on his time on the Royal Yacht. Also in Abbey House, there was to be a Pie and Mash lunch on 25 March and wine tasting on 13 April.

The Mayor then reminded Members that his Mayor's Choice Private View was on Wednesday 28 February at 6pm in City Space, Winchester Discovery Centre.

The Leader announced that, today, Hampshire County Council had allocated £1million as a contribution towards the new sports and leisure facility at Bar End. This had been achieved through Winchester City Council's commitment to work in partnership to deliver a first class facility to help improve the health and wellbeing of residents.

The Leader then announced that Hampshire County Council had also agreed the following Motion at its full Council today.

'This Council urges district local authority partners in the County of Hampshire, and the unitary authorities of Portsmouth, Southampton and the Isle of Wight, to re-engage and return to the original prospectus for a Combined Authority for Hampshire and the Isle of Wight that we all agreed to in September 2015 together with the two LEPs and two National Parks, and re-submit to the Government with additional focus on the challenges of the economy, housing and health.'

As the Secretary of State intended to revive the devolution framework in the near future, the Leader therefore stated that the Council would engage with other local authorities to explore all options and report back to Members.

The Leader then announced that the Council had been shortlisted as Council of the Year 2018 by iESE (Improvement, Efficiency and Social Enterprise) as part of its Public Sector Transformation Awards 2018. This was with regard to the Council's entrepreneurial approach to how it delivered its services. The Leader was to attend the awards event on 6 March 2018 with the Chief Executive. The nomination was a fantastic achievement and a credit to the hard work of all staff.

## 3. THE MAKING OR TERMINATION OF APPOINTMENTS TO BODIES SET UP BY THE COUNCIL

RESOLVED:

That for the Audit Committee, Councillor Thacker be replaced by Councillor Weston.

## 4. DISCLOSABLE PECUNIARY INTERESTS ETC

There were no declarations from Members.

The Chief Executive reported that for agenda item 12 (g) Organisational Development Employee Strategy Phase 1 (Report PER130 refers), after firstly responding to any questions of Members on the report, she would join those other senior officers who had previously left the meeting for this item. This was because the Report referred to decisions related to the remuneration package of senior officers.

## 5. **PETITIONS**

i. <u>In accordance with Council Procedure Rule 15, a petition was submitted by Mrs Lynda Murphy with regard to kerbside glass recycling. The prayer of the petition was as set out on the meeting agenda.</u>

At the invitation of the Mayor, Mrs Murphy introduced the petition and highlighted that unlike several of Winchester City Council's local authority neighbours, it did not currently have a kerbside glass recycling scheme. She set out that the petition had indicated that there was much support for such an initiative to be introduced and emphasised a number of points Bottle banks in the area were often overflowing and elderly residents or those who did not drive were unable to reach these facilities. The University of Winchester had indicated that whilst students were keen to 'do the right thing' adequate facilities were required to allow them to do so. There was evidence that residents were adding glass to their general waste in the absence of a convenient alternative. WINACC reported on the successful capture of glass as recyclable material and that it was up to the Council to decide upon a means of collection. Finally, Mrs Murphy was pleased to hear that the Council was already looking to secure quotations for kerbside glass recycling to be added to the tendering of the new Environmental Services contract

The Portfolio Holder for Environment (Councillor Warwick) responded to Mrs Murphy's presentation.

Councillor Warwick referred to the current good work of Hampshire County Council and Winchester City Council with regard to recycling.. She advised there were bottle banks at 90 locations across the district and the County Council also collected glass at its Household Waste Recycling Centres. Many supermarkets also offered recycling facilities.

Councillor Warwick advised that when the Council had previously surveyed customers in 2016 when researching the options for the Environmental Services contract, the introduction of kerbside glass collection was the most frequently requested service improvement. Therefore, with this in mind, over the next few months, an option of including a four weekly kerbside glass collection in the Environmental Services contract was to be explored. If the Council was to retender, it would include this in the tender options to commence in October 2019. If the existing contract was to be extended then

Cllr Warwick indicated it may be possible to introduce glass collection sooner but that work still had to be done on costings and practical arrangements.

Motion (1) Warwick (2) Horrill

'That Mrs Lynda Murphy be thanked for her work in raising the issue of additional recycling services, and that in view of public support officers prepare a specification and implementation plan for a four-weekly kerbside glass collection to be included in the Council's environmental services contract (in addition to the existing bring site arrangements) provided budget provision can be made at the appropriate time.'

During the debate which followed, Members acknowledged that the petition had come forward at an opportune time, when the Council was looking at options regarding the existing Environmental Services contract. The Motion was welcomed, although it was suggested that the possibility of fortnightly kerbside collection be also explored. A Member also requested that the possibility that retention of some 'bring sites' be considered.

Motion carried.

#### **RESOLVED:**

That Mrs Lynda Murphy be thanked for her work in raising the issue of additional recycling services, and that in view of public support officers prepare a specification and implementation plan for a four-weekly kerbside glass collection to be included in the Council's environmental services contract (in addition to the existing bring site arrangements) provided budget provision can be made at the appropriate time.

ii. In accordance with Council Procedure Rule 15, a petition was submitted by Mr Rory O'Sullivan with regard to preventing the destruction of the existing BMX track and woodland at Bar End as part of the facilitation of new arrangements for coach parking. The prayer of the petition was as set out on the meeting agenda.

At the invitation of the Mayor, Mr O'Sullivan introduced the petition. In summary Mr O'Sullivan advised that he had first started riding bikes in the woodland here in 1997 – the nearest alternative facility for riders was the skate park at Southsea. At that time, the land was owned by the Highways Authority who had then informally permitted the riders to use the land. It had also leant them tools to make improvements to the track and to build ramps etc. Following a magazine article in 2004, the track gained international recognition and was visited regularly thereon by professional riders. On average at weekends, there were between 70-100 riders in the trails, many of whom were local young people. The site was a totally natural area and with no membership or usage fees. However the wearing of cycle helmets was insisted on. Since the proposals for the coach park at this location had been

first mooted, an international petition had galvanised much support with over 25,000 signatures, 16,000 of which were UK based with at least 5,000 having local postcodes. Mr O'Sullivan stated that keeping coaches out of the city centre was fully supported and he was pleased that, going forward, there was dialogue with the Council and trail users to find a more preferable solution. The trails should be retained (at nil cost) as part of the sporting hub to be developed at this area of Winchester.

The Portfolio Holder for Environment (Councillor Warwick) responded to Mr O'Sullivan's presentation.

Councillor Warwick reported that the desire to create a new coach park was due to the existing problems with air quality in the city centre. Saving the need for coaches to travel through the one-way system to park was an important part of the Council's Air Quality Action Plan. The City Council had approached Hampshire County Council about the possibility of using a part of the land where the BMX trail was located along with part of the Park and Ride car park and the County Council were willing to consider this request. Neither the City Council nor the County Council had known of the interest and level of usage of the trails which the petitioner describes due to its unauthorised status. The question of how the land was to be used in the future was a matter for the land owner, Hampshire County Council. Councillor Warwick advised that the options for the location of a coach parking facility would be reviewed and a report would be brought forward to a meeting of Cabinet. The Report would address the issue of where to locate a coach park, rather than questions relating to the BMX track, which are outside of the City Council's control.

The Mayor thanked Mr O'Sullivan for his presentation and Council agreed to support the Portfolio Holders proposal as described above.

#### **RESOLVED:**

That that the options for the location of a coach parking facility should be reviewed and a report brought forward to a meeting of Cabinet. The report would address the issue of where to locate a coach park, rather than questions relating to the BMX track which are outside of the City Council's control.

#### 6. QUESTIONS UNDER COUNCIL PROCEDURE RULE 14

16 Questions were asked by Members, which are set out in full on the Council's website, together with responses from the relevant portfolio holder. The Mayor allowed time for supplementary Questions to be asked and responded to.

## 7. COUNCIL STRATEGY REFRESH

(Report CL139 (white paper) refers)

The Leader Councillor Horrill, moved that the Recommended Minute in Report CL139 be approved and adopted which was seconded by the Deputy Leader and Portfolio Holder for Business Partnership, Councillor Humby

Amendment (1) Learney (2) Tod

'Replace the Recommendation in Report CL139 with:

 In response to the County Council's position regarding proposals for a combined authority for the whole of Hampshire, the following statement be included in the Introduction to the Council Strategy:

> "The structure of local government in Hampshire faces further change in response to the pressures on local government. For the life of this Strategy it is the position of the City Council that it does not support participation in a Hampshire wide Combined Authority"

 That subject to approval of Recommendation 1 above, the Council endorse and adopts the refreshed Council Strategy document to guide the work of Winchester City Council until 31 March 2020.

Amendment lost.

Original Motion carried.

#### **RESOLVED:**

That the Council endorses and adopts the refreshed Council Strategy document to guide the work of Winchester City Council until 2020.

# 8. PRESENTATION BY COUNCILLOR GUY ASHTON (PORTFOLIO HOLDER FOR FINANCE) AND MEDIUM TERM FINANCIAL STRATEGY

(Reports CL140 and CAB3013 refer)

Although there were no specific decisions required on the items above, the Portfolio Holder referred to these during his detailed presentation to Council on the financial papers elsewhere on the agenda and the decision to be made thereon.

#### **RESOLVED:**

That the presentation of the Portfolio Holder for Finance be noted.

## 9. CONSIDERATION OF RECOMMENDED MINUTES

The Recommended Minutes of Cabinet held on 14 February 2017 were as set out in Report CL140, which was circulated with a supplementary agenda after the statutory deadline. The Mayor agreed to accept Report CL140 onto the agenda, because of the urgent need for Council to consider all of the Recommended Minutes that required decisions at this evening's meeting. The supplementary agenda also included the formal Council Tax Resolution for which a decision was also necessary.

## (a) <u>Cabinet – 14 February 2018</u> TREASURY MANAGEMENT STRATEGY 2018/19

(Reports CL140 and CAB3013 refer)

Councillor Ashton, Portfolio Holder for Finance, moved that the Recommended Minute of Cabinet be approved and adopted.

RESOLVED:

That the Recommended Minute of Cabinet in Report CL140 be approved and adopted.

That the Recommended Minute of Cabinet in Report CL140 be approved and adopted.

## (c) <u>Cabinet - 14 February 2018</u> GENERAL FUND BUDGET 2018/19

(Report CL140 and CAB3011 refer)

The Council noted that Recommendations 2 and 5 of the Cabinet minute referred to the Council Tax Resolution, which was to be dealt with by way of a separate resolution.

Councillor Ashton, Portfolio Holder for Finance, moved that the Recommended Minute of Cabinet be approved and adopted.

Amendment (1) Thompson (2) Prince

'Delete recommendation 7 and replace with

7. Approve additional one-off budgets totalling £0.420m over 2018/19 and 2019/20 and a supplementary budget estimate of £0.035m in 2017/18; for Central Winchester Regeneration (£0.105m), purchase of glass recycling containers (£0.250m), and Winchester town centre renovation to include repair and refurbishment of the Buttercross (£0.100m). This is to be funded by the forecast 2017/18 general fund revenue underspend of £1m, the remainder of which to be transferred to the major investment reserve in order to support costed plans to close the projected £4.3m shortfall in 2020/21.'
