THE OVERVIEW AND SCRUTINY COMMITTEE

21 May 2018

DRAFT ANNUAL SCRUTINY REPORT 2017/18

(Report OS201 refers)

The Committee noted that Report represented a succinct summary of the main work it had carried out during the previous municipal year.

The Committee noted that due to the work being carried out on a new constitution, a decision had been taken to cease reappointment of the Informal Scrutiny Groups (ISGs) at this time. Members made reference to the work carried out by the ISG's and considered that feedback of these groups provided a clear understanding of the scrutiny of key services such as Housing Delivery and Performance.

In response, the Chief Executive informed the Committee that a draft version of the new constitution was anticipated to be available prior to the summer recess.
