SAMPLE COPY OF LETTER

Dear...

Sainsbury's Neighbourhood Hub store, Bishops Waltham

We're writing to notify you of a new Sainsbury's store that we will shortly be opening in Bishops Waltham. The store will replace the existing Budgens on Winchester Road, which will be fully refurbished prior to opening as a Sainsbury's.

We are looking forward to bringing our convenience store offer to Bishops Waltham. The new store will be around 5,000 sq ft and provide a range of our popular everyday essentials, including household products, ready meals, fresh products and chilled food, as well as some food to go and an Argos collection point. The store will open between 8.00am and 10.00pm Monday to Saturday and from 10.00am to 4.00pm on Sundays.

As the new Sainsbury's store will be replacing the existing Budgens, there will be a temporary closure for approximately 12 weeks from the beginning of September whilst the building is refurbished and made ready to open as a new Sainsbury's store. We are however committed to minimising any impact on local people and these works are not expected to be disruptive.

External works will only be carried out between 8.00am and 6.00pm from Monday to Friday, and from 9.00am to 3.00pm on Saturdays. Some non-disruptive internal works may be carried out outside of these hours. We are expecting to open the new Sainsbury's store in November, once the fit-out works are complete.

We will be taking on the existing staff members at Budgens as Sainsbury's colleagues and we look forward to welcoming them to our team. The Sainsbury's team in Bishop's Waltham will play an active role in the local community by supporting a local charity, as well as supporting Sainsbury's nationwide community programmes and charity partners.

We are strictly adhering to Government advice in relation to COVID-19. All on-site work will be undertaken in accordance with the Government's social distancing guidelines and we'll keep working practices under continuous review to ensure they align with the most up to date Government guidance.

We hope that this letter is helpful and look forward to opening our new store in Bishops Waltham. We are also sending letters to properties situated in the vicinity of the site, to notify them of the new Sainsbury's store and provide our contact details in case they have any questions.

Cont...

If you have any queries about this letter or the new Sainsbury's store, please do not hesitate to get in touch with our community representatives on 0800 080 3262 or by email at sainsburys-bw@devcomms.co.uk and they will be more than happy to assist.

Yours sincerely

Christian Wakelin
