

20/00701/FUL Lexington Ridge Hambledon Road

Replacement stables for private and commercial veterinary use.

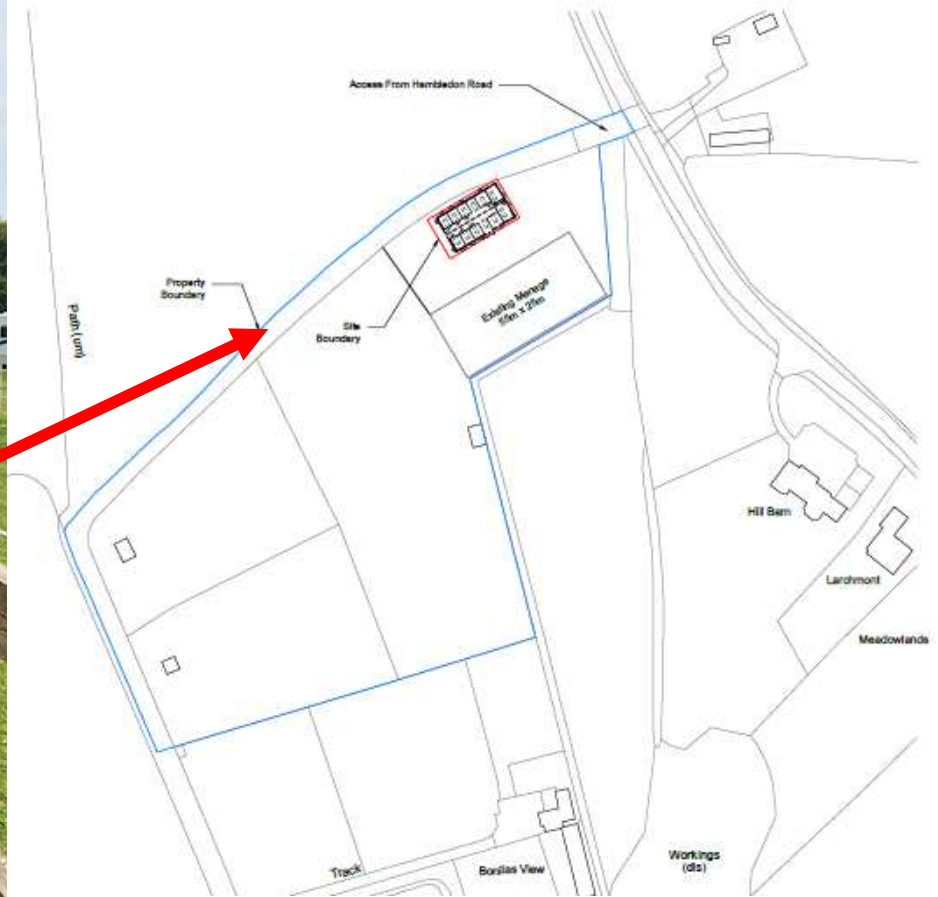

Proposal

- Permission has been sought for the construction and use of an American style barn ,to house both the applicant's own horses, and client's horses generated by her veterinary practise.
- The stables will form part of a mixed use of private and client's veterinary equestrian stabling of horses.
- The proposed stables will have 8 boxes.

Access from Hambledon Road
