## IMPLICATIONS:

### 1 COUNCIL PLAN OUTCOME

#### 1.1 **Tackling the Climate Emergency and Creating a Greener District**

1.2 Kings Barton is located close to existing services, employment and education facilities making it possible for residents to take more journeys by foot, cycle or bus.

#### 1.3 **Homes for all**

1.4 40% of the homes at the 2000 dwelling development at Kings Barton will be affordable, providing a wide range of opportunities to rent or buy in Winchester.

#### 1.5 **Vibrant Local Economy**

1.6 2000 dwellings will provide opportunities for more young people to live and work in the district. The local centre in the development will also provide a range of business and employment opportunities.

#### 1.7 **Living Well**

1.8 Homes that are located close to services provide greater opportunities to encourage active travel amongst the population.

#### 1.9 **Your Services, Your Voice**

1.10 The increase in the number of homes will increase the council tax revenue for the City Council.

### 2 FINANCIAL IMPLICATIONS

2.1 Funding for the Implementation/Community Development Post is being paid by CALA until October 2022.

### 3 LEGAL AND PROCUREMENT IMPLICATIONS

3.1 Provision of an update report as to the current implementation of the approved development at Kings Barton provides an important communication between the developer, City Council and local community. The report and appendices recognise the on-going nature of the planning process and importance for compliance with the planning permission and any resultant planning obligation agreements.

### 4 WORKFORCE IMPLICATIONS
