Dear licensing

Many apologies for this but I would like to include a further incident that I wish to make mention of at tomorrow's hearing that has not been disclosed prior.

The incident occurred at 19:15 on 24th July 2021 at the Exchange Public House. The incident which was attended by police is captured on body worn video. But as it is so late in the day I shall not be supplying it. However IT permitting I shall be bringing my laptop which may well assist if required and permitted.

The incident itself is an assault from a fight that occurred in the rear garden of the pub where at least one customer has received a minor facial injury. It is also mentioned in the police report that the "owner" has been assaulted but there are no further details.

There are no formal complaints from any person involved in this incident, as such it has been filed as two assaults with an unwillingness from the aggrieved parties to provide information.

Kind regards

Brian
