

# Cycle Parking in the City

# WHY PRODUCE A CYCLE PARKING PLAN

## Current Issues

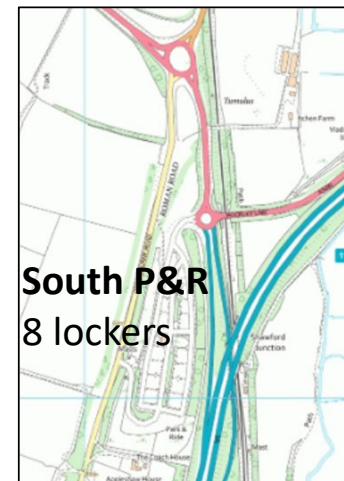

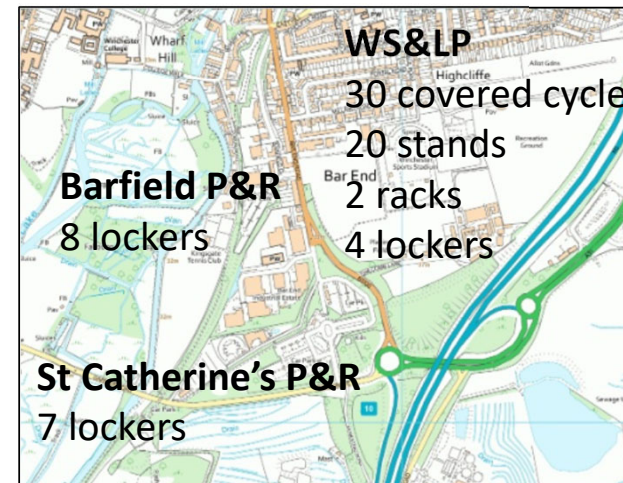

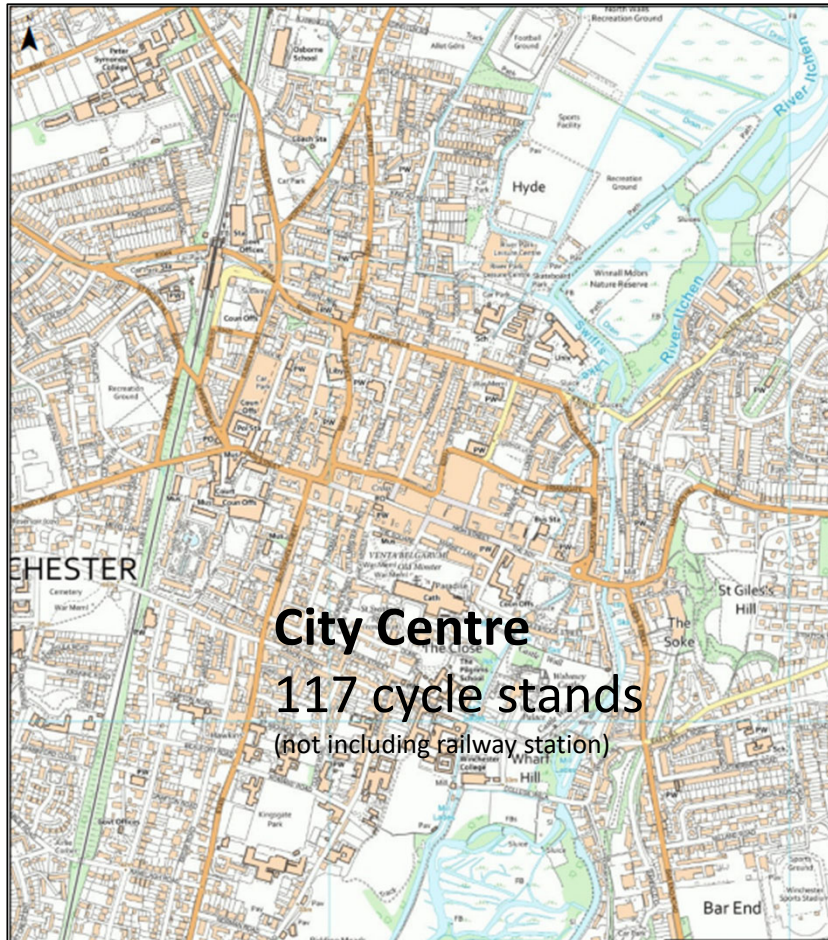

- 🏰 A need for additional cycle parking in the right locations
- 🏰 Cycle parking to be the correct type for the location
- 🏰 Cycle parking for shoppers / visitors, commuters, staff, residents
- 🏰 A lack of secure and covered cycle parking in the city centre
- 🏰 Rise in bike theft

## Support Policy

- 🏰 Parking and Access Strategy
- 🏰 City of Winchester Movement Strategy
- 🏰 Carbon Neutrality Action Plan

# Cycle Parking Locations

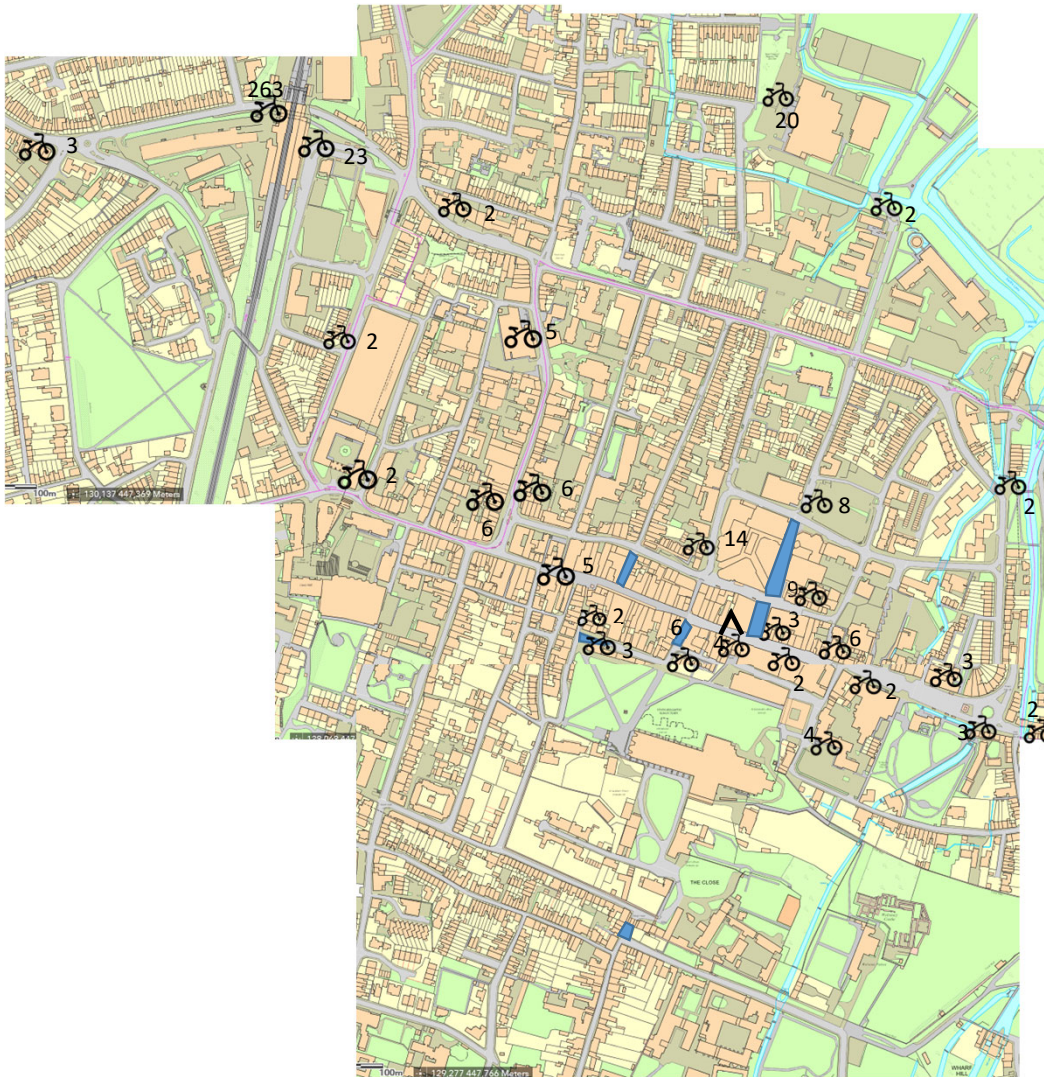

# Cycle Parking Locations, City Centre

- 117 cycle stands with 4 stands under cover
- 286 cycle stands at Winchester Railway Station

# City Centre – Additional Capacity / Gaps

## Additional Capacity Required\*

- High Street (outside former Debenhams)
- High Street (Lloyds Bank)
- Market Lane
- The Square

## Gaps Identified\*

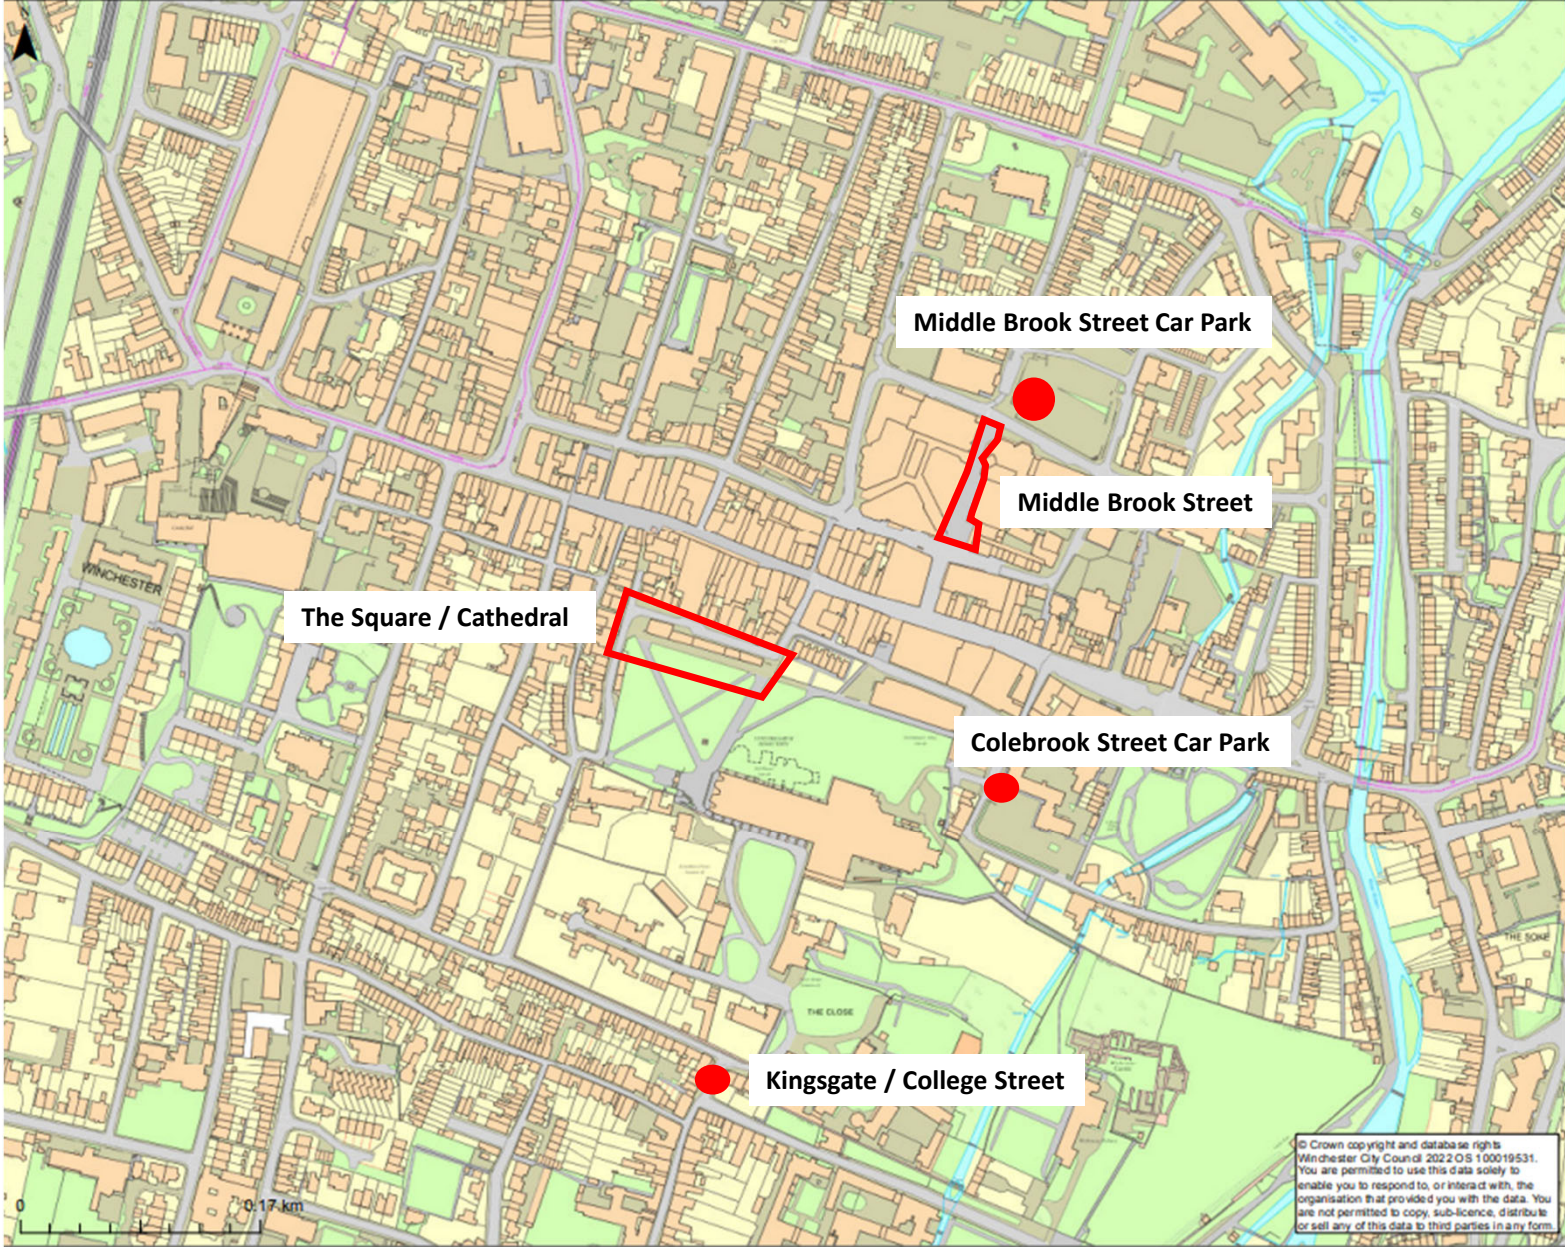

- Middle Brook Street
- Parchment Street
- Kingsgate
- The Brooks

Stakeholders engaged so far;

- Cycle Winchester
- Bespoke Biking
- BID
- WCC Parking and Special Maintenance Teams
- Kings Walk Project Team
- HCC

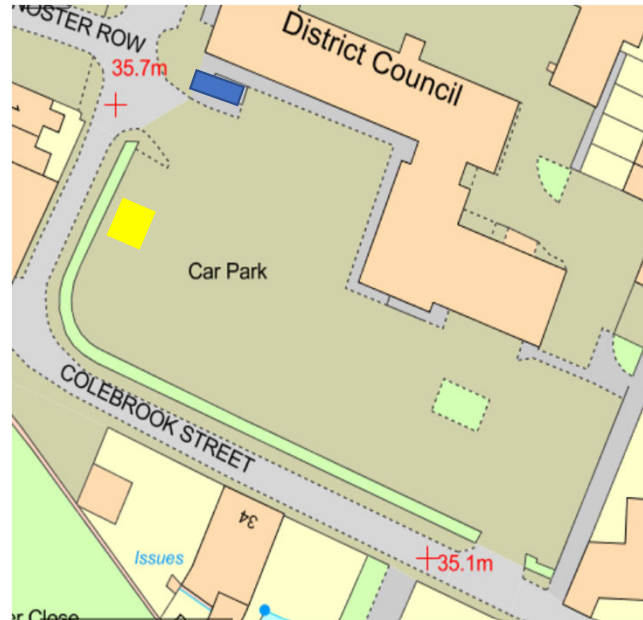

# Priority Locations

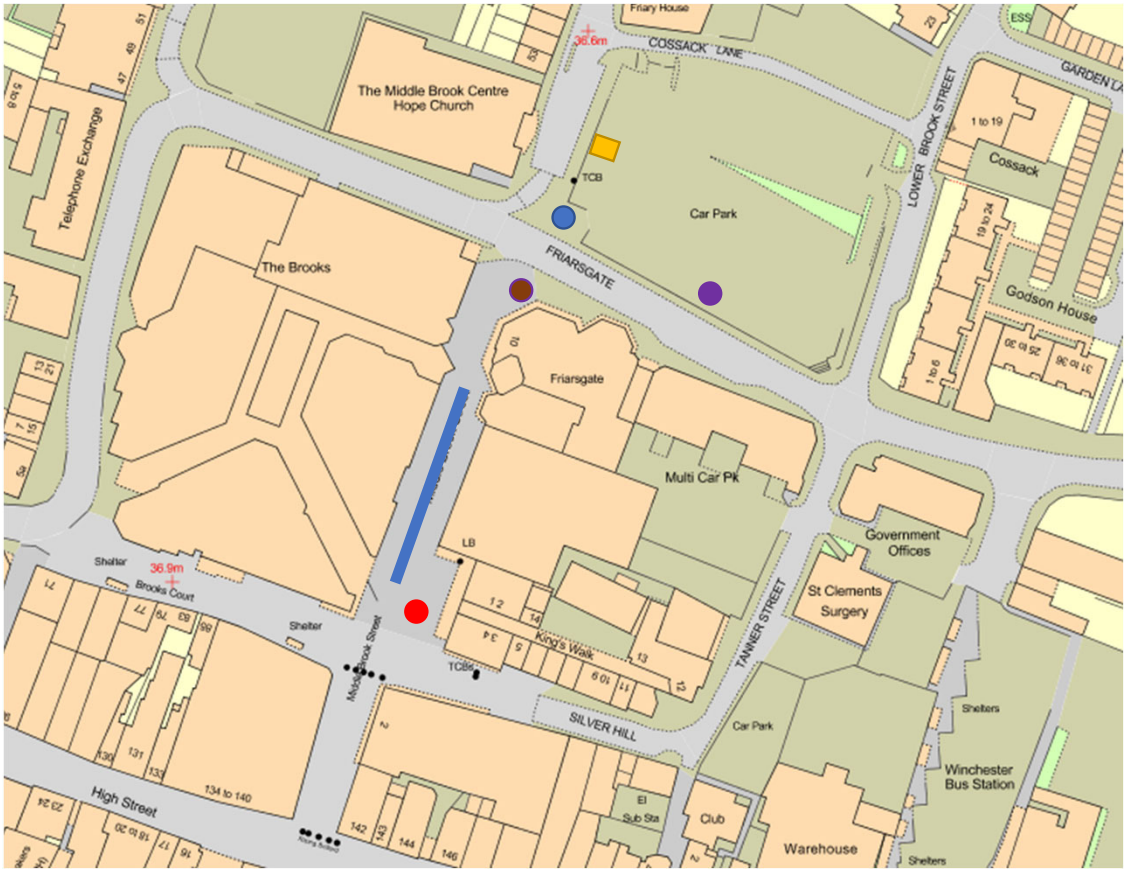

# Colebrook Street Car Park

- Replace existing stands
- Install a shelter
- Cycle lockers

# Middle Brook Street

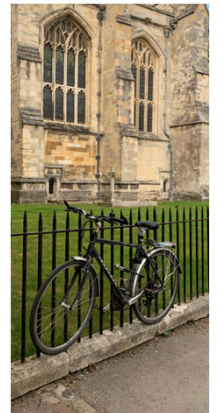

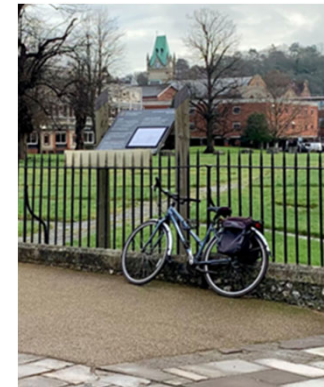

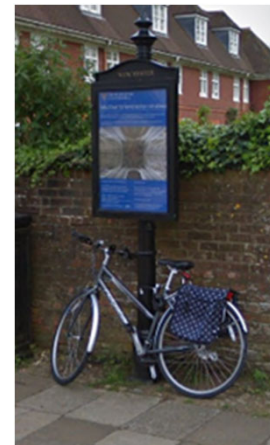

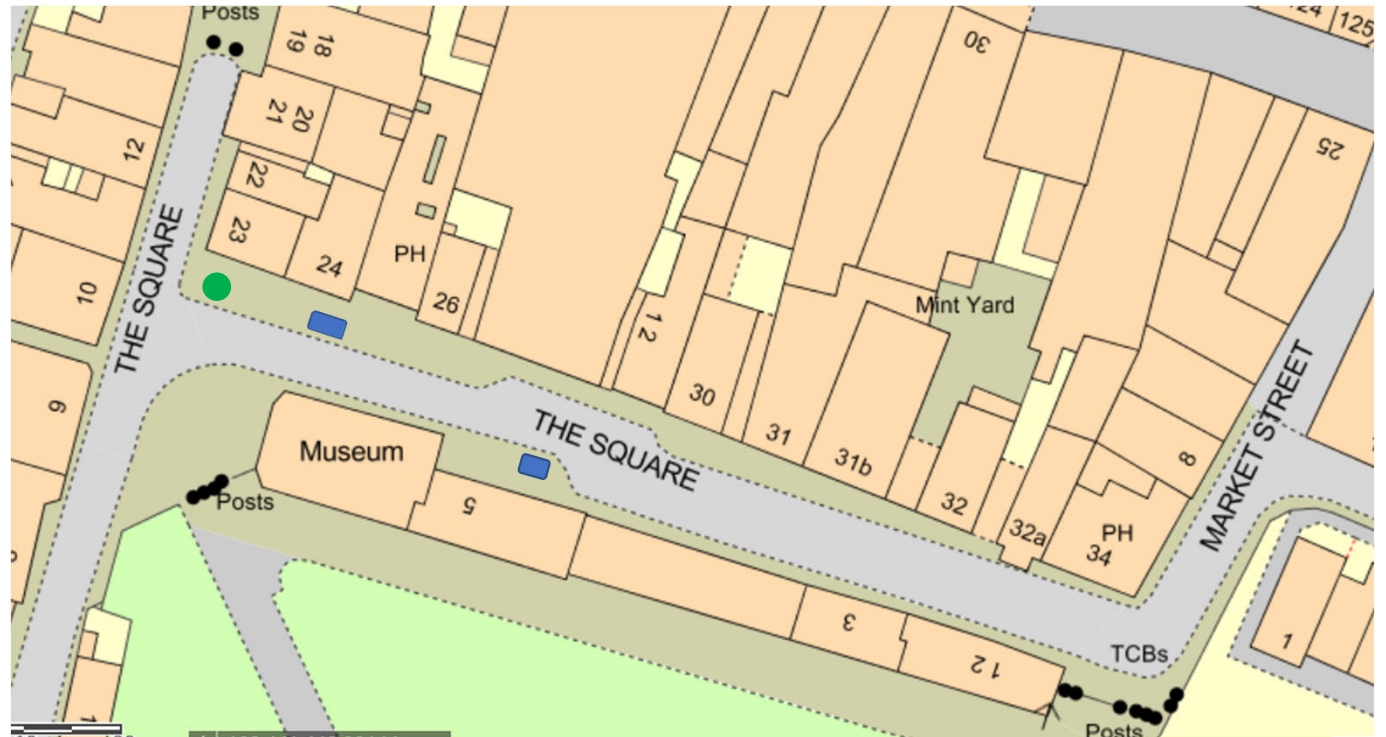

- Replace existing stands
- Install a shelter at MBS car park
- Provide cycle lockers
- Install additional stands as part of Kings Walk
- Create a 'cycle hub'
- Create a cycle maintenance area
- Provide cargo / trailer bike parking

# The Square / Cathedral

- Install additional stands along The Square
- Need around the Cathedral

## Kingsgate / College Street

- Very little off-road space to install cycle parking
- Work with HCC on potential on-road solutions

## Please provide feedback on;

- 🏰 Priority locations discussed
- 🏰 Additional areas identified as gaps / requiring additional capacity
- 🏰 Types of cycle parking provision
- 🏰 Development of a 'Cycle Hub' in the city
