# STATION APPROACH THE JOURNEY

#### Summer/Autumn 2022

- Initial consultation on vision
- Capacity study informed by feedback and technical input

# Spring/Summer 2023

- Preparation of masterplan
- Community and stakeholder engagement on development and delivery options

## Spring/Summer 2024

• Full business case developed

## Winter 2022/23

- Feedback to community on consultation and capacity study findings
- Create strategic outline business case for approval by Cabinet

## Winter 2023/24

- Cabinet decision on development and delivery options
- Outline business case refined

# 2025 onwards

Depending on what is decided in the full business case we might consider:

- Submitting a planning application or;
- Identifying a development partner to prepare and submit the planning application
