In relation to the sub-committee meeting due next Monday in relevance our review for PREM 764 I would like to note to things to present to the committee.

Firstly Emily Strudwick will no longer be attending however I will be now bringing, with your permission, our branch manager Christopher Dike (who has been present for every event night since we started). I will share the paperwork with him.

Secondly can you please add that we will be offering and happy to accept the following conditions to our license:-

- 1) Bottle Bins will not be emptied between the hours of 2000 - 0900.
- 2) Live or Recorded music will only be licensed for 1 event per week exceeding no longer than two hours per event.
- 3) In addition to the 1 event per week the following special days will also be granted a live and recorded music event; Valentines Day, Mothers Day, Fathers Day, Christmas Eve, New Years Eve.
- 4) Live and recorded music can only take place between the hours of 1800 - 2200 during it's 1 event per week allowance.

Please confirm you've received this and it's been added to the paperwork.

I will be submitting a number of supporting documents within the next few days to also be added, if possible. I will ensure you have these no later than close of play Thursday

George
