

Planning Viewing Sub Committee – 9 October 2018

Draft Minute Extract – 20 September 2018

Item 9: Proposed Single Storey Rear Extension

The Nook, Bank Street Bishops Waltham

Case number: 18/01503/HOU

The Head of Development Management referred Members to the Update Sheet which set out an additional public comment received with concern raised regarding the adjacent garden path as shown in attached photographs. The Head of Development Management also clarified that the proposal's projection should state 4.1 metres and not 6.3 metres as set out in the Report.

During public participation, Paula Turner, and Robert Shields, Bishops Waltham Parish Council, spoke in objection to the application and Simon Eatwell, applicant, spoke in support of the application and answered Members' questions thereon.

The Committee agreed to defer the decision to a meeting of the Planning (Viewing) Sub Committee to be held on Tuesday 9 October 2018 to commence at 11:00am. The Planning (Viewing) Sub Committee would visit the site before the meeting in order to assess the impact of the proposed single storey rear extension on neighbouring properties.
