# Officers recommendation Refuse

## Reasons for refusal

1. The proposed development would represent undesirable additional dwelling for which there is no overriding justification in an area of countryside contrary to Policy MTRA4 of the Winchester District Local Plan Part 1 - Joint Core Strategy.
2. The proposed development is contrary to Policy CP15 and CP16 of the Winchester District Local Plan Part 1 - Joint Core Strategy, in that it fails to protect and enhance biodiversity across the District by failing to make appropriate provision for the Solent Disturbance and Mitigation Charge Zone. As a result, it is considered that the proposed development would result in significant harm to the Special Protection Area (SPA) and the species that it supports, therefore contravening the legal requirements of the Wildlife and Countryside Act 1981, the Habitat Regulations. The proposal is also contrary to Regulations 63 and 64 of The Conservation of Habitats and Species Regulations 2017 and Policy CP16 of Local Plan Part 1 as it is considered that the proposal will have a likely significant effect on a National protected site through an increase in nitrate input which has not been addressed.
3. Insufficient information has been submitted with the application to ensure a safe access and egress to the site contrary to Policy CP13 of the Local Plan Part 1 and Policy DM17 and DM18 of the Local Plan Part 2.
4. The application fails to accord with policies CP15 and CP16 of the Local Plan Part 1 in that the site has insufficient ecological information has been submitted. Therefore, impact on the local ecology cannot be assessed.
