Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. All planning for the event will be in line with recommendations laid out in the online 'Purple Guide' and HSG154 Managing Crowds Safely and will be planned in strong consultation with local authorities and licensing staff via regular meetings starting no less than 3 months before the proposed start date of any activities on the site.
2. The final site layout shall be as agreed with the event health and safety advisor and Security consultant and all statutory authorities (which includes but is not limited to members of the council events department, licensing, highways, parking, and blue light services.)
3. There shall be at least one personal licence holder in the bar present whilst the bars is in operation. Furthermore, whenever the premises are open to the public the Designated Premises Supervisor shall be present within the licensed premises.
4. Plastic glasses or cans will be used at the bar. Where a drink is in a bottle and this is not plastic, the contents of said

Continued from previous page...

bottle will be decanted into a plastic glass.

5. The boundaries of the licensed premises will be clearly fenced and marked so that staff, interested parties, police and members of the public can clearly see what areas are licensed.
6. No event shall take place until an Event Management Plan has been submitted to and approved by all other relevant statutory bodies.
7. All core event staff and personnel will be issued with a radio and will be in contact with event control.
8. All licensed door staff will use radios to contact each other and will wear hi-visibility arm bands with their SIA badge clearly on display. They will also be in high visibility jackets or similar and should be clearly identifiable as security.
9. All stewards will wear high visibility jackets or similar and should be clearly identifiable as stewards.

b) The prevention of crime and disorder

10. The appointed security contractor will provide SIA registered security staff provision, including the mix of male/female staff will be based on a risk assessment carried out no less than one month before any event.
11. Outside the permitted hours for alcohol, all alcoholic drinks shall be secured safely to prevent their sale or theft.
12. Any patrons displaying signs of drunkenness or use of drugs will be ejected from the premises where it is safe to do so or admitted to onsite welfare facilities until they are deemed safe to be ejected. Where anti-social behaviour is observed in connection with alcohol or drugs the patron will be ejected when safe to do so.
13. Refusal log books will be completed for any refusal of the sale of alcohol. There will be one book at every bar and will be made available upon request to officers from Winchester City Council, Trading Standards or Hampshire Constabulary.

c) Public safety

14. Security will be posted at key locations, as identified within the EMP and agreed with all relevant statutory authorities, around the event site to ensure the protection of adjoining residencies and businesses.
15. All drugs or illicit substances found or confiscated on site will be logged via radio at the point of confiscation and then returned to the event HQ where it will be securely stored and logged in a drugs book which shall be made available upon request to Officers from Hampshire Constabulary. All contraband along with seizure records will be handed to Hampshire Constabulary at the end of the event.
16. A dedicated area in the site, adjacent to the First Aid section, will be provided for welfare provision to treat and ensure the safety of any vulnerable patrons in the premises.
17. Adequate medical provision will be made available in line with calculations from the "Purple Guide" and following a risk assessment carried out by the medical provider.
18. An incident book will be completed for any incident that takes place within the licensed premises. The book will be made available upon request to officers from the Licensing Authority, Trading Standards and Hampshire Constabulary.
19. Waste management teams, alongside event staff will be engaged to ensure the event site is cleaned and returned to its previous condition.

d) The prevention of public nuisance

20. Attendees will be reminded of the residential location via digital media in advance of the event and clear signage throughout the event site will be used to remind and inform attendees of the proximity of residential areas.
21. Noise limits will be agreed with local authority noise management agents and adhered to vigorously. All residents within the area will be advised, by way of a letter drop, of any use of the premises, no less than one month before any event.

Continued from previous page...

A contact number will be provided in this letter drop for residents to be able to contact the noise management staff to ensure any complaints can be dealt with in a timely fashion.

22. Sufficient sanitary facilities will be made available within the premises to prevent public urination (as per the Event Management Plan).

23. Following discussion with Winchester City Council Environmental Protection team, noise limits will be set in advance. These limits will be implemented throughout the course of the build, de-rig and live dates.

24. The organisers will monitor on-site dB noise levels and ensure that set noise limits will be adhered to, with regular reading to be taken and recorded.

25. A dedicated festival 'hotline' will be in place for local residents to contact the festival organisers, enabling them to respond to noise disturbance concerns and react accordingly.

e) The protection of children from harm

26. Depending on the specific event, the site will either be restricted to people who are 18 years or older or it will be open to all ages. When applicable, anyone under the age of 18 will need to be accompanied by an adult. 2 people under 18 can be accompanied by one adult (exceptions due to circumstances will be made e.g. single guardians and large family groups). Vigorous ID checks will be carried out at the point of entry and sale for any age restricted products.

27. All age restricted sales training undertaken by staff members will be fully documented and recorded prior to being allowed to sell alcohol.

28. The premises will adopt a 'Challenge 25' policy whereby any person attempting to buy alcohol who appears to be under 25 will be asked for photographic ID as proof of their age. The only ID that will be accepted are valid passports and UK driving licences with a photograph or proof of age cards bearing the 'PASS' mark hologram. The list of approved ID may be amended or revised with the prior agreement of Hampshire Constabulary and the Licensing Authority without the need to amend the actual licence.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
