## PURPOSE

This report presents the audited Annual Financial Report 2021/21 which includes:

- a narrative statement (for noting); and
- the audited Statement of Accounts for the year ended 31 March 2022 (for approval).

The Accounts and Audit (Amendment) Regulations 2022 extend the publication deadline for 2021/22 audited accounts from the 30 July to 30 November 2022. The audit was not completed by this deadline so the council was unable to publish audited accounts. In accordance with regulation 10 of the Accounts and Audit Regulations 2015 (as amended) a notice was published on our website confirming this was due to the audit not being finished.

The Audit and Governance Committee has delegated powers to review and approve the annual Statement of Accounts. The Committee has specific responsibility to consider the appropriateness and application of accounting policies and whether there are any concerns arising from the financial statements' audit.

Elsewhere on the agenda the External Auditors have presented their Annual Results Report which includes a proposed unqualified opinion (AG090). The audit is still to be completed at the time of writing this report. The version of the accounts appended to this report may be subject to change if the audit identifies any material misstatements prior to the audit being concluded.

It is important that Members have considered the key issues contained in the Accounts. Members have had the opportunity to raise any queries regarding the Financial Statements in the period since the pre-audit accounts were issued in July and are once again requested to raise any matters of detail with the Corporate Head

of Finance in advance of the meeting.

RECOMMENDATIONS:

1. That the Committee approves the audited Statement of Accounts 2021/22 as set out in Appendix 1.  
or, in the case that audit work remains outstanding at the date of the committee:
2. That the Audit and Governance Committee delegates to the Chair of the Audit & Governance Committee the approval of the audited Statement of Accounts 2021/22, updated for any amendments resulting from the completion of the auditor's outstanding work.
3. That, on completion of the auditor's work, the Chair of the Audit & Governance Committee signs the Statement of Responsibilities on page 24 of Appendix 1 to certify the accounts and authorise their issue.

## IMPLICATIONS:

### 1 COUNCIL PLAN

- 1.1 *Your Services, Your Voice* - The preparation of the Annual Financial Report is fundamental to open and transparent accountability for public finances. Ensuring strong financial reporting and transparent stewardship of public funds underpins the council's ability to deliver all its outcomes but in particular the priority to ensure stable council finances.

### 2 FINANCIAL IMPLICATIONS

- 2.1 The planned fee for the audit of the 2021/22 accounts is £43,379. EY are seeking agreement from the fee setting body Public Sector Audit Appointments (PSAA) to rebase audit fees from the financial year 2019/20. The fee for the equivalent audit of the 2020/21 accounts is still not finalised, the auditor is seeking approval of a £33,318 scale fee variation for additional audit work undertaken to satisfy additional regulatory requirements, for which we are awaiting confirmation from PSAA that this is appropriate.
- 2.2 EY have raised in their client partnership meeting the proposal to increase fees for work they consider necessary in their assurance work on the Annual Financial Report 2021/22. Details have not yet been provided and it is not yet known how much the additional fee request will be.

### 3 LEGAL AND PROCUREMENT IMPLICATIONS

- 3.1 Local authorities in the UK are required to prepare their accounts in accordance with 'proper (accounting) practices' as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (the Code). The Code specifies the principles and practices of accounting, required to prepare financial statements that give a true and fair view of the financial position and transactions of a local authority.
- 3.2 The Audit and Accounts Regulations 2015 require an authority to conduct a review, at least once a year, of the effectiveness of its system of internal control and include a statement reporting on the review alongside the Statement of Accounts.
- 3.3 The necessity to conform to these Regulations and the Code is recognised accurately in this report. There are no direct legal implications.
