Dear Audit & Governance Committee Members

2021/22 Audit Results Report

We are pleased to attach our audit results report, summarising the status of our audit for the forthcoming meeting of the Audit & Governance Committee.

The audit is designed to express an opinion on the 2022 financial statements and address current statutory and regulatory requirements. This report contains our findings related to the areas of audit emphasis, our views on Winchester City Council's accounting policies and judgements and material internal control findings. Each year sees further enhancements to the level of audit challenge and the quality of evidence required to achieve the robust professional scepticism that society expects. We thank the management team for supporting this process.

This report is intended solely for the information and use of the Audit & Governance Committee, other members of the Council and senior management. It is not intended to be and should not be used by anyone other than these specified parties.

We welcome the opportunity to discuss the contents of this report with you at the Audit & Governance Committee meeting on 30 January 2023.

Yours faithfully

Kevin Suter

Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the PSAA website (<https://www.psaa.co.uk/audit-quality/statement-of-responsibilities/>). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment and further guidance (updated July 2021)" issued by the PSAA (<https://www.psaa.co.uk/managing-audit-quality/terms-of-appointment-and-further-guidance-1-july-2021/>) sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Audit & Governance Committee members and management of Winchester City Council in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the Audit & Governance Committee, and management of Winchester City Council those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit & Governance Committee members and management of Winchester City Council for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

01 Executive Summary

Executive Summary

Scope update

In our audit planning report presented at the 21 July 2022 Audit & Governance Committee meeting, we provided you with an overview of our audit scope and approach for the audit of the financial statements. We carried out our audit in accordance with this plan, with the following amendments:

- Changes in materiality
We updated our planning materiality assessment using the draft financial statements. We also reconsidered our risk assessment and confirmed the basis for materiality continues to be appropriate.

	Planning Materiality	Performance Materiality	Audit Differences
Planning	£1.94 million	£1.46m	£0.10m
Final	£2.34 million	£1.76m	£0.12m

Portfolio heading changes

We noted in 2021/22 the Council have updated the Cost of Services headings within the Statement of Comprehensive Income and Expenditure in order to be in line with the new service line structure which was updated in 2021/22. In order to allow the user of the financial statements to compare one year to the next, the prior year figures have been restated in the CIES and EFA to reflect these updated service lines. We have reviewed the changes and performed testing on the remapping of the prior year figures to confirm the restatement has been completed correctly.

- Prior Year Restatement – Finance Lease

In the 2021/22 accounts, a prior period restatement has been recorded due an embedded finance lease for refuse vehicles, identified in the contract for waste and recycling collection services that commenced on 1st February 2021. In order to confirm the prior period restatement is accurate we have performed testing of the finance lease. We have also performed a further review of new material contracts in year to identify any potential further embedded leases in 21/22.

Executive Summary

Status of the audit

We have substantially completed our audit of Winchester City Council's financial statements for the year ended 31/3/2022 and have performed the procedures outlined in our Audit Planning Report. Subject to satisfactory completion of the following outstanding items we expect to issue an unqualified opinion on the Council's financial statements in the form which appears at Section 3:

- Completion of PPE & IP valuation testing following receipt of updated valuation for 1 asset
- Completion of Pensions Liability testing following receipt of Pension Fund auditor IAS19 response to our assurance request letter
- Final manager and partner review of completed audit work
- Receipt of the Letter of Representation
- Receipt of the final, approved, accounts.
- Completion of audit procedures to assess potential events after the balance sheet date, up to the date of signing the audit report.

Page 18

Auditor responsibilities under the Code of Audit Practice 2020

Under the Code of Audit Practice 2020 we are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. The 2020 Code requires the auditor to design their work to provide them with sufficient assurance to enable them to report to the Council a commentary against specified reporting criteria (see below) on the arrangements the Council has in place to secure value for money through economic, efficient and effective use of its resources for the relevant period.

The specified reporting criteria are:

- Financial sustainability
How the Council plans and manages its resources to ensure it can continue to deliver its services;
- Governance
How the Council ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness:
How the Council uses information about its costs and performance to improve the way it manages and delivers its services.

Executive Summary

Status of the audit – Value for Money

Our work on the Value for Money commentary to be included in the Auditors Annual Report has been significantly completed. We can confirm at this stage we have not identified any risk of significant weakness against the three reporting criteria we are required to consider under the NAO's 2020 Code.

Recognising the pressures in the local audit system, the NAO's guidance for 2021/22 allows the Auditors Annual Report to be issued 3 months after giving the opinion on the financial statements.

Audit differences

Details on audit differences can be found in Section 4 Audit Differences.

Page 1

Other reporting issues

We have reviewed the information presented in the Annual Governance Statement for consistency with our knowledge of the Council. We have no matters to report as a result of this work.

We are still to perform the procedures required by the National Audit Office (NAO) on the Whole of Government Accounts submission, as the instructions are yet to be issued for 2021/22. We expect that the Council will remain below the de-minimis for full procedures. Therefore, we anticipated having no issues to report. However, we will not be able to issue the audit certificate at the same time as the audit opinion, as we cannot certify the completion of the audit until this work is completed.

We have no other matters to report.

Executive Summary

Areas of audit focus

In our Audit Plan we identified a number of key areas of focus for our audit of the financial report of Winchester City Council. This report sets out our observations and status in relation to these areas, including our views on areas which might be conservative and areas where there is potential risk and exposure. Our consideration of these matters and others identified during the period is summarised within the "Areas of Audit Focus" section of this report.

Fraud Risk: Risk of fraud in revenue and expenditure recognition – inappropriate capitalisation of revenue expenditure

- Work in this area is complete – no matters to report.

Significant risk: Valuation of Land and Buildings Inc. Investment Properties (FV/EUV)

- Work in this area is complete substantially complete subject to receiving amendments to valuations

48-50 High Street (Lloyds)

- We have an agreed difference in valuation of the Investment Property 48-50 High Street
- No other matters to report

Page 10

Other Area of Audit Focus: Pension Liability Valuation

Work in this area is substantially complete subject to receipt of the IAS19 response from the Pension Fund Auditor – currently no matters to report.

We request that you review these and other matters set out in this report to ensure:

- There are no residual further considerations or matters that could impact these issues
- You concur with the resolution of the issue
- There are no further significant issues you are aware of to be considered before the financial report is finalised

There are no matters, other than those reported by management or disclosed in this report, which we believe should be brought to the attention of the Council or Management.

Executive Summary

Control observations

We have adopted a fully substantive approach, so have not tested the operation of controls.

As part of our work, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to you significant deficiencies in internal control identified during our audit.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

Based on our work performed to date we have made the following control observations.

- Review of contracts - A prior period restatement has been performed in the accounts within the balance sheet and associated Property Plant and Equipment and Finance Lease Liabilities disclosure notes. The restatement has also been detailed in Note 4 of the financial statements. This restatement has occurred as a result of the Council identifying a material embedded lease following review of the refuse contract which was signed towards the end of 20/21. As part of the 2021/22 accounts conclusion the Council has performed a review of new material contracts in year to determine whether there are any additional embedded leases. As part of our own contract review procedures we have also confirmed there are no embedded leases in new material contracts in year. We request that contract reviews are completed in a timely manner to ensure material items such as embedded leases are included in the appropriate accounting period.

21 Related Party Transactions- In order to appropriately report related party transactions in the financial statements, we expect the Council to maintain an up to date register of interests. This is achieved through members and senior officers submitting their declaration of interests annually. During our testing we noted several instances of members not providing a submission in 2021/22, although it is noted the majority of members have made a timely submission. While we have been able to obtain alternative evidence to satisfy ourselves the Related Parties Transactions note is accurate, in future years we request that annual submissions are completed in all cases. Prior to a member/senior officer leaving the Council mid year, their submission should be obtained prior to their departure.

Independence

Please refer to Section 9 for our update on Independence.

02 Areas of Audit Focus

Areas of Audit Focus Significant risk

Misstatements due to fraud or error

What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error.

As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

We identify and respond to this fraud risk on every audit engagement.

What judgements are we focused on?

Our assessment of risk led us to create a series of criteria for the testing of journals, focusing specifically on areas that could be open to management manipulation. We have also focused specifically on capitalisation of assets as a potential area of manipulation, which is recorded as a separately identified Significant risk - Inappropriate capitalisation of revenue expenditure

What are our conclusions?

Our audit work to date has not identified any material issues, inappropriate judgements or unusual transactions which indicated that there had been any misreporting of the Council's financial position, or that management had overridden controls.

What did we do?

We carried out the following procedures:

- Identified fraud risks during the planning stages.
- Inquired of management about risks of fraud and the controls put in place to address those risks
- Understood the oversight given by those charged with governance of management's processes over fraud.
- Considered the effectiveness of management's controls designed to address the risk of fraud.
- Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements
- Assessed accounting estimates for evidence of management bias, and
- Evaluated the business rationale for significant unusual transactions.

Areas of Audit Focus

Significant risk

Risk of fraud in revenue recognition - inappropriate capitalisation of revenue expenditure

What is the risk?

Under ISA 240 there is a presumed risk that revenue may be misstated due to improper revenue recognition. In the public sector, this requirement is modified by Practice Note 10 issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.

From our risk assessment, we have assessed that the risk manifests itself through the potential to inappropriately capitalise revenue expenditure to improve the financial position of the general fund.

Capitalized revenue expenditure can be funded through borrowing with only minimal MRP charges recorded in the general fund, deferring the expenditure for 30+ years when the borrowing is repaid. Alternately, other sources such as capital receipts or grants could be inappropriately used to finance the expenditure.

Inappropriate classification of revenue expenditure as REFCUS (revenue expenditure funded by capital under statute) could also have the same impact, incorrectly removing the spend from the general fund through applying statutory overrides.

What did we do?

Our approach focused on the following:

- ▶ We selected a sample of PPE additions to test and confirm the item was appropriate to capitalise as per IAS 16 through agreement to evidence such as invoices and capital expenditure authorisations.
- ▶ We selected a sample of REFCUS items to test to confirm the appropriateness of the classification of these items

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.

We tested a sample of PPE additions and confirmed they met the capitalisation requirements under IAS16

We tested a sample of REFCUS items and confirmed they were appropriately classified

We have not identified any instances of inappropriate judgements being applied.

Areas of Audit Focus

Significant risk

What did we do?

We have:

- Considered the work performed by the Council's valuer, this included a review of the adequacy of the scope of the work performed, their professional capabilities and the results of their work;
- Consider the annual cycle of valuations to ensure that assets have been valued within a 5 year rolling programme as required by the Code for PPE;
- Considered any specific changes to assets that should have been communicated to the valuer;
- Sample tested key asset information used by the valuer in performing their valuation (e.g. floor plans to support valuations based on price per square metre);

Tested a sample of assets revalued in year to:

- Challenge the assumptions used by the Council's valuers by reference to external evidence and our EY valuation specialists (where necessary);
- Test journals for the valuation adjustments to confirm that they have been accurately processed in the financial statements;

- Instructed our own Property valuation team (EY Real Estates) to review a sample of EUV and FV valuations performed by the Council's Valuer;
- Reviewed assets not subject to valuation in 2021/22 to confirm that the remaining asset base is not materially misstated;
- Considered changes to useful economic lives as a result of the most recent valuation; and
- Tested accounting entries have been correctly processed in the financial statements

What are our conclusions?

Our work in this area is substantially complete. We await the final amended accounts to confirm the adjustments made following our work.

We have identified 3 misstatements following the work of our specialist EY Real Estates, who were engaged to test a sample of 4 key assets. They challenged the valuation of some assets as follows:

- [REDACTED]
- Winchester Sport and Leisure Park – the valuation approach did not take into consideration the actual build cost, which due to the recency of construction was considered to be a useful indicator of depreciated replacement cost
- [REDACTED]

Our local team testing has identified 1 misstatement in relation to 48-50 High Street (Lloyds). The valuation was overstated due to a double counting of the rent in the calculation.

The cycle of valuations was appropriate and we did not identify any material misstatements for assets not revalued.

We consider the useful economic lives of the assets to be reasonable and all accounting entries have been correctly processed in the financial statements.

Areas of Audit Focus

Significant risk

Valuation of Land and Buildings (FV/EUV) and Investment Properties

What is the risk?

Property, Plant and Equipment land and buildings (L&B) measured at Fair Value or Existing Use Value (EUV) and Investment Properties (IP) represent significant balances in the Council's accounts and are subject to valuation changes, impairment reviews and depreciation charges.

Material judgemental inputs and estimation techniques are required to calculate the year-end L&B and IP balances held in the balance sheet.

As the Council's asset base is significant, and the outputs from the valuers are subject to estimation, there is a higher risk that L&B and IP may be under/overstated or the associated accounting entries incorrectly posted. We are required to undertake procedures on the use of experts and assumptions underlying fair value estimates.

The risk is heightened for assets that may have been impacted by the Covid-19 pandemic, such as traditional retail assets, commercial property or other sectors impacted by the lockdown restrictions and their impact on the economy.

 Significant Risk

What judgements did we focus on?

We focused on the following:

- The reasonableness of the underlying assumptions used by the Council's expert – Wilks Head & Eve, including key assumptions of:
 - Yields
 - Future forecast income
 - Asset condition
- Ensuring the information supplied to the valuer in relation to Winchester City Council was complete and accurate
- Ensuring the accounting entries and disclosures made in the financial statements were consistent with the report from Wilks Head & Eve.

Areas of Audit Focus

Other areas of audit focus

Pension Liability Valuation

What is the risk?

The Code of Practice on Local Authority Accounting and IAS19 require the Authority to make extensive disclosures within its financial statements regarding the Local Government Pension Scheme (LGPS) in which it is a scheduled body.

The Council's current pension fund deficit is a material and sensitive item and the Code requires that this liability be disclosed on the Council's balance sheet. The information disclosed is based on the IAS 19 report issued to the Council by the actuary to the administering body. Accounting for this scheme involves significant estimation and judgement. ISAs (UK and Ireland) 500 and 540 require us to undertake procedures on the use of management experts and the assumptions underlying fair value estimates.

What judgements are we focused on?

We focused on the following:

27. The reasonableness of the underlying assumptions used by the Council's expert – Aon Hewitt.
- Ensuring the information supplied to the actuary in relation to Winchester City Council was complete and accurate
- Ensuring the accounting entries and disclosures made in the financial statements were consistent with the report from Aon Hewitt.

What are our conclusions?

To date our testing has identified no material misstatements. We await the response from the Pension Fund auditor providing assurance over the IAS19 figures submitted to the actuary, and the results of their testing of the pension fund asset values.

The values and entries from the actuarial report were correctly reflected in the Council's financial statements.

We have assessed the work of the Pension Fund Actuary, relying on the work of PWC and the EY Actuarial team which confirmed there were no findings in respect to the actuarial assumptions.

The results of the EY pensions specialist has confirmed the actuarial estimate to be accurate within a reasonable range.

What did we do?

- Liaised with the auditors of the administering authority (Hampshire County Council), to obtain assurances over the information supplied to the actuary in relation to Winchester CC.
- Assessed the work of the Pension Fund actuary including the assumptions they have used by relying on the work of PWC - Consulting Actuaries commissioned by National Audit Office for all Local Government sector auditors, and considering any relevant reviews by the EY actuarial team.
- Reviewed and tested the accounting entries and disclosures made within the Council's financial statements in relation to IAS19.
- In accordance with the ISA540 (revised) standard, we tested the actuarial model to confirm it is appropriately designed, consistently applied and mathematically accurate. We involved our EY Pensions specialists to perform this work.

03 Audit Report

Draft audit report

Our opinion on the financial statements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WINCHESTER CITY COUNCIL

Opinion

We have audited the financial statements of Winchester City Council (the Council) for the year ended 31 March 2022 under the Local Audit and Accountability Act 2014 (as amended). The financial statements comprise the:

- Movement in Reserves Statement,
- Comprehensive Income and Expenditure Statement,
- Balance Sheet,
- Cash Flow Statement,
- the related notes 1 to 29
- Housing Revenue Account Income and Expenditure Statement and the related notes 1 to 6
- Collection Fund and the related notes 1 to 3

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

In our opinion the financial statements:

- give a true and fair view of the financial position of Winchester City Council as at 31 March 2022 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical

Standard and the Comptroller and Auditor General's (C&AG) AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Responsible Financial (s151) Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Council's ability to continue as a going concern for a period of 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Responsible Financial (s151) Officer with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Council's ability to continue as a going concern.

Other information

The other information comprises the information included in the Financial Report, other than the financial statements and our auditor's report thereon. The S151 Officer is responsible for the other information contained within the Financial Report

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Draft audit report

Our opinion on the financial statements

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 (as amended)
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014 (as amended)
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 (as amended)
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 (as amended)
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014 (as amended)
- we are not satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2022.

We have nothing to report in these respects

Responsibility of the Responsible Financial (s151) Officer

As explained more fully in the Statement of Responsibilities set out on page 24, the Responsible Financial (s151) Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, and for being satisfied that they give a true and fair view and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Responsible Financial (s151) Officer is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intends to cease operations, or have no realistic alternative but to do so.

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Audit Report

Draft audit report

Our opinion on the financial statements

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

We obtained an understanding of the legal and regulatory frameworks that are applicable to the Council and determined that the most significant are:

- Local Government Act 1972,
- Local Government and Housing Act 1989 (England and Wales),
- Local Government Finance Act 1988 (as amended by the Local Government Finance Act 1992),
- Local Government Act 2003,
- The Local Authorities (Capital Finance and Accounting) (England) Regulations 2003 as amended in 2018 and 2020,
- Planning Act 2008 and the Community Infrastructure Levy Regulations 2010 (SI 2010/948),
- The Local Audit and Accountability Act 2014 (as amended),
- The Accounts and Audit Regulations 2015,

In addition, the Council has to comply with laws and regulations in the areas of anti-bribery and corruption, data protection, employment Legislation, tax Legislation, general power of competence, procurement and health & safety.

We understood how Winchester City Council is complying with those frameworks by understanding the incentive, opportunities and motives for non-compliance, including inquiring of management, the head of internal

audit, those charged with governance and the monitoring officer and obtaining and reviewing documentation relating to the procedures in place to identify, evaluate and comply with laws and regulations, and whether they are aware of instances of non-compliance. We corroborated this through our review of the Council's committee minutes, and through the inspection of employee handbooks and other information. Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures had a focus on compliance with the accounting framework through obtaining sufficient audit evidence in line with the level of risk identified and with relevant legislation.

We assessed the susceptibility of the Council's financial statements to material misstatement, including how fraud might occur by understanding the potential incentives and pressures for management to manipulate the financial statements, and performed procedures to understand the areas in which this would most likely arise. Based on our risk assessment procedures, we identified, inappropriate capitalisation of revenue expenditure and management override of controls and to be our fraud risks.

To address our fraud risk of inappropriate capitalisation of revenue expenditure we tested the Council's capitalised expenditure to ensure the capitalisation criteria were properly met and the expenditure was genuine. We also tested a sample of REFCUS items to confirm they were appropriately classified.

To address our fraud risk of management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any identified significant transactions that were unusual or outside the normal course of business. These procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Audit Report

Draft audit report

Our opinion on the financial statements

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice 2020, having regard to the guidance on the specified reporting criterion issued by the Comptroller and Auditor General in December 2021, as to whether the Council had proper arrangements for financial sustainability, governance and improving economy, efficiency and effectiveness. The Comptroller and Auditor General determined these criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2022.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 (as amended) to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until we have completed the work necessary to issue our assurance statement in respect of the Council's Whole of Government Accounts consolidation pack. We are satisfied that this work does not have a material effect on the financial statements or on our work on value for money arrangements.

In addition, we cannot formally conclude the audit and issue an audit certificate until we have issued our Auditor's Annual Report for the year ended 31 March 2022. We have completed our work on the value for money arrangements and will report the outcome of our work in our commentary on those arrangements within the Auditor's Annual Report.

Until we have completed these procedures, we are unable to certify that we have completed the audit of the accounts in accordance with the requirements of the Local Audit and Accountability Act 2014 (as amended) and the Code of Audit Practice issued by the National Audit Office.

Use of our report

This report is made solely to the members of Winchester City Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 (as amended) and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Council and the Council's members as a body, for our audit work, for this report, or for the opinions we have formed.

Audit Differences

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as "known" or "judgemental". Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

Summary of adjusted and unadjusted differences

We highlight the following misstatements greater than £1.76m which have been corrected by management that were identified during the course of our audit:

- There were two corrections made within the Cash flow statement
 - £2m adjustment between Operating and Investing Cash flows from proceeds from the sale of PPE – nil impact to bottom line
 - £2m adjustment within Investing Cash flows which net off within the note relating to proceeds and purchases of Short and Long Term Investments – nil impact to bottom line

P Council as Lessor of Investment Properties – an amendment to both the current and prior year disclosure for future minimum lease rentals receivable as the disclosure had incorrectly included a contingent rent. The impact on the Future minimum lease rentals was a downwards revision of approximately £6m in both the current and prior year disclosure.

34 We report to you any uncorrected misstatements greater than our nominal value of £1.17k.

There are four misstatements to bring to your attention at the time of writing this report, based on the preliminary findings of our valuation specialists and the work completed by the local audit team. We are aware that several of these differences will be amended for in the final accounts.

- PPE Valuation (Winchester Sport and Leisure Park) judgemental misstatement (understatement) of £5,679k
- Investment Properties (48-50 High Street (Lloyds)) factual misstatement (overstatement) of £498k

A number of immaterial adjustments in the disclosure notes and associated narrative were also requested.

04 Audit Differences

05 Value for Money

Value for money

The Council's responsibilities for value for money (VFM)

The Council is required to maintain an effective system of internal control that supports the achievement of its policies, aims and objectives while safeguarding and securing value for money from the public funds and other resources at its disposal.

As part of the material published with its financial statements, the Council is required to bring together commentary on its governance framework and how this has operated during the period in a governance statement. In preparing its governance statement, the Council tailors the content to reflect its own individual circumstances, consistent with the requirements set out in the CIPFA code of practice on local authority accounting. This includes a requirement to provide commentary on its arrangements for securing value for money from their use of resources.

Risk assessment and status of our VFM work

We have previously reported to the Council that our assessment of the risk of significant weaknesses in the Council's VFM arrangements remained ongoing, but at this stage we have not identified any risks.

We have completed our procedures and have not identified any risks of significant weaknesses in the Council's arrangements.

We plan to issue the VFM commentary within 3 months of the date of signing the opinion as part of issuing the Auditor's Annual Report.

06 Other reporting issues

Other reporting issues

Other reporting issues

Consistency of other information published with the financial statements, including the Annual Governance Statement

We must give an opinion on the consistency of the financial and non-financial information in the Financial Report 2021/22 with the audited financial statements

We must also review the Annual Governance Statement for completeness of disclosures, consistency with other information from our work, and whether it complies with relevant guidance.

Financial information in the Narrative Statement and published with the financial statements was consistent with the audited financial statements

We have reviewed the Annual Governance Statement and can confirm it is consistent with other information from our audit of the financial statements and we have no other matters to report.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review, and the nature of our report, is specified by the National Audit Office. We are unable to complete the WGA procedures as the NAO has yet to issued the group instruction as HM Treasury have yet to issue the guidance to Local Authorities for 2021/22.

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Council to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

We also have a duty to make written recommendations to the Council, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We did not identify any issues.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the Winchester City Council's financial reporting process. We have no other matters to report.

07 Assessment of Control Environment

Assessment of Control Environment

Financial controls

It is the responsibility of the Winchester City Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Winchester City Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not tested the operation of controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

Based on our work performed to date we have made the following control observations.

Review of contracts - A prior period restatement has been performed in the accounts within the balance sheet and associated Property Plant and Equipment and Finance Lease Liabilities disclosure notes. The restatement has also been detailed in Note 4 of the financial statements. This restatement has occurred as a result of the Council identifying a material embedded lease following review of the refuse contract which was signed towards the end of 20/21. As part of the 2021/22 accounts conclusion the Council has performed a review of new material contracts in year to determine whether there are any additional embedded leases. As part of our own contract review procedures we have also confirmed there are no embedded leases in new material contracts in year. We request that contract reviews are completed in a timely manner to ensure material items such as embedded leases are included in the appropriate accounting period.

- Related Party Transactions - In order to appropriately report related party transactions in the financial statements, we expect the Council to maintain an up to date register of interests. This is achieved through members and senior officers submitting their declaration of interests annually. During our testing we noted several instances of members not providing a submission in 21/22, although it is noted the majority of members have made a timely submission. While we have been able to obtain alternative evidence to satisfy ourselves the Related Parties Transactions note is accurate, in future years we request that annual submissions are completed in all cases. Prior to a member/senior officer leaving the Council mid year, their submission should be obtained prior to their departure.

We considered whether circumstances arising from COVID-19 resulted in a change to the overall control environment of effectiveness of internal controls, for example due to significant staff absence or limitations as a result of working remotely. We identified no issues which we wish to bring to your attention

08 Data Analytics

Data analytics – Journal Entries

Analytics Driven Audit

Data Analytics

We used our data analysers to enable us to capture entire populations of your financial data. These analysers:

- Help identify specific exceptions and anomalies which can then be the focus of our substantive audit tests; and
- Give greater likelihood of identifying errors than traditional, random sampling techniques.

In 2021/22, our use of these analysers in the Council's audit included gaining a deeper understanding of the data sources which are used in each Significant Class of Transactions and therefore allowing us to tailor our testing accordingly dependant on the nature of the source entries. We tested specific journal entries which we deem to have the highest inherent risk to the audit, including unusual transactions not consistent with the rest of the population.

We capture the data through our formal data requests and the data transfer takes place on a secured EY website. These are in line with our EY data protection policies which are designed to protect the confidentiality, integrity and availability of business and personal information.

Journal Entry Analysis

We obtain downloads of all of the Council's financial ledger transactions posted in the year. We perform completeness analysis over the data, reconciling the sum of transactions to the movement in the trial balances and financial statements to ensure we have captured all data. Our analysers then review and sort transactions, allowing us to more effectively identify and test journals that we consider to be higher risk, as identified in our audit planning report.

Independence

09

Independence

The FRC Ethical Standard requires that we provide details of all relationships between Ernst & Young (EY) and the Council, and its members and senior management and its affiliates, including all services provided by us and our network to the Council, its members and senior management and its affiliates, and other services provided to other known connected parties that we consider may reasonably be thought to bear on the our integrity or objectivity, including those that could compromise independence and the related safeguards that are in place and why they address the threats.

There are no relationships from 1 April 2021 to the date of this report, which we consider may reasonably be thought to bear on our independence and objectivity.

Services provided by Ernst & Young

The next page includes a summary of the fees that you have paid to us in the year ended 31 March 2022 in line with the disclosures set out in FRC Ethical Standard and in statute. Full details of the services that we have provided are shown below.

As at the date of this report, no written proposal to provide non-audit services has been submitted.

We confirm that for 2021/22 we have not undertaken non-audit work.

Independence

Confirmation and analysis of Audit fees

We confirm there are no changes in our assessment of independence since our confirmation in our audit planning board report.

We complied with the APB Ethical Standards. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you and your Audit & Governance Committee consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Council.

Our fees continue to include the scale fee rebasing figure submitted in the prior year to properly account for the increased audit and quality requirements as well as an increased regulatory challenge on the depth and quality of assurance provided by audit suppliers. This submission is still with the PSAA for their consideration.

As part of our reporting on our independence, to the right we set out a summary of the fees you have paid us in the year ended 31 March 2022.

We confirm that we have not undertaken non-audit work.

Description	Final Fee 2021/22 £	Planned Fee 2021/22 £	Final Fee 2020/21 £
Scale Fee	43,379	43,379	43,379
Scale Fee Rebasing (1)	17,153	17,153	15,075
Revised Proposed Scale Fee	60,532	60,532	58,454
Scale Fee Variation (2)	14,682*	8,500	9,069
Total Audit Fee	75,214*	69,302	67,523

(1) As detailed in our 2020/21 Auditor's Annual Report we have submitted a proposed rebasing of the scale fee. PSAA have approved the 20/21 Scale Fee Variation (including rebasing element) as shown. We continue to record the same rebasing figure for 21/22 as we submitted for 20/21.

(2) For 2021/22, the scale fee will be impacted by a range of factors which has resulted in additional work. The issues we have identified which will impact on the fee include:

- The need to engage EY Real Estate to review a small number of PPE/IP assets. Estimated value £2,500
- The need to engage EY Pensions to review assumptions used in the Pensions IAS19 liability. Estimated value £1,000.
- Work to review the portfolio heading changes and Finance Lease Liability prior year restatements. Estimated value £1,500
- Additional work undertaken on aspects of housing benefit income and expenditure which would previously have been performed as part of HB certification and Additional work performed in relation to Pension Fund IAS 19 data submission procedures undertaken for admitted bodies. Value £1,182

Independence

Appendix A

Required communications with the Audit & Governance Committee

There are certain communications that we must provide to the those charged with governance of UK entities. We have detailed these here together with a reference of when and where they were covered:

Required communications		What is reported?	Our Reporting to you
Terms of engagement		Confirmation by the Audit & Governance Committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	 When and where
Our responsibilities Planning and audit approach	Reminder of our responsibilities as set out in the engagement letter.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies	Audit Planning Report – July 2022
	Communication of the planned scope and timing of the audit, any limitations and the significant risks identified.		Audit Planning Report – July 2022
Significant findings from the audit	When communicating key audit matters this includes the most significant risks of material misstatement (whether or not due to fraud) including those that have the greatest effect on the overall audit strategy, the allocation of resources in the audit and directing the efforts of the engagement team.		
	• Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures • Significant difficulties, if any, encountered during the audit • Significant matters, if any, arising from the audit that were discussed with management • Written representations that we are seeking • Expected modifications to the audit report • Other matters if any, significant to the oversight of the financial reporting process		Audit Results Report – January 2023

Appendix A

Required communications		What is reported?	Our Reporting to you
Going concern		Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including: - Whether the events or conditions constitute a material uncertainty related to going concern - Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements - The appropriateness of related disclosures in the financial statements	When and where No conditions or events were identified, either individually or together to raise any doubt about Winchester City Council's ability to continue for the 12 months from the date of our report
Misstatements		- Uncorrected misstatements and their effect on our audit opinion, unless prohibited by law or regulation - The effect of uncorrected misstatements related to prior periods - A request that any uncorrected misstatement be corrected - Material misstatements corrected by management	Audit Results Report – January 2023
Subsequent events		Enquiry of the Audit & Governance Committee where appropriate regarding whether any subsequent events have occurred that might affect the financial statements.	Audit Results Report – January 2023
Fraud		- Enquiries of the audit committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity - Any fraud that we have identified or information we have obtained that indicates that a fraud may exist - Unless all of those charged with governance are involved in managing the entity, any identified or suspected fraud involving: a. Management; b. Employees who have significant roles in internal control; or c. Others where the fraud results in a material misstatement in the financial statements. - The nature, timing and extent of audit procedures necessary to complete the audit when fraud involving management is suspected - Any other matters related to fraud, relevant to Audit & Governance Committee responsibility.	Audit Results Report – January 2023

Appendix A

Required communications		What is reported?	Our Reporting to you
Related parties		When and where	
	Significant matters arising during the audit in connection with the entity's related parties including, when applicable:	Audit Results Report – January 2023	
	• Non-disclosure by management • Inappropriate authorisation and approval of transactions • Disagreement over disclosures • Non-compliance with laws and regulations • Difficulty in identifying the party that ultimately controls the entity		
	Communication of all significant facts and matters that bear on EY's, and all individuals involved in the audit, objectivity and independence. Communication of key elements of the audit engagement partner's consideration of independence and objectivity such as: • The principal threats • Safeguards adopted and their effectiveness • An overall assessment of threats and safeguards • Information about the general policies and process within the firm to maintain objectivity and independence	Audit Results Report – January 2023	
	Independence		
	External confirmations	• Management's refusal for us to request confirmations • Inability to obtain relevant and reliable audit evidence from other procedures.	We have received all requested confirmations
	Consideration of laws and regulations	• Subject to compliance with applicable regulations, matters involving identified or suspected non-compliance with laws and regulations, other than those which are clearly inconsequential and the implications thereof. Instances of suspected non-compliance may also include those that are brought to our attention that are expected to occur imminently or for which there is reason to believe that they may occur • Enquiry of the Audit & Governance Committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the audit committee may be aware of	We have asked management and those charged with governance. We have not identified any material instances or non-compliance with laws and regulations

Appendix A

Our Reporting to you	When and where
What is reported?	

Required communications	
Significant deficiencies in internal controls identified during the audit	We have not identified any significant deficiencies in internal controls
Written representations we are requesting from management and/or those charged with governance	Audit results report – January 2023
Material inconsistencies or misstatements of fact identified in other information which management has refused to revise	Audit results report – January 2023
Key audit matters that we will include in our auditor's report	Audit results report – January 2023
Any circumstances identified that affect the form and content of our auditor's report	No such circumstances identified

Draft Management Representation Letter

Management Rep Letter

[To be prepared on the entity's letterhead]

Kevin Suter

Ernst & Young LLP

Grosvenor House

Grosvenor Square

Southampton

Hampshire

SO15 2BE

This letter of representations is provided in connection with your audit of the financial statements of Winchester City Council ("the Council") for the year ended 31 March 2022. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial position of Winchester City Council as of 31 March 2022 and of its income and expenditure for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code

of Practice on Local Authority Accounting in the United Kingdom 2021/22.

2. We acknowledge, as members of management of the Council, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Council in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22. We have approved the financial statements.

3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.

4. As members of management of the Council, we believe that the Council has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, that are free from material misstatement, whether due to fraud or error. We have

disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic and of the conflict and related sanctions in Ukraine, Russia and/or Belarus on our system of internal controls on our system of internal controls.

5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We have not corrected these differences identified by and brought to the attention from the auditor because [specify reasons for not correcting misstatement]

B. Non-compliance with law and regulations, including fraud

1. We acknowledge that we are responsible to determine that the Council's activities are conducted in accordance with laws and regulations and that we are responsible to identify and address any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.

Management representation letter

Management Rep Letter

3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
 4. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Council (regardless of the source or form and including, without limitation, allegations by "whistleblowers") including non-compliance matters:
 - involving financial statements;
 - related to laws and regulations that have a direct effect on the determination of material amounts and disclosures in the Council's financial statements;
 - related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Authority's activities, its ability to continue to operate, or to avoid material penalties;
 - involving management, or employees who have significant roles in internal controls, or others; or
 - in relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.
- C. Information Provided and Completeness of Information and Transactions
1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

2. All material transactions have been recorded in the accounting records and all material transactions, events and conditions are reflected in the financial statements, including those related to the COVID-19 pandemic and including those related to the conflict and related sanctions in Ukraine, Russia and/or Belarus.
3. We have made available to you all minutes of the meetings of the Full Council, Cabinet and Audit and Governance Committee (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the year to the most recent meeting on the following date: 10 November 2022.
4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the year end. These transactions have been appropriately accounted for and disclosed in the financial statements.
5. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.
6. We have disclosed to you, and the Council has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.

Appendix B

Management representation letter

Management Rep Letter

7. From the date of our last management representation letter (16 December 2021) through the date of this letter we have disclosed to you any unauthorized access to our information technology systems that either occurred or to the best of our knowledge is reasonably likely to have occurred based on our investigation, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material impact to the financial statements, in each case or in the aggregate, and ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

D. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent, and have disclosed in the financial statements all guarantees that we have given to third parties.

E. Going Concern

1. Note 8 to the financial statements discloses all the matters of which we are aware that are relevant to the Council's ability to continue as a going concern, including significant conditions and events, our plans for future action, and the feasibility of those plans.

F. Subsequent Events

1. Other than as described in the financial statements, there have been no events, including events related to the COVID-19 pandemic, and including events related to the conflict and related sanctions in Ukraine, Russia and/or Belarus, subsequent to period end which require adjustment or disclosure in the financial statements or notes thereto.

G. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the Narrative Report and the Annual Governance Statement.
2. We confirm that the content contained within the other information is consistent with the financial statements.

H. Climate-related matters

1. We confirm that to the best of our knowledge all information that is relevant to the recognition, measurement, presentation and disclosure of climate-related matters has been considered and reflected in the financial statements.
2. The key assumptions used in preparing the financial statements are, to the extent allowable under the requirements of CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, aligned with the statements we have made in the other information or other public communications made by us.

I. Comparative information – corresponding financial information

1. CIES and EFA - Following an updated portfolio structure in 2021/22, the cost of services lines in the CIES and EFA have been adjusted accordingly and details of the restatement disclosed in Note 3 of the financial statements.
2. Finance Leases – Following a review of contracts, a material embedded finance lease for refuse vehicles was identified in the contract for waste and recycling collection services that commenced on 1st February 2021. Details have been provided in Note 4 of the financial statements.
3. The comparative amounts for both items have been correctly restated to reflect the above matters and appropriate note disclosure of these restatements have also been included in the current year's financial statements.

Appendix B

Management representation letter

Management Rep Letter

J. Reserves

1. We have properly recorded or disclosed in the financial statements the useable and unusable reserves.

K. Use of the Work of a Specialist

1. We agree with the findings of the specialists that we engaged to evaluate the IAS19 pension liability and disclosure, property, plant and equipment valuations and investment property valuations, and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

L. Estimates

1. We confirm that the significant judgments made in making the estimates for pension liabilities and the valuations of property, plant and equipment and investment properties have taken into account all relevant information of which we are aware.
2. We believe that the selection or application of the methods, assumptions and data used by us have been consistently and appropriately applied or used in making the estimates.
3. We confirm that the significant assumptions used in making the estimates appropriately reflect our intent and ability to carry out any relevant specific courses of action on behalf of the entity.

4. We confirm that the disclosures made in the financial statements with respect to the accounting estimates, including those describing estimation uncertainty and the effects of the COVID-19 pandemic, are complete and are reasonable in the context of the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

5. We confirm that appropriate specialized skills or expertise has been applied in making the estimates.

6. We confirm that no adjustments are required to the accounting estimates and disclosures in the financial statements, including due to the COVID-19 pandemic.

M. Retirement benefits

1. On the basis of the process established by us and having made appropriate enquiries, we are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with our knowledge of the business. All significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.

Yours faithfully,

(s151 Officer)

(Chair of the Audit & Governance Committee)

About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.
