Turn captions on or off ⌃

1. Go to the video that you'd like to watch.
2. If captions are available, ⬚cc will be visible in the bottom right-hand corner of the video player.
3. To turn on captions, click ⬚cc .
4. To turn off captions, click ⬚cc again.

Turn default setting to on or off ⌃

1. Click your profile picture 👤 .
2. Click **Settings** ⚙.
3. From the left-hand menu, click **Playback and performance**.
4. Tick or untick **Always show captions**.
5. Tick or untick **Include auto-generated captions (when available)**. This option turns on or off automatic captions for videos that don't have captions added.
