- 4.3 The Sub-Committee must have regard to all of the representations.
- 4.4 The Sub-Committee must take such of the following steps it considers appropriate to promote the Licensing Objectives:
- a) Grant the licence subject to conditions in accordance with the operating schedule (modified to such extent as the authority considers appropriate for the promotion of the licensing objectives) and the mandatory conditions;

The Sub-Committee should take account of the National Guidance and the Council's Licensing Policy with regard to terminal hours and take such steps as it considers appropriate to promote the Licensing Objectives.

(Licensing Policy 2.22 Part 4, A8, C4)

(Licensing Policy 1.9, 2.9 - 2.11, 2.17, 2.19 – 2.21 and Part 4 Section A)

Public Safety

The Sub-Committee should consider any appropriate conditions relating to public safety having regard to the relating to the premises having regard to the operating schedule and the representations.

Public Nuisance

Protection of Children

The Sub-Committee should consider any necessary conditions for the Protection of Children relating to the premises having regard to the operating schedule and the representations.

Human Rights

It is considered that Articles 6 (right to a fair trial) 8 (right to respect for private and family life) and Article 1 of the First Protocol (right to peaceable enjoyment of possessions) may be relevant. As there is a right of appeal to the Magistrates' Court, it is considered that there would be no infringement of Article 6. Article 8 is relevant, insofar as the nearby residents could claim that this right would be infringed by disturbance from customers. This should be balanced against the applicants' right to use of their premises under Article 1 of the First Protocol. Interference with these rights is permitted, where this interference is lawful, appropriate in a democratic society, and proportionate. Likewise, the residents may argue that their rights under Article 1 of the First Protocol would be infringed. If conditions are imposed, there should be no interference with any convention rights. To the extent that any interference may occur, it would be justifiable in a democratic society, and proportionate.

Public Sector Equality Duty

The Public Sector equality duty must be taken in to consideration with all decision making. The duty is stated in section 149 of The Equality Act 2010. This application raises no considerations under this Act (or add details if it does).
