To approve capital expenditure of up to £75,000 to procure new racking for F2 storage facility and to incur associated revenue expenditure of up to £75,000 to procure the transportation, sorting and rationalisation of stone artefacts to F2. This is to facilitate the clearing of the Bar End Depo to enable disposal of the site. The budget was included in the capital strategy approved in February 2024 (CAB3443).

Reason for the Decision: A brief overview of your reasons for taking this course of action.

The collection of artifacts is managed on our behalf by Hampshire Cultural Trust. To enable the vacant possession of the Bar End Depot, it is essential to relocate the Bones Store which occupies a building within the Bar End Depo site. The relocation of the artifacts will also allow where possible the consolidation of collections.

Existing racking will be re-used where possible, but further racking is required.

Financial implications

Total Capital costs for the required works are estimated at £75,000.

Total Revenue costs for the required works are estimated at £75,000.

It is intended for the works to be undertaken late Summer 2024, works will be procured in accordance with Contract Procedure Rules.

Alternative Options Considered & Rejected: All alternative options considered need to be outlined here. Please include detail of any representations received. This will include your response to any alternatives suggested by those making representation and the reasons why these alternatives were rejected.

An alternative to not incurring the expenditure is to do nothing, this would mean the clearance of the Bar End Depot could not be finalised, and the site would not be available for vacant possession hindering any disposal.

Alternative locations for storage have been examined, there is at present, nor in the upcoming near future any available locations currently held vacant within the Corporate Portfolio.

Notes.

1) Why record officer decisions?

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 require local authorities to produce a written statement of an executive decision made by an officer as soon as is reasonably practicable after the decision is taken (see Paragraph 13). This written statement must include the information requested in the questions of the pro forma on the previous page.

2) What sort of decisions are there?

- a) **Key decisions.** A key decision is defined by Regulation 8 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2012 as being an executive decision which is likely:
- To result in the local authority incurring expenditure, which is or the making of savings which are significant having regard to the local authority's budget for the service or function to which the decision relates; **(For Winchester City Council, the financial limit above which a decision is regarded as significant is £250,000 per year), or;**
 - To be significant in terms of its effect on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

A decision taker may only make a key decision in accordance with the requirements of the Cabinet Procedure Rules, Access to Information Procedure Rules (Part 4) and the Officer Scheme of Delegation (Part 3) of this Constitution.

- b) **Non-Key Decisions.** Officers will usually take non-key executive decisions. A non-key decision is an executive decision that does not meet either criterion of a key decision as laid out above. These decisions are divided into significant operational decisions and administrative decisions.
- Significant Operational (Non-Key) Decisions.** This is a decision in relation to a Council or executive function which is not a key decision and results in one of the following:
 - Revenue expenditure or making savings (including the receipt or loss of income) between £100,000 and £250,000 per year;
 - Capital expenditure (i.e. if they involve entering into new commitments and/or making savings) and/or contract awards of between £100,000 and £250,000
 - When, in the opinion of the Chief Executive, the Section 151 Officer or Monitoring Officer, a published record of the decision is required to provide openness and transparency.
 - A significant decision should be recorded in order to comply with Regulation 13 (Recording of executive decisions made by individuals) of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 (No. 2089).
 - "Other" Decision.** Regulation 7 of the Openness of Local Government Bodies Regulation 2014 requires a written record to be produced as soon as reasonably practicable after an officer has made a decision under delegation which a) grants a permission or licence or b) affects the rights of an individual.
 - Administrative Decision:** *(these do not require recording on this form unless one or more of the following applies)*
 - There is a financial implication;
 - It is in conflict with the Budget and Policy Framework or other approved policies approved by full Council; and
 - It raises new issues of policy.

3) Which officer decisions need to be recorded on this form?

Officers need to record:

- any key decision, i.e., decisions that have a significant effect on 2 or more divisions, or have a cost/saving of £250,000 or more. (see 2A above)
- any Significant Operational Decisions. (see 2B (1) above)
- "Other" officer decisions regarding the granting of a permission or licence or that affect the rights of an individual (see 2B (2) above)
- Administrative decisions for which there is a financial implication.

4) What are the relevant processes to be followed?

For all decisions, the report author needs to complete the Forthcoming Decisions record in Sharepoint.

Establish which type of decision it is (see 2 A and 2B above.)

Most officer decisions require to be recorded on this form (see 3 above) Once completed, please ensure that it is reviewed by legal, finance and the relevant Director prior to signing. Once approved, the form should be forwarded to Democratic Services for adding to the Council's website where it can be viewed by members of the public on the decisions page (unless it is an Administrative decision).

Public Sector Equality Duty. Contact your Corporate Head of Service should you require any clarification regarding the council's Public Sector Equality, including whether you may need to complete an impact assessment as part of this decision record.
