RESTRICTED

Form for representations/objections from Hampshire Constabulary

This application to object relates to the following licensing objective(s)

- 1) The prevention of crime and disorder
- 2) Public safety
- 3) The prevention of public nuisance
- 4) The protection of children from harm

*Please select
one or more
boxes*

Please state the ground(s) for -representation-:

This application seeks to extend the licensable activity of late night refreshment (LNR) from 02:00 till 04:00 on Thursdays through to and including Saturday. This is to benefit from sales to the persons leaving the late night licensed premises in this part of the City.

These people will in the majority be in a state of intoxication, as such bravado and levels of aggression are increased. There is also a lack of self-control and impaired judgement. All of this leads to an increase in crime, disorder and anti-social behaviour and increases incidents of vulnerability, welfare and violence against women and girls (VAWG).

Incidents recorded upon the police record management system (RMS) clearly show that such incident types increase in number and severity the later into the evening / early hours they go. Due to the number of licensed premises within the immediate area of this venue and the number of incidents, it is actually identified as a "hot-spot" within the City which requires additional policing patrols.

To mitigate an increase in crime and disorder and prevent public nuisance and ensure public safety that the increase in licensable hours will bring, the Chief Officer of Police has requested that to support this application and promote the mentioned licensing objectives, SIA security equipped with body-worn video (BWV) would be required at material times. The applicant has refused to accept this siting costs. The financial implications, although understandable are not a reason to solely dismiss such a request.

Without SIA security equipped with BWV conditioned upon the premises licence, the Chief Officer of Police is Satisfied that the licensing objectives of the prevention of crime and disorder, public nuisance and public safety cannot be upheld.

It is an offence, under section 158 of the Licensing Act 2003 to make a false statement in or in connection with this representation
