

Winchester City Council

Equality Impact Assessment Template (EqIA)

Section 1 - Data Checklist

When undertaking an EqIA for your policy or project, it is important that you take into consideration everything which is associated with the policy or project that is being assessed.

The checklist below is to help you sense check your policy or project before you move to Section 2.

		Yes/No	Please provide details
1	Have there been any complaints data related to the policy or project you are looking to implement?	NO	
2	Have all officers who will be responsible for implementing the policy or project been consulted, and given the opportunity to raise concerns about the way the policy or function has or will be implemented?	YES	Engagement with officers in legal, procurement and finance has taken place. Planning permission has also be secured for the development which involved further statutory and not statutorily consultees.
3	Have previous consultations highlighted any concerns about the policy or project from an equality impact perspective?	NO	Public consultation on the new pavilion scheme has been extensive and positive.
4	Do you have any concerns regarding the implementation of this policy or project? <i>(i.e. Have you completed a self-assessment and action plan for the implementation of your policy or project?)</i>	NO	See section 2 for self assessment.
5	Does any accessible data regarding the area which your work will address identify any areas of	NO	Sport England provide knowledge, information and support in relation to sport and equality & diversity

		Yes/No	Please provide details
	concern or potential problems which may impact on your policy or project?		Equality and diversity Sport England The England and Wales Cricket Board (EBC) has produce a guide for creating Welcoming Environments. Creating-Welcoming-Environments-Guide.pdf (ecb.co.uk)
6	Do you have any past experience delivering similar policies or projects which may inform the implementation of your scheme from an equality impact point of view?	YES	This is a construction project that Estate Team has extensive experience of completing. The operation and management of the replacement pavilion facility will fall to the Landscape, recreation and open spaces team which again has extensive experience running this type of facility.
7	Are there any other issues that you think will be relevant?	NO
