Received 04 June 2025

Hello

I am writing in connection with the above Licencing application, my address is 18 Bluebell way ,Whiteley Po157ff.

The proposed opening hours are exceptional for Whiteley as most existing premises here close between 9 - 11 pm and would be a magnet for out of area customers looking for a late drink or meal drawing people to an otherwise closed centre.

The other premises cater for shoppers and cinema goers at the end of their day not as a separate venue for late night entertainment and all the problems that entails.

The premises are on the perimeter of the centre facing residential properties across an open car park and comings and goings at the proposed late hours plus having an outside dining area would I believe create a public nuisance.

I have no objections to Wetherspoons in general it is just the proposed late closing hours that would create problems,I believe a closing time of 10pm would be more than adequate and would fit in with other establishments.

Kind regards

David Parsons

I am writing to you in regards to the recent application for a late licence for the new JD Wetherspoons pub in the old Jurassic grill unit of Whiteley shopping centre.

Whilst I am not opposed to the pub itself I think that a licence to potentially 2 o'clock in the morning is completely unnecessary and unwarranted in a property so close to residents.

I cannot think of a single pub anywhere in the area that has been granted this .

My back garden backs onto the cinema development which hadn't even been mentioned at the time we bought it. The noise from the shops and cinema etc is increasingly getting worse but at least it all currently dies down at a reasonable hour.

There are many houses with young children in close proximity who will be affected by this and I think a standard 23.00 closing time is more than sufficient.

Thank you for reading.

Good afternoon,

I am writing in relation to the proposed opening times for the new pub in Whiteley in unit F4.

I reside in one of the houses next to the Cineworld complex and for context I purchased the property when the Cineworld building did not exist. I am not against new amenities being built or the creation of jobs in the area. However, I would like some consideration to be given to the noise and antisocial behaviour that a pub can bring.

The extremely late opening times being proposed for the pub will increase noise that will be heard in our property and other neighbouring houses. My daughter's bedroom is on the back of my property and will hear any noise from the venue. Therefore, I would like to object to the late opening hours planned for the venue. I feel an 11pm closing time is reasonable in a residential area and if later times were needed the Pub should be located on the non-residential side of the shopping complex. Had we been aware that this pub was a consideration at the time of purchasing our property we would have considered buying somewhere else.

Please take this email as an official objection to the proposed opening hours.

Kind regards,

Cllr Sudhakar Achwal

Hello

Winchester City Council has received an application from JD Wetherspoon Plc, Wetherspoon House, Reeds Crescent, Watford, WD24 4QL for a Premises Licence New for The Round Coppice, Unit F4, Whiteley Shopping Centre, Whiteley Way, Whiteley, Fareham, Hampshire, PO15 7PD.

The licensable activities are from 8:00 to mid night from Monday to Wednesday and 8:00 am to midnight Thursday to Saturday. The light refreshments have following opening hours: from 23:00 to 1:00 am for Sunday to Wednesday and from 23:00 to 1:00 am Thursday to Sunday The light refreshments are both indoors and outdoors.

My objections are to the opening hrs on the following grounds

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance

The pub is close to residential area – Camelia Way.

The extremely late opening times being proposed for the pub will increase noise that will be heard in neighbouring houses.

There are no shops, restaurants in the Whiteley shopping complex which are open beyond 11:00 pm.

The pub should have a restriction on opening hrs till 23:00hrs any day of the week for licensable activities or for refreshments.

Best regards

Whiteley Town Council

Thank you for the opportunity to respond to this licence application.

The Town Council comments as follows:

To minimise the possibility of public nuisance due to the proximity to a residential area it is requested that late night refreshments ends at 23.00 in line with other premises in Whiteley Shopping Centre and that as a minimum the outside seating area closes at 23.00.

Regards

Penelope Darcy
