<p>Officer Presenting: Rose Chapman</p> <p><u>Speaking</u> Objector: Denise Searle Parish Councillor: Cllr Ranger Ward Councillor: Supporter:</p> <p><u>Update</u> Appeal APP/L1765/C/23/3320989 (Plot 2, Pony Paddock, Land adjacent to the Chairmakers Arms) was determined by the Planning Inspectorate on the 1st October 2025. This decision is relevant to this application as the site is closely related to this application and is for a single gypsy pitch. The Inspector assessed the proposal and gave substantial weight to the latest housing land supply figures within the Council's AMR for 2024, a figure of 3.2 years. It is noted that the emerging local plan has identified that the 5 year housing land supply would be met with windfall sites coming forward. However, the Inspector has raised concerns that the full need has not been identified and therefore the deliverability of a 5 year housing land supply for gypsies and travellers is questioned. The inspector concluded that the harms identified were material given the enforcement status of the remaining plots on the site, and therefore a permanent permission could not be justified and therefore granted a temporary permission for 5 years. While the result of this appeal decision is noted, it does not change the assessment made.</p>
