Officer Completing the Form: Sara Davies

Lead Director: Cheryl Headon

Subject: Parking Permit Amendment to the Off-Street Parking Order 2026

Details of Decision: *Please provide a brief explanation as to what decision was made, including any financial implications. This should be done in easy to understand, non-technical language - as this wording will appear on the website for the public to read. Also please remember all staff will be able to see this document.*

Winchester City Council has proposed a new Off Street Parking Order in order to simplify and update the management of all City Council car parks in the Winchester District. This includes all the Park & Ride sites which are managed by Winchester City Council and all off street car parks, including those which are free to park in, in Alresford, Wickham, Bishops Waltham, and Denmead. The order was proposed over Christmas 2025 and received only one comment towards that advertisement.

During the proposal advertising period, a new concessionary parking permit was developed for Inner Area Residents who already hold a current and valid HCC parking permit for the Winchester parking scheme. As this permit was not included in the original proposals, it must be formally advertised before it can be implemented and enforced.

The new permit will be advertised for public comment and, following consideration of any representations received, incorporated into the new Off Street Parking Order 2026. Once made, the Order will be advertised as a 'Made' order. The permit will enable eligible residents to park during evenings (7pm-8am) and at weekends in specified Winchester City Council car parks.

Prior to the advertisement of the proposals, statutory consultees will be consulted including Hampshire County Council, the Police and Councillors. The order will then be formally advertised in the local papers and on WCC's Citizen Space webpage in accordance with statutory procedures. Any objections to the advertisement will be analysed and formally considered.

The cost of the advertisement will be covered by the current Parking budget.

Reason for the Decision: *A brief overview of your reasons for taking this course of action.*

The new Inner Area Resident Car Park Concession Permit is legally required to be proposed and advertised in order to be sold and enforced by Winchester City Council. Since the On-Street parking provisions were returned to Hampshire County Council, residents in the Inner Zones can find difficulty parking their vehicle near to their residence. This new permit would allow them to park at the weekends and overnight in certain car parks. The amendment to the Off-Street Parking Order would allow the permit to be ready when the Off-Street Parking order 2026 is made.

Alternative Options Considered & Rejected: *All alternative options considered need to be outlined here. Please include detail of any representations received. This will include your response to any alternatives suggested by those making representation and the reasons why these alternatives were rejected.*

Not making the new Order was considered and rejected as this would have meant continuing to have the 2003 order with variations in place- thereby missing the opportunity of simplifying and modernising the existing. Not making the new permit would have detrimental effect on those residents who are finding it difficult to park when they return in the evenings and weekends.

Notes.

1) Why record officer decisions?

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 require local authorities to produce a written statement of an executive decision made by an officer as soon as is reasonably practicable after the decision is taken (see Paragraph 13). This written statement must include the information requested in the questions of the pro forma on the previous page.

2) What sort of decisions are there?

- a) **Key decisions.** A key decision is defined by Regulation 8 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2012 as being an executive decision which is likely:
- i. To result in the local authority incurring expenditure, which is or the making of savings which are significant having regard to the local authority's budget for the service or function to which the decision relates; **(For Winchester City Council, the financial limit above which a decision is regarded as significant is £250,000 per year), or;**
 - ii. To be significant in terms of its effect on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

A decision taker may only make a key decision in accordance with the requirements of the Cabinet Procedure Rules, Access to Information Procedure Rules (Part 4) and the Officer Scheme of Delegation (Part 3) of this Constitution.

- b) **Non-Key Decisions.** Officers will usually take non-key executive decisions. A non-key decision is an executive decision that does not meet either criterion of a key decision as laid out above. These decisions are divided into significant operational decisions and administrative decisions.
- i. **Significant Operational (Non-Key) Decisions.** This is a decision in relation to a Council or executive function which is not a key decision and results in one of the following:
 - Revenue expenditure or making savings (including the receipt or loss of income) between £100,000 and £250,000 per year;
 - Capital expenditure (i.e. if they involve entering into new commitments and/or making savings) and/or contract awards of between £100,000 and £250,000
 - When, in the opinion of the Chief Executive, the Section 151 Officer or Monitoring Officer, a published record of the decision is required to provide openness and transparency.
 - A significant decision should be recorded in order to comply with Regulation 13 (Recording of executive decisions made by individuals) of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 (No. 2089).
 - ii. **"Other" Decision.** Regulation 7 of the Openness of Local Government Bodies Regulation 2014 requires a written record to be produced as soon as reasonably practicable after an officer has made a decision under delegation which a) grants a permission or licence or b) affects the rights of an individual.
 - iii. **Administrative Decision:** *(these do not require recording on this form unless one or more of the following applies)*
 - i. There is a financial implication;
 - ii. It is in conflict with the Budget and Policy Framework or other approved policies approved by full Council; and
 - iii. It raises new issues of policy.
 - iv. *It is a decision to alter the procurement evaluation model and meets certain thresholds – see "help text"*

3) Which officer decisions need to be recorded on this form?

Officers need to record:

- 1) any key decision, i.e., decisions that have a significant effect on 2 or more divisions, or have a cost/saving of £250,000 or more. (see 2A above)
- 2) any Significant Operational Decisions. (see 2B (1) above)
- 3) "Other" officer decisions regarding the granting of a permission or licence or that affect the rights of an individual (see 2B (2) above)
- 4) Administrative decisions which meet the criteria in iii above.

4) What are the relevant processes to be followed?

For all decisions, the report author needs to complete the Forthcoming Decisions record in Sharepoint.

Establish which type of decision it is (see 2 A and 2B above.)

Most officer decisions require to be recorded on this form (see 3 above) Once completed, please ensure that it is reviewed by legal, finance and the relevant Director prior to signing. Once approved, the form should be forwarded to Democratic Services for adding to the Council's website where it can be viewed by members of the public on the decisions page (unless it is an Administrative decision).

Public Sector Equality Duty. Contact your Corporate Head of Service should you require any clarification regarding the council's Public Sector Equality, including whether you may need to complete an impact assessment as part of this decision record.
