

Part 5

1. Members' Code of Conduct

Members of Winchester City Council have a responsibility to represent the community and work constructively with officers and partner organisations to secure better social, economic and environmental outcomes for all.

Introduction and Interpretation

1. This Code applies to you as a member of the City Council ('the authority').
2. It is your personal responsibility to comply with it. You should read this Code together with the general principles of public life on which it is based and which are set out at in the Code.
3. In this Code: 'meeting' means any meeting of:
 - (a) the authority, the executive, any committees, sub-committee, joint committee, area or local committee;
 - (b) members in formal or informal meetings with other members and/or with officers relating to the business of the authority;
4. 'Member' includes a co-opted member and an appointed member.

If you need guidance on any aspect of this Code you should seek it from the Monitoring Officer or Deputy Monitoring Officer.

In accordance with the Localism Act 2011 provisions and the Seven Principles of Public Life (known as the Nolan Principles), when acting in this capacity members must commit to behaving in a manner that is consistent with the following principles to achieve best value for residents and maintain public confidence in this authority.

Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

Holders of public office should promote and support these principles by leadership and example.

The Act further provides for registration and disclosure of interests and in Winchester City Council this will be done as follows. The Monitoring Officer is responsible for maintaining the register of Members' interests as set out in Section 29 (1) of the Localism Act 2011. Members are required to complete a register of Members' Interest form which should record the information set out below. In addition, Members have an obligation to declare interests as set out below:

1 Interests

1.1 Interests – Disclosable Pecuniary Interests

A Member, present at a meeting of the Council, or any committee, sub-committee, joint committee or joint sub-committee of the Council, with a Disclosable Pecuniary Interest (DPI) in any matter to be considered or being considered at a meeting:

- (a) must not participate in any discussion of the matter at the meeting;
- (b) must not participate in any vote taken on the matter at the meeting;
- (c) must disclose the interest to the meeting, whether registered or not, subject to the provisions of section 32 of the Localism Act 2011;
- (d) if the interest is not registered and is not the subject of a pending notification, must notify the Monitoring Officer of the interest within 28 days;
- (e) must leave the room while any discussion or voting takes place, unless he or she has requested and obtained a written dispensation from the Council's Monitoring Officer in advance of the relevant meeting.

2.0 Register of interests

2.1 Disclosable Pecuniary Interests

Within 28 days of becoming a member of the Council, each member must register any Disclosable Pecuniary Interests (DPIs) he or she may have for publication in the Register of Members' Interests (and notify the Council's Monitoring Officer of any changes thereafter within 28 days). (See Appendix A to this Code.)

2.2 Non Pecuniary Interests

Within 28 days of becoming a member of the Council, each member must register any Non Pecuniary Interests (NPIs) (and notify the Council's Monitoring Officer of any changes thereafter within 28 days). These are such Non Pecuniary Interests as from time to time are referred to on the Register of Members' Interest form. (These requirements are determined by the Council in its discretion or by legislation and statutory guidance. Members may participate in any discussions or debates relating to or concerning any NPIs after the date of registration. (See Appendix A to this Code)

2.3 Further General Guidance

- (a) Each member must declare any DPIs or NPIs to a meeting where business is relevant to those interests, including those interests that are already registered with the Monitoring Officer or where registration is pending.
- (b) Each member must register, within 28 days, any gifts or hospitality received in accordance with the instructions issued within the Council by the Monitoring Officer.
- (c) The Council's Register of Interests will be available for inspection at the Council offices during normal office hours, and will be published on the Council's website.

3.0 Sensitive interests

Where a Member considers that disclosure of an interest could lead to that Member, or a person connected with them, being subject to violence

or intimidation, and the Monitoring Officer agrees, the interest may be excluded from the register. The register may state that the member has an interest, the details of which are withheld.

4.0 Member Conduct

4.1 Each member of Winchester City Council should ensure that his or her conduct addresses the statutory principles of the code of conduct by:

- (a) Championing the needs of all residents – the whole community and in a special way his or her constituents, including those who did not vote for him or her - and putting the interests of residents first.
- (b) Dealing with representations or enquiries from residents, members of our communities and visitors fairly, appropriately and impartially.
- (c) Not allowing other pressures, including the member's financial interests or financial interests of others connected to him or her, to deter from pursuing constituents' casework, the interests of the Council's area or the good governance of the Council in a proper manner.
- (d) Exercising independent judgement and not compromising his or her position by placing him or herself under obligations to outside individuals or organisations who might seek to influence the way in which the member performs his or her duties.
- (e) Listening to the interests of all parties, including relevant advice from statutory and other professional officers, taking all relevant information into consideration, remaining objective and making decisions on merit.
- (f) Being accountable for decisions and co-operating when scrutinised internally and externally, including by local residents.

- (g) Contributing to making the Council's decision-making processes as open and transparent as possible to enable residents to understand the reasoning behind those decisions and to be informed when holding members to account, but restricting access to information when the wider public interest or the law requires it.
- (h) Behaving in accordance with all legal obligations, alongside any requirements contained within the Council's policies, protocols and procedures, including those relating to the use of the Council's resources.

- (j) Always treating people, organisations and the public with respect.
- (k) Providing leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within the Council.
- (l) Having regard to any applicable Local Authority Code of Publicity made under the Local Government Act 1986.

 - Unwelcome sexual advances – touching, standing too close, display of offensive materials, asking for sexual favours, making decisions on the basis of sexual advances being accepted or rejected
 - Making threats or comments about job security without foundation
 - Deliberately undermining a competent worker by overloading and constant criticism

- (c) Intimidate or attempt to intimidate any person who is or is likely to be:
- (i) a complainant,

- (j) Publically criticise any member or officers competence, conduct, judgement or performance of duties.

5 Contact with external bodies and contractors

Members should note the following guidance and comply accordingly

- 1.1 On occasions, a Member may be involved not only in business meetings of external bodies to which they have been appointed by the Council but also with third party contractors and developers with which the

Council has a relationship or is seeking to have one. Members may also be approached by speculative developers. Members must be mindful of the scope and nature of any interventions with which they initiate or are involved in. There is a line between fact finding and awareness raising, and being drawn into a position of negotiating on behalf of the Council. Should the latter occur, or be necessary, the Member should ensure that an appropriate Council officer is in attendance to ensure a consistent and fair approach is taken across the Council. In some scenarios, a Member could potentially jeopardise contractual negotiations already underway or even expose the Council to legal challenge.

- 1.2 The officer in attendance should take brief notes of the purpose of the meeting, who was in attendance, when and where it took place, what was discussed and a note of actions arising from it. This should be made available to all parties as soon as possible after the meeting, and a central record kept that the meeting took place.

5.0 Decision Making

- 5.1 When reaching decisions on any matter Members must have regard to any relevant advice provided to them by:
 - (a) the Council's s151 Officer; or
 - (b) the Council's Monitoring Officer, where that officer is acting pursuant to his or her statutory duties.
- 5.2 Members must give reasons for all decisions in accordance with any statutory requirements and any reasonable additional requirements imposed by the Council.
