		<ul style="list-style-type: none"> • Due to the restrictive access arrangement on the site, any proposals for intensification/expansion will not be allowed • <u>Improve the access of the site and its junction with Gravel Hill as required.</u>
MM03	Policy TR5	The Local Planning Authority will consider proposals for the additional provision of pitches/plots <u>through intensification within</u> on sites covered by Policies TR1 – TR 4 above, on a case by case basis and in accordance with the provisions of Policy TR6.
MM04	New policy and supporting text to be inserted after para 4.19	<p><u>Planning Applications</u></p> <p>This DPD provides for current and expected traveller accommodation needs, although for travelling showpeople it has not been possible to identify adequate sites currently. Therefore, proposals for traveller accommodation should be on the sites identified in this Plan (policies TR1 – TR4) or in locations where residential development is otherwise permitted (policies DM1 and MTRA3). Proposals for traveller accommodation should also accord with the policies of this DPD and other relevant policies in Local Plan Parts 1 and 2, particularly policies CP5 and TR6 <u>TR7</u>.</p> <p>It is acknowledged that there may be cases where an exception to countryside policies (MTRA4) may be justified, for example to meet the remaining needs of showpeople or for travelling households with an overriding need to be located in the area. Where these meet the definition of travellers (PPTS Annex 1) but have not been able to find a suitable site within a settlement boundary or through infilling, permission may exceptionally be granted on suitable sites within the countryside. There should be evidence to show that sites complying with policies DM1 or MTRA3 have been sought, and why these are not suitable or available, and the proposed site should be in a sustainable location which is accessible to local services such as schools, health and community facilities.</p> <p>Policy TR6</p> <p>Proposals for traveller accommodation outside the sites identified in policies TR1 – TR4, including expansion of these sites, will be permitted within the settlement boundaries defined by policy DM1 or through infilling in accordance with policy MTRA3.</p>

		<p>Sites outside the provisions of these policies (other than appropriate intensification under policy TR5) will only be permitted where they are for occupation by persons who:-</p> <ul style="list-style-type: none"> • are defined as gypsies and travellers or travelling showpeople (Planning Policy for Traveller Sites 2015 Annex 1 or a subsequent revision); and • can demonstrate an exceptional personal or cultural need to be located in the area; and • can provide evidence of <u>there is</u> a lack of other suitable accommodation. <p>Sites must be in sustainable locations well related to existing communities as defined by Policy CP5 and comply with the requirements of Policy TR6 <u>TR7</u>.</p> <p><i>Consequential renumbering of policy and text that follows</i></p>
MM05	Policy TR6 (Will become policy TR7)	<ul style="list-style-type: none"> • General <p>provide details of wastewater infrastructure, <u>including a foul drainage assessment and surface water drainage, incorporating SUDS where possible</u></p>
MM06	Para 4.26	<p>Implementation and Monitoring</p> <p>4.25 The monitoring framework at Appendix F, sets out how each policy will be monitored reflecting the objectives expressed in both the Council strategy and the environmental objectives in the SA/SEA.</p> <p>4.26 The introduction of the revised definition of travellers in the PPTS is in the process of being challenged through the high court, the outcome of this may impact on the GTAA results and require the need for a review of this DPD to be initiated. <u>The Council will monitor implementation of the DPD and will continue to explore opportunities to meet the identified needs of Travelling Showpeople, including as part of the review of Local Plans part 1 and 2 which has recently commenced.</u></p>
MM07	Appendix F	Insert new monitoring framework for new policy TR6
