**General Comments**

Councillor Caroline Horrill has registered an interest in the property the subject of this application relating to works to remove to ground level a Golden Leynaldii tree. The applicant applied to carry out the works as the location is in a conservation area and that was granted consent under delegated authority.

It is stated in the application form that the applicant is related to a Member as the father in law to the Councillor. The works have not been carried out to date and the applicant awaited further advice from the local planning authority before so doing.

In the interests of transparency, this item is brought to the attention of the Committee and therefore is in the public domain as well. Consent to carry out works was granted under delegated powers and the Committee is asked to note that decision made.
