4. Observations

- 4.1 The Sub-Committee is obliged to determine this application with a view to promoting the Licensing Objectives:
- The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm
- 4.2 In making its decision, the Sub-Committee is also obliged to have regard to the [National Guidance](#) and the Council's [Licensing Policy](#).
- 4.3 The Sub-Committee must have regard to all of the representations.
- 4.4 The Sub-Committee must take such of the following steps it considers appropriate to promote the Licensing Objectives:
- a) Grant the licence subject to conditions in accordance with the operating schedule (modified to such extent as the authority considers appropriate for the promotion of the licensing objectives) and the mandatory conditions;
 - b) exclude from the scope of the licence any of the licensable activities to which the application relates;
 - c) refuse to specify a person in the licence as the premises supervisor;
 - d) reject the application.
- 4.5 The Sub-Committee must have regard to the SDNP purposes when considering applications to ensure they are respected. The purposes are:-
- (a) Purpose 1 – to conserve and enhance the natural beauty, wildlife and cultural heritage of the area.
 - (b) Purpose 2 – to promote opportunities for the understanding and enjoyment of the special qualities of the National Park by the public.
- 4.6 If there is a conflict between the SDNP purposes, Purpose 1 must have priority.

Terminal hours

The Sub-Committee should take account of the National Guidance and the Council's Licensing Policy with regard to terminal hours and take such steps as it considers appropriate to promote the Licensing Objectives.

(Licensing Policy Part 4, A8)

Licensing Objectives

Crime and Disorder

The Sub-Committee should consider any appropriate conditions to prevent crime and public disorder relating to the premises having regard to the operating schedule and the representations.

(Licensing Policy 1.9, 2.11, 2.17 and Part 4 Section A)

Public Safety

The Sub-Committee should consider any appropriate conditions relating to public safety on the premises having regard to the operating schedule and the representations.

(Licensing Policy Part 4, B2, B3)

Public Nuisance

The Sub-Committee should consider any appropriate conditions to prevent public nuisance caused by noise pollution from the premises having regard to the operating schedule and the representations.

(Licensing Policy Part 4, Section C)

Protection of Children

The Sub-Committee should consider any necessary conditions for the Protection of Children relating to the premises having regard to the operating schedule and the representations.

(Licensing Policy Part 4, D6, D7)

Human Rights

It is considered that Articles 6 (right to a fair trial) 8 (right to respect for private and family life) and Article 1 of the First Protocol (right to peaceable enjoyment of possessions) may be relevant. As there is a right of appeal to the Magistrates' Court, it is considered that there would be no infringement of Article 6. Article 8 is relevant, insofar as the nearby residents could claim that this right would be infringed by disturbance from customers. This should be balanced against the applicants' right to use of their premises under Article 1 of the First Protocol. Interference with these rights is permitted, where this interference is lawful, appropriate in a democratic society, and proportionate. Likewise, the residents may argue that their rights under Article 1 of the First Protocol would be infringed. If conditions are imposed, there should be no interference with any convention rights. To the extent that any interference may occur, it would be justifiable in a democratic society, and proportionate.

5. Conditions
